After a comprehensive evaluation by Head Start personnel, it was determined that certain items are no longer serviceable and should be considered for public auction. These items have been categorized as damaged surplus due to their state of disrepair, age and the inability to be used for their intended purpose as per Head Start and The Texas Department of Health and Human Services-Licensing Division. Please refer to attached list.

Once approved and authorized by the Policy Council and Commissioners' Court. The Field Operations Department will decide with the Bonnd & Bond Auction Company, the duly authorized vendor by the County, to schedule and conduct the auction. The process will include a viewing of all items followed by the auction and arrangements to pick up items by buyers will be made.
