Hi Pedro,

Thank you for your contact!

Please find the quote attached.

We do not have this exact W9 form in Spain, where our company is. I can attach the equivalent to this email. Same thing about the CLI.

We understand that some companies have supplier forms and questionnaires that require completion, but to maintain our low sales price, we have to run a reasonably efficient business model, and that means, unfortunately, we don't have the resources to complete these forms for you.

What we aim to do is provide as much information as possible so you can check our [privacy policy](#), the [data processing agreement](#), and [the terms of service](#).

If you need more details or have some specific questions, please let me know and I will do my best to help.

I hope this helps, please let me know if you have any other questions.

Thank you!

Best regards,
Belén Barrera

Hi Maria

An apology, I assume I have already requested the documents, these are what we need to get approval from our Comissioner Court:

- Quote for a Professional Yearly Subscription Plan
- W-9 form
- Certificate of Liability of Insurance (please let us know if you can ensure Hidalgo County as a certificate ensured)
- 1295 form (<https://www.ethics.state.tx.us/filinginfo/1295/>)
On contract ID, please reference: **25-0266**
On Description of Goods/Services, please reference: **Online Flipbook Maker Subscription**

Let us know if this something doable and if you have any questions or concerns.

I'll appreciate your help

Regards

Hi Maria

Is there any way you can help us with the documentation requested so that our Commissioner Court can approve the purchase?

I'll appreciate your help on this matter.

Hi Pedro,

Thank you for being interested in Heyzine! :)

If you want to make an interactive book then we can help you!
To start from the beginning you have to upload your PDF to Heyzine, you can do it for free here: <https://heyzine.com/>.

Once you have your PDF converted to flipbook you can start adding different interactions like videos, music, and links, among others. In this guide [here](#) you have a step-by-step explanation of how to create your first interactive flipbook with Heyzine!

Here are some short video examples of how to add different interactions to your flipbooks:
