I, JEFFREY LUEVANO attest that HIDALGO COUNTY SHERIFF'S OFFICE (the "Agency") is a government law enforcement agency, and a customer of Callyo, a Motorola Solutions company, and that the Agency has used and will use the Callyo software solely for public safety purposes in compliance with all applicable laws.

I hereby consent to the disclosure of this attestation to AT&T Mobility LLC, Verizon Communications, Inc, Twilio Inc, United States Cellular Corporation, T-Mobile US Inc, and other US carriers (the "Carriers") facilitating the Agency's messaging and voice traffic.

I further consent to disclosing, upon written request from a Carrier or in response to investigations of abuse or spam, specific phone numbers in the Agency's Callyo account, under terms of confidentiality, in order to reduce the impact of consumer content filtering applied to messaging and voice traffic originating from or received by Callyo numbers provided to the Agency.

The law enforcement agency takes full responsibility for all A2P messages and messaging compliance, as required by underlying carriers, associated with messaging campaigns the agency sends through the Callyo application pursuant to this attestation.
