Victor,

Please review the attached draft MOU with NAWSC for the activities included in the email below. The amounts included in the agreement are based on a project cost estimate provided by NAWSC.

In addition, I attached a sample agreement that NAWSC sent me for an MOU they have entered into with the County before for your reference.

Make any adjustments you deem necessary and email me a final version to send back to NAWSC as soon as possible.

Respectfully,

Good evening Victor,

As discussed, our office will be drawing up an agreement between the County and NAWSC for the purchase/release of easements and adjustment of utilities in conflict with proposed road improvements in Precinct 2.

I have taken the liberty of using the MOU template we discussed. Please take a quick look and let me know if this is the correct agreement format. Once you confirm, we will proceed to fill in all the necessary information and details regarding the project and commitments.

Should you have any questions or need additional information please let me know.

Respectfully,

Erika Zamora
