Dear Efrain,

Thank you for your continued support of Texas PRIMA. Your involvement is essential to the success of the association. **Your membership expires 09/30/2025.** Your membership invoice is below.

As public entity members we face unique challenges that require effective risk management strategies, and Texas PRIMA is committed to providing you tools to help with these challenges. We hope you have taken advantage of these valuable resources available with your Texas PRIMA membership:

- Members-only online community, including:
 - Searchable membership directory
 - Forums for Q&A and networking
 - Searchable Buyers Guide
 - Recorded presentations and informational handouts from past webinars and coffee talks
- Free risk management job postings
- Free members-only webinars and coffee talks for professional development
- Free CE credit for applicable webinars and coffee talks
- Archival copies of Texas PRIMA's membership newsletter, the PRIMA Press

As you prepare to renew your membership, please be advised of a change in the annual membership rate. Beginning this year, the membership fee will increase from \$75 to \$85. This is the first rate adjustment in nearly 20 years. This modest increase is necessary to ensure Texas PRIMA can continue enhancing member value and supporting ongoing growth and innovation.

If you are planning to attend Texas PRIMA's Annual Conference your dues will be added to your registration form (membership dues \$85 + conference registration \$400 = \$485). **If your entity requires your membership invoice to be separate from your conference invoice:**

1. Renew your membership first using the invoice attached to this email.
2. If you are mailing a check, wait to receive the emailed receipt before you register for the conference.
3. When you register for the conference, your membership dues will not be added to the conference invoice. You will just receive an invoice for \$400. If this is not reflected on your form, please email info@texasprima.org before you
