Dear Ms. Montoya:

Regarding the bid for the Salinas Family, 2605 Carnation Rd. Donna, Texas. I am humbling asking that the bid I submitted be rejected. At the time I submitted my bid, I did my bid mistakenly using a 2-bedroom square feet home configuration, rather than the 4-bedroom home figures, which is a significant difference on the square feet, and it calls for an additional bathroom.

I truly apologize for all the inconvenience that I have caused and wish to continue working with the Urban County Program on any future bids.

Respectfully

Emigdio Villanueva Jr.
