Greetings Mayor David Moreno,

This letter has been prepared by the Lower Rio Grande Valley Development Council – Aging and Disability Resource Center to announce our intention to apply for CDBG funding in the amount of \$5,000,000. The LRGVDC - ADRC is dedicated to providing essential services to qualifying older adults and individuals with disabilities in the Cameron, Hidalgo, and Willacy County regions. Our agency currently collaborates with other CDBG-funded programs within the region and seeks the opportunity to expand services and resources to better support your residents.

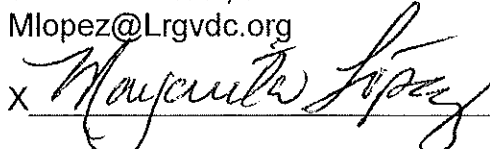

We anticipate helping eligible clients with homemaker services. Homemaker services will include laundry, cleaning, and meal preparation. These services would be provided for clients who require assistance with these daily activities in their place of residence to help sustain independent living in a safe and healthy home environment.

We currently assist the residents of your community with traditional Area Agency on Aging funding and with the additional support of CDBG funding we will be able to expedite services to the qualifying residents of your community.

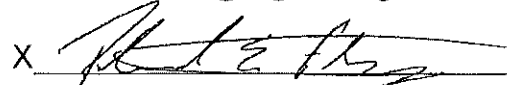

If you have any questions or concerns, please feel free to reach out to me at 956-682-3481 Ext.410
