Dear Mr. Soto:

It is time to renew your membership in the Government Finance Officers Association of Texas (GFOAT). GFOAT has reviewed the membership classifications and has simplified the process. Along with those changes, we have increased the dues to meet industry standards with the Board of Directors' approval.

If you are a CGFO, then you are also to use this form to pay your **CGFO renewal fees**. The CGFO guidelines are available online at [www.gfoat.org](http://www.gfoat.org).

We value your financial support and membership participation in GFOAT. You may contact Lavern Gaines at [lavern@tml.org](mailto:lavern@tml.org) or 512-231-7400 if you have any questions. Be sure to review your contact verification data above.
