Regarding the annual software license and technical support agreement with Cardinal Tracking, Inc. Cardinal Tracking developed and maintains the BADGE software you currently use in your ticket writing system. Therefore, we are the only support of BADGE software. The fees of \$3,639.20 you currently pay for the software license agreement includes unlimited technical support, any and all upgrades to the system during the contract dates. The fees mentioned above are the same fees charged to all the academic clients Cardinal assists with their BADGE system. If you need further assistance, please do not hesitate to contact Cardinal.

- **BADGE SE, CAD SE – Computer Aided Dispatch System**

Note also that Cardinal Tracking is listed with CMBL as Vendor# 1751841973801/62527 with the State of Texas.

Feel free to contact me with any questions.
