▼ **RELX PLC Overview** - Specialty Business Services / Industrials

RELX PLC, together with its subsidiaries, provides information-based analytics and decision tools for professional and business customers in North America, Europe, and internationally. It operates through four segments: Risk; Scientific, Technical & Medical; Legal; and Exhibitions. The Risk segment offers information-based analytics and decision tools that combine public and industry specific content with technology and algorithms to assist clients in evaluating and predicting risk. The Scientific, Technical & Medical segment provides scientific and medical information and data sets that help...
