Good morning!

TIPS does not post vendor pricing on our website due to it being a public site. We are happy to provide pricing to TIPS members upon request. You simply need to email [bids@tips-usa.com](mailto:bids@tips-usa.com) and request. Be sure to specify vendor's name and contract number.

Please find attached the current contract pricing for Sames Bastrop Ford's contract #240901. For the purposes of public information request, the vendor waived confidentiality per attached.

Per the response to "Discount Offered" attribute question, with the possible exception of limited goods and services specifically identified and excluded from this discount in Vendor's original proposal, the minimum discount proposed for this contract is 1%.

Please be sure that the purchase documents (PO/Quote) are reported to [tipspo@tips-usa.com](mailto:tipspo@tips-usa.com) to ensure a compliant TIPS purchase.

Please let us know if you have additional questions.

While TIPS does all that it can to comply with and exceed the bidding requirements for most public entities, because the laws applicable vary by entity type, location, spend amount, purchase type, and the purchaser's local policies, TIPS cannot legally advise any Member/End-User when a TIPS purchase is appropriate. It is always up to the Member/End-User to review our processes and determine if we meet their needs for any particular purchase or entity.
