WHEREAS, the Parties now desire to amend Section 2. Project Consideration to reflect the inclusion of ARPA contract number and ARPA language.

2. Add Paragraph 2 to the agreement as follows:

On or about March 10, 2021, the Federal Government passed the American Rescue Plan Act (“ARPA”), including the Coronavirus State and Local Fiscal Recovery Fund (the “SLFRF”) which provides for direct payments to qualifying units of local governments navigating the impact of the COVID-19 outbreak. Pursuant to the U.S. Department of the Treasury’s guidance, the funds may be used for certain eligible purposes to respond to the pandemic and its economic effects and to replace revenue lost due to the public health emergency, preventing cuts to government

services. The guidance goes on to provide specific eligible uses for these funds. The services made the basis of this Agreement are being procured for one of these eligible purposes.

*As such, this Agreement is subject to the requirements applicable to federal awards as provided in 2 CFR 200 and the required contract provisions for contracts subject to federal award found in Appendix II to 2 CFR 200 are applicable to this Agreement and were included as part of the initial procurement packet. Additionally, the ARPA required contract provisions found in the attached **ARPA Addendum** are applicable to this Agreement. All referenced required contract provisions are incorporated herein and made part of this agreement for all purposes, and Parties agree to abide by the same.*

3. Add COUNTY OF HIDALGO AMERICAN RESCUE PLAN ACT (ARPA) CONTRACT ADDENDUM, to the agreement, as found in attachment A.

Except as modified herein, all terms and conditions of the Contract, as amended, remain in full force and effect and Contractor and County ratify and confirm the terms, and provisions of the Contract as amended.
