Analysis and Conclusion:

Our approval/ disapproval recommendation is based on the items checked above and has been evaluated as follows: (attach additional sheets as necessary)

Parcel 120 is a partial acquisition containing 1,4042 of an acre (61,148 sq. ft) parcel of land situated in Hidalgo County, Texas and also being a part or portion land of farm tract 288, WEST TRACT SUBDIVISION, according to the plat or map thereof recorded in Volume 2, Pages 34-37, of the Map Records of Hidalgo County (M.R.H.C.). On July 12, 2025 Acquisition Provider (L&G) mailed an offer of \$42,120.00 to purchase the property to BARLIN, LTD a Texas Limited Partnership . L & G ROW Agent Rolando Gonzalez went and visited the property owner on site on July 31, 2025, to discuss the offer and answer any questions he might have. On August 5, 2025, the property owner submitted a counter offer in the amount of \$61,148.00. Mr Dickerson states that his property is located in a prime area for development. Based on the information provided within the the counter offer and discussion by the acquisition team it is recommended that the Administrative Settlement be approved. The difference between the approved value versus the property owner's counter offer is a difference of (\$19,028.00) does not warrant the risk and added expenses associated with standard eminent domain proceedings. Accepting said counter offer will help avoid project time delays, and associated condemnation proceedings, thus resulting in a cost saving to the county.

This administrative settlement of \$ 61,148.00 is / is not recommended for approval as being reasonable, justified, prudent and in the public interest.

Parcel 120 is a partial taking of 1.404 acres (61,148 sf.) parcel of land situated in Hidalgo County, Texas and also being a part or portion of Farm Tract 288, West and Adams Tracts Subdivision according to the plat or map thereof recorded in Volume 2, Page 34-37, of the Map Records of Hidalgo County, described in a deed dated July 21, 1011 from Barry W. Dickerson and wife Linda A. Dickerson to Barlin, LTD. recorded in Document Number 2232312 of the Official Records of Hidalgo County, Texas.

The whole property is located at the southwest corner of Mile 6 West Road, and West Mile 12 ½ North Road, Weslaco, Texas. The whole tract is vacant land. The highest and best use is for residential use.

The appraiser has selected three (3) vacant sales to value the whole property at \$30,000 per acre. The part taken is properly valued as a pro-rata part of the whole value. There are no market damage to the remainder land.

The appraiser has considered access damages in accordance with Section 21.042(d) of the Texas Property Code, as amended by SB18 of the Texas 82nd Regular Legislative Session. The result of the findings is that there is no denial of direct access nor material impairment of direct access on or off the remaining property that affects the market value of the remaining property. Therefore, there are no access damages to the remainder property.

The report prepared by the appraiser Leonel Garza III. is an Appraisal Report presented on TxDOT form ROW-A-5 and appears to comply with USPAP and the Texas Department of Transportation's Appraisal and Review Manual. The appraisers' opinion and conclusions appear to be well supported by information contained within this appraisal report. It is recommended that the total value of \$42,120 be approved for negotiations and acquisition.

VII. Justification and Explanation for Credit if Retained.

Retentions are not applicable as subject proposed acquisition is vacant land.

That the comparables relied upon in making said appraisal were as represented by the photographs contained in the appraisal report and were inspected on February 27, 2025;

That I have not revealed and will not reveal the findings and results of such appraisal to anyone other than the proper officials of L&G Engineering Transportation Consultants Inc., Hidalgo County Precinct No. 1 and or the Texas Department of Transportation, and/or their representatives, or officials of the Federal Highway Administration until authorized by State officials to do so, or until I am required to do so by due process of law, or until I am released from this obligation by having publicly testified to such findings;

I certify to the best of my knowledge and belief:

That the statements of fact contained in this report are true and correct;

That the reported analysis, opinions and conclusions are limited only by the reported assumptions and limiting conditions, and are my personal, unbiased professional analysis, opinions, and conclusions;

That I have no present or prospective interest in the property that is the subject of this report, and I have no personal interest or bias with respect to the parties involved;

That my analysis, opinions and conclusions were developed, and this report has been prepared in conformity with the appropriate State laws, regulations, and policies and procedures applicable to the appraisal of right-of-way for such purposes, and that to the best of my knowledge no portion of the value assigned to such property consists of items which are non-compensable under the established law of said State, and any decrease or increase in the fair market value of subject real property prior to the date of valuation caused by the public improvement for which such property is to be acquired, or by the likelihood that the property would be acquired for such improvement, other than that due to the physical deterioration within the reasonable control of the owner, has been disregarded in estimating the compensation for the property.

Dear Sirs/Madam,

In acquiring property for the highway system of Hidalgo County (the "County") follows a definite procedure for appraising the land needed and for handling personal negotiations with each owner. As has been or will be explained by the County's negotiator, Fernando Herrera Right of way Manager, a portion of your property located on Mile 6 West, as described in the enclosed property description, is to be acquired for the construction or improvement of the above-referenced highway project.

We believe at this stage of the purchase process it is mutually beneficial to confirm that, based on an appraisal, the County is authorized to offer you **\$42,120.00** for your property, which includes **\$42,120.00** for the property to be purchased and **\$0.00** for damages to your remaining property. This amount is the total amount of just compensation for all interests in the portion of your property to be acquired, as determined in accordance with State law, less oil, gas and sulphur, subject to clear title being conveyed to the County. In accordance with State law, it is the policy of the County to negotiate with the fee owner(s) of the real property with the understanding that you will, in turn, negotiate with any lessee or other party who may own any interest in the land or improvements, with the exception of public utility easements, which will be handled separately by the County.

This offer to purchase includes the contributory values of the improvement(s) listed below, which are considered to be part of the real property. Since the improvement(s) must be removed, it is the policy of the County to permit owners who convey voluntarily to the County to thereafter retain the improvement(s), if they wish to do so. The retention values shown below are the estimated amounts the improvement(s) would bring if sold on public bids. If you wish to retain title to any of the following improvement(s) and remove it (them) from the right of way, the amount of the above offer must be reduced by the appropriate retention amount(s). This option to retain the improvement(s) does NOT apply should it become necessary for the County to acquire the real property by eminent domain.

<u>Improvement</u>	<u>Type</u>	<u>Amount to be Subtracted if Retained</u>

If you wish to accept the offer based upon this appraisal, please contact Project Manager Robert "Bob" Garcia or Fernando Herrera Right of Way Manager, as soon as possible at (956) 585-1909, so that the process of issuing your payment may be started. If you are not willing to accept this offer, you may submit a written request for administrative settlement/counteroffer, *setting forth a counteroffer amount and the basis for such amount, provided such settlement request is received in writing within 30 days from the date of this letter.* Please note that your opportunity to submit an administrative settlement shall be forfeited if such a settlement request is not received by the County within the 30 day time deadline. In the event the condition of the property changes for any reason, the County shall have the right to withdraw or modify this offer.

After the date of payment of the purchase price, or the date of deposit in court of funds to satisfy the award of compensation as determined through eminent domain proceedings to acquire real property, you will be reimbursed for any fair and reasonable incidental expenses necessarily incurred in transferring title to the property for use by Hidalgo County. Expenses eligible for reimbursement may include (1) recording fees, transfer taxes and similar expenses incidental to conveying the real property to the County and (2) penalty costs for prepayment of any preexisting recorded mortgage entered into in good faith encumbering

the real property. Voluntary unnecessary expenses or expenses incurred in clearing questionable title will not be eligible for reimbursement. Eligible incidental expenses will be reimbursed upon submission of a claim supported by receipted bills or other evidence of actual expenses incurred. You may file a written request for review if you believe that the County failed to properly determine the eligibility for, or the amount of, incidental expenses to be reimbursed. There is no standard form on which to request a review of a claim; however, the claim must be filed with this office within six months after you are notified of the County's determination on any claim for reimbursement.

You may be entitled to additional payments and services under the County's Relocation Assistance Program. It is emphasized, however, that any benefits to which you may be entitled under this program will be handled entirely separate from and in addition to this transaction. You will receive a brochure entitled "*Relocation Assistance*" which will inform you of eligibility requirements, payments and services which are available.

You have the right to discuss with others any offer or agreement regarding the County's acquisition of the subject property, or you may (but are not required to) keep the offer or agreement confidential from others, subject to the provisions of Chapter 552, Government Code (the Public Records Act) as it may apply.

Attached is a copy of the Texas Department of Transportation brochure entitled "*Right of Way Purchase*" which we trust will give you a better understanding of the procedures followed by the County in purchasing property. We respectfully request the opportunity to meet with you or to otherwise discuss and answer any questions you may have regarding the details of the type of facility to be built, or concerning the County's offer or proposed purchase transaction. Also, please do not hesitate to contact Project Manager Robert "Bob" Garcia or Fernando Herrera Right of Way Manager at the telephone number provided above regarding any question you may have.

Please see the enclosed copy of the Texas Landowner Bill of Rights.

Finally, we enclose copies of all appraisal reports relating to your property being acquired which were prepared in the ten (10) years preceding the date of this offer and produced or acquired by the County, including the appraisal on which this offer is based.
