Good afternoon, Pedro.

I've verified all quotation line-item cost match the contract pricing which I've highlighted in the attached excel pricing document.

Please note the following:

- Quoted chassis cost of \$90,648.04 is less than the \$121,106 contract cap.
- Quoted surcharge of \$4,279.66 is 4.3% of the total body cost, contract allows for up to 10%

Please let me know if there are any questions.

V/R,

Nick Filer
