Dear Bradford Patterson:

Thank you for forwarding the necessary documentation concerning Hidalgo County's application for participation in the Certified Local Government (CLG) Program. We have reviewed your submission and are pleased to concur in your recommendation that Hidalgo County be certified as provided for in the National Historic Preservation Act (54 USC Chapter 3025).

The date of certification will be recorded as the date of this letter. We are also providing a copy of this letter to Hidalgo County.

We welcome Hidalgo County as a local partner in the Federal Preservation Program and look forward to working with them to preserve what makes their community special and significant. They have been added to our CLG database and can find their listing there as well as more information on the CLG program by going to: <https://www.nps.gov/subjects/clg/index.htm>.
