Important customer information

Prices referenced in this document are for estimating purposes only. Actual prices will be based on current equipment, calling plan and feature charges available at purchase are subject to change without notice. Equipment and accessories are subject to availability while supplies last.

Shipping cost and taxes are subject to change during checkout. Activation/upgrade fee/line up to \$35; restocking fee per device up to \$50. An Economic Adjustment Charge/line/mo may also apply; \$0.98 for basic phones & tablets; \$2.98 or \$3.97 for smartphones & data devices and for wireless business internet plan lines. Subject to business agreement, Calling Plan & credit approval. Either an Offer Recovery Fee or up to \$650 Early Termination Fee may apply. If applicable, your line's Offer Recovery Fee will be the sum of device discounts plus device credits you receive. Offers & coverage, varying by svc, not available everywhere; see vzw.com. Monthly charges are shown before taxes, and VZW surcharges/line/mo (including 36.6% Fed. Univ. Svc.; \$3.50 (voice)/\$0.06 (data-only) Admin Chrg; \$0.19 (voice)/\$0.02 (data-only) Regulatory Chrg). Your organization may qualify for better pricing when the final price is calculated upon checkout. In some states, sales tax is calculated on the full retail price or the VZW cost of the device you purchase, and not on the discounted price you pay. Some users may not be permitted to bill charges to their account, purchase order, and/or credit card. This may prevent you from completing your order online today. CA and NV calculate tax based on full retail value of the item(s) purchased. MA calculates tax on whichever is greater: full retail value or Verizon's cost of the item(s) purchased.

Legal Disclaimer

Offer Recovery Fee: We are able to make Equipment available to our government customers at significantly lower prices than the manufacturer's list prices by offering various subsidies in exchange for the customer meeting certain conditions. Here, if the Customer purchases Equipment from Verizon Wireless at a discounted price and then disconnects that Equipment from the Verizon network, or moves the Equipment to a Lesser Price Plan, prior to the expiration of 24 months after the date of activation, Verizon Wireless may recover an Offer Recovery Fee for the disconnected Equipment. The Offer Recovery Fee will be the difference between the full retail price of the Equipment at time of purchase and the discounted price paid by the Customer for the Equipment, plus any additional service discounts, credits, waived fees, and other offers provided, less 1/24 of that amount for each month the Equipment was connected to the line of service

Why Verizon

The network businesses rely on

If your network is down, you're down. Our award-winning network delivers the speed, reliability, coverage and performance that you need to succeed.

Superior Coverage

Our 4G LTE network covers 327 million people. That's over 99% of the U.S. population.

5G innovation

Verizon 5G Ultra Wideband is the fastest 5G in the world¹, with ultra-low lag and Massive capacity.²

Trusted security

Managing over 500,000 security network and hosting devices gives us valuable insights into the digital landscape.

Performance

Verizon is the most awarded brand for Wireless Network Quality according to J.D. Power.³

Massive capacity

We obsess over the details, analyzing millions of gigabytes of data every day.

Easy integration

We've certified 900+ machine-to-machine (M2M) chipsets, modules and devices.

1 Global claim from May 2020, based on Opensignal independent analysis of mobile measurements recorded during the period January 31 – April 30, 2020 © 2020 Opensignal Limited.

2 5G Ultra Wideband (UWB) available only in parts of select cities. 5G UWB access requires a 5G capable device with select voice/data & 5G UWB plans. 5G Nationwide available in 2,700+ cities.

3 Verizon received the highest number of awards in network quality for the 25th time as compared to all other brands in the J.D. Power 2003-2020 Volume 1 and 2 U.S. Wireless Network Quality Performance Studies. Network Quality measures customers' satisfaction with their network performance with wireless carriers. For J.D. Power 2020 award information, visit jdpower.com/awards for more details.

Digital transformation begins with a partner you can trust.

Thousands of businesses, organizations and agencies rely on Verizon's network leadership and deep understanding of technology. And we have a track record of helping teams big and small with products and solutions that are flexible, reliable and secure.

Let's get started.
