I. MEMORANDUM OF UNDERSTANDING PURPOSE AND PROTOCOL

The Hidalgo County WIC program provides training to providers of health-related services. SERVICE PROVIDER is a provider of health-related services in the County of Hidalgo. Parties wish to cooperate to establish and implement from time-to-time training offered by WIC, through the Lactation Care Center RGV, regarding the Texas Ten Step Program and other Breastfeeding/Lactation supportive topics to applicable inpatient maternity staff/employees of SERVICE PROVIDER as described more fully below.

By way of background, the Texas Department of State Health Services and the Texas Hospital Association developed the Texas Ten Step Program as a method to improve maternity care practices in birthing facilities. The program is based on the World Health Organization/United Nations Children’s Fund’s Ten Step to Successful Breastfeeding and is supported by the Texas Medical Association. A key initiative of this program is the education of staff responsible for care of breastfeeding mothers. Additional information may be found at Texas WIC and/or Texas Health and Human Services. Hidalgo County WIC program provides this training to applicable inpatient maternity staff/employees engaged in providing this health-related service at local hospitals and medical facilities in the County of Hidalgo.

The safety, health and general welfare of the citizens of Hidalgo County is a common objective of both Parties. Further, it is the objective of both parties to collaborate with partners in the community in an effort to educate the constituents in Hidalgo County about health care resources available for women, infants and children and the general public alike.

Therefore, the aim of this Understanding is to establish an agreement for Parties to participate in training described more fully below with a common goal of educating the community about access to health care and other resources available to citizens in HIDALGO COUNTY.
