Good Morning Mr. Vina.

I am just following up with you on the OSSF interlocal agreement we have with the City of Mission. It needs to be amended to reflect that we now charge a re-inspection fee if a septic system needs to be re-inspected because it was not ready during the initial inspection. Have you had a chance to look at the agreement? Please let me know if I can be of any help in this request.

Good Morning Mr. Vina

The County has an Inter-Local Agreement with the City of Mission for us to do their septic tank permits and inspections. Since, we were authorized by CC to be able to charge a Re-Inspection Fee of \$75.00 if the system being inspected is not ready to be covered with dirt. We need to add this fee to Item 4 of the agreement pertaining to fees the County will charge. Attached is the agreement, legal review, and the agenda item. Please let me know what I can do to assist with this matter.
