RE: K9 "Leo"

Good morning,

I was advised that the Hidalgo County Constables Office was looking into the transfer of K9 Leo to a different agency. I would like to let you know that Edinburg Police is definitely interested in said transfer.

I am writing this email to inform you that I have received proper authorization from our administration for the transfer of K9 Leo to our department.

Please let me know if anything needs to be done on our end.

Thank you!
