Mission, TX 78573-8095

Dear Property Owner(s):

Our negotiations for the sale to Hidalgo County (the "County") for additional right of way along Shary Road have progressed to the point that you have indicated a willingness to sign a deed in return for payment as agreed to in our previous discussions. It is thought to be in the best interests of both you and the County to confirm this agreement in order to avoid any possible misunderstanding regarding the details of the purchase or the process by which the County will make payment.

Your property consists of 0.036 ac or 1,502.83 sq ft. located 11821 N. Shary Road, Mission, Texas. The right of way being purchased by the County has been thoroughly explained. The payment of the amount of \$ 7,564.00 as herein agreed to will constitute full payment to be made by the County for the property to be conveyed to the County. The County and Owner(s) have agreed to the following provisions:

The property owner will retain the following improvements: **Grid Fencing, Tube Gate, Tube Door, and Water Spigot**

Until payment is made by the County, title and possession of the property to be conveyed remain with you, the current property owner. You shall bear all risk of loss to any and all such property prior to such payment. Either you or the County shall have the right to terminate this agreement.

After the date of payment of the purchase price, you will be reimbursed for any fair and reasonable incidental expenses necessarily incurred in transferring title to the property for use by the County. Expenses eligible for reimbursement may include (1) recording fees, transfer taxes and similar expenses incidental to conveying the real property to the County and (2) penalty costs for prepayment of any preexisting recorded mortgage entered into in good faith encumbering the real property. Voluntary unnecessary expenses or expenses incurred in clearing questionable title will not be eligible for reimbursement. Eligible incidental expenses will be reimbursed upon submission of a claim supported by receipted bills or other evidence of actual expenses incurred. You may file a written request for review if you believe that the County failed to properly determine the eligibility for or the amount of incidental expenses to be reimbursed. There is no standard form on which to request a review of a claim; however, the claim must be filed with this office within six months after you are notified of the County's determination on any claim for reimbursement.

The payment of the amount herein stated and the terms provided constitute the only promises, consideration and conditions of this purchase; and, no other promises, consideration or conditions have been signified or implied, save and except any benefits which may accrue to you under the State's Relocation Assistance Program and the mutual benefits to be derived by you and the County from the signing of this agreement.

The County, without cost to you as the owner, will pay the cost of recording all instruments conveying title to the State.

It is suggested that you carefully review the proposed right of way deed and satisfy yourself (-selves) as to its (their) provisions. With your signing of this agreement and execution of the deed, the County will proceed with the issuance of a County warrant (check), which will be made out jointly to you and to Sierra Title of Hidalgo County, agent for the County. This company has been designated as the County closing agent and is responsible to see that the County obtains clear title. They will not endorse the warrant and make payment until clear title is secured. At the same time, you have the right not to endorse the warrant and accept payment until you are fully satisfied on all details of the transaction.

Sincerely,

Eddie De Leon

Dear Property Owner,

In acquiring property for road right-of-way, Hidalgo County (the "County") follows a definite procedure for appraising the land needed and for handling personal negotiations with each owner. As has been or will be explained by the assigned negotiator, Ruben De Leon or Eddie De Leon, Right-of-Way Manager, a portion of your property located on N. Shary Road, as described in the enclosed property description, is to be acquired for the construction or improvement of the above-referenced highway project.

We believe at this stage of the purchase process it is mutually beneficial to confirm that, based on an appraisal, the County is authorized to offer you \$7,568 for your property, which includes \$7,568 for the property to be purchased and \$0 for damages to your remaining property.

The amount listed above is the total amount of just compensation for all interests in the portion of your property to be acquired, as determined in accordance with State Law, less oil, gas and sulphur, subject to clear title being conveyed to the County. In accordance with State Law, it is the policy of the County to negotiate with the fee owner(s) of the property with the understanding that the fee owner(s) will, in turn, negotiate with any lessee or other party who may own any interest in the Property or improvements located within the Property, with the exception of public utility easements, which will be handled separately by the County.

This offer to purchase includes the contributory value(s) of the improvement(s) owned by you as listed below, which are considered to be part of the Property. Since the improvement(s) must be removed, it is the policy of the County to permit the owner(s) who convey voluntarily to the County to thereafter retain the improvement(s), if they wish to do so. The retention value(s) are estimated amounts the improvement(s) would bring if sold on public bids. If you wish to retain title to any of the following improvement(s) and remove it (them) from the Property, the above offer will be reduced by the appropriate retention amount(s). This option to retain the improvement(s) does NOT apply should it become necessary for the County to acquire the Property by eminent domain.

	<u>Improvement</u>	<u>Amount to be Subtracted if Retained</u>
Caliche Driveway		\$1.00
Grid Fencing		\$1.00
Tube Gate		\$1.00
Tube Door		\$1.00
Water Spigot		\$1.00

If you wish to accept the offer based upon this appraisal, please contact Ruben De Leon at (956) 897-2288 or Eddie De Leon, Right-of-Way Manager, at (956) 739-7407, as soon as possible, so that the process of issuing your payment may be started. If you are not willing to accept this offer, you may submit a written request for administrative settlement/counteroffer, setting forth a counteroffer amount and the basis for such amount, provided such settlement request is received in writing within 30 days from the date of this letter. *Please note that your right to submit an administrative settlement shall be forfeited if such a settlement request is not received within the 30-day time deadline.*

In the event the condition of the Property changes for any reason, the County shall have the right to withdraw or modify this offer.

After the date of payment of the purchase price, or the date of deposit in court of funds to satisfy the award of compensation as determined through eminent domain proceedings to acquire the Property, you will be reimbursed by the County for any fair and reasonable incidental expenses necessarily incurred in transferring title to the Property to the County. Expenses eligible for reimbursement may include (1) recording fees, transfer taxes, and similar expenses incidental to conveying the Property to the County, and (2) penalty costs for prepayment of any preexisting recorded mortgage entered into in good faith encumbering the Property. Voluntary unnecessary expenses or expenses incurred in clearing questionable title will not be eligible for reimbursement. Eligible incidental expenses will be reimbursed upon submission of a claim supported by receipted bills or other evidence of actual expenses incurred. You may file a written request for review if you believe that the County failed to properly determine the eligibility for, or the amount of, incidental expenses to be reimbursed. There is no standard form to request a review of a claim; however, the claim must be filed with this office within six months after you are notified of the County’s determination on any claim for reimbursement.

You may be entitled to additional payments and services under the County’s Relocation Assistance Program. It is emphasized, however, that any benefits that you may be entitled under this program will be handled entirely separate from and in addition to this transaction. You will receive a booklet entitled “Relocation Assistance”, which will inform you of eligibility requirements, payments, and services that are available.

You have the right to discuss with others any offer or agreement regarding the County’s acquisition of the Property, or you may (but are not required to) keep the offer or agreement confidential from others, subject to the provisions of Chapter 552, Government Code (the Public Records Act) as it may apply to the County.

Please see the enclosed copy of the proposed instrument that will convey the Property, and any improvement owned by you on the Property to the County. Additionally, please see the enclosed copy of the “Texas Landowner’s Bill of Rights”.

Also enclosed is a copy of the State brochure entitled *“Right of Way Purchase”*, which the County trusts will give you a better understanding of the procedures followed by the County in purchasing property interests for roadway purposes. The County respectfully requests the opportunity to meet with you or to otherwise discuss and answer any questions you may have regarding the details of the type of facility to be built or concerning the County’s offer or proposed purchase transaction. Also, please do not hesitate to contact Ruben De Leon or Eddie De Leon at the telephone number provided above regarding any question you may have.

Finally, enclosed are copies of all appraisal reports relating to the Property being acquired, which were prepared in the ten (10) years preceding the date of this offer and produced or acquired by the County, including the appraisal that determined this offer. These appraisals were prepared by a certified appraiser certified to practice as a certified general appraiser under Chapter 1103, Occupations Code.

Sincerely,

Eddie De León

DELETION OF ARBITRATION PROVISION
(Not applicable to the Texas Residential Owner's Policy)

Commitment No.: 0003202741

GF No.: 0003202741

ARBITRATION is a common form of alternative dispute resolution. It can be a quicker and cheaper means to settle a dispute with your Title Insurance Company. However, if you agree to arbitrate, you give up your right to take the Title Insurance Company to court and your rights to discovery of evidence may be limited in the arbitration process. In addition, you cannot usually appeal an arbitrator's award.

Your policy contains an arbitration provision (shown below). It allows you or the Company to require arbitration if the amount of insurance is \$2,000,000 or less. If you want to retain your right to sue the Company in case of a dispute over a claim, you must request deletion of the arbitration provision before the policy is issued. You can do this by signing this form and returning it to the Company at or before the closing of your real estate transaction or by writing to the Company.

The arbitration provision in the Policy is as follows:

"Either the Company or the Insured may demand that the claim or controversy shall be submitted to arbitration pursuant to the Title Insurance Arbitration Rules of the American Land Title Association ("Rules"). Except as provided in the Rules, there shall be no joinder or consolidation with claims or controversies of other persons. Arbitrable matters may include, but are not limited to, any controversy or claim between the Company and the Insured arising out of or relating to this policy, any service in connection with its issuance or the breach of a policy provision, or to any other controversy or claim arising out of the transaction giving rise to this policy. All arbitrable matters when the Amount of Insurance is **\$2,000,000** or less shall be arbitrated at the option of either the Company or the Insured, unless the Insured is an individual person (as distinguished from an Entity). All arbitrable matters when the Amount of Insurance is in excess of **\$2,000,000** shall be arbitrated only when agreed to by both the Company and the Insured. Arbitration pursuant to this policy and under the Rules shall be binding upon the parties. Judgment upon the award rendered by the Arbitrator(s) may be entered in any court of competent jurisdiction."

SIERRA TITLE INSURANCE

GUARANTY COMPANY, INC.
TEXAS TITLE INSURANCE INFORMATION

Title insurance insures you against loss resulting from certain risks to your title.

The commitment for Title Insurance is the title insurance company's promise to issue the title insurance policy. The commitment is a legal document. You should review it carefully to completely understand it before your closing date.

El seguro de titulo le asegura en relacion a perdidas resultantes de ciertos riesgos que pueden afectar el titulo de su propiedad.

El Compromiso para Seguro de Titulo es la promesa de la compania aseguradora de titulos de emitir la poliza de seguro de titulo. El Compromiso es un documento legal. Usted debe leerlo cuidadosamente y entenderlo completamente antes de la fecha para finalizar su transaccion.

Your commitment for Title Insurance is a legal contract between you and us. The Commitment is not an opinion or report of your title. It is a contract to issue you a policy subject to the Commitment's terms and requirements.

Before issuing a Commitment for Title Insurance (the Commitment) or a Title Insurance Policy (the Policy), the title insurance Company (the Company) determines whether the title is insurable. This determination has already been made. Part of that determination involves the Company's decision to insure the title except for certain risks that will not be covered by the Policy. Some of these risks are listed in Schedule B of the attached Commitment as Exceptions. Other risks are stated in the Policy as Exclusions. These risks will not be covered by the Policy. The Policy is not an abstract of title nor does a Company have an obligation to determine the ownership of any mineral interest.

MINERALS AND MINERAL RIGHTS may not be covered by the Policy. The Company may be unwilling to insure title unless there is an exclusion or an exception as to Minerals and Mineral Rights in the Policy. Optional endorsements insuring certain risks involving minerals, and the use of improvements (excluding lawns, shrubbery and trees) and permanent buildings may be available for purchase. If the title insurer issues the title policy with an exclusion or exception to the minerals and mineral rights, neither this Policy, nor the optional endorsements, ensure that the purchaser has title to the mineral rights related to the surface estate.

Another part of the determination involves whether the promise to insure is conditioned upon certain requirements being met. Schedule C of the Commitment lists these requirements that must be satisfied or the Company will refuse to cover them. You may want to discuss any matters shown in Schedules B and C of the Commitment with an attorney. These matters will affect your title and your use of the land.

When your Policy is issued, the coverage will be limited by the Policy's Exceptions, Exclusions and Conditions, defined below.

-EXCEPTIONS are title risks that a Policy generally covers but does not cover in a particular instance. Exceptions are shown on Schedule B or discussed in Schedule C of the Commitment. They can also be added if you do not comply with the Conditions section of the Commitment. When the Policy is issued, all Exceptions will be on Schedule B of the Policy.

-EXCLUSIONS are title risks that a Policy generally does not cover. Exclusions are contained in the Policy but not shown or discussed in the Commitment.

-CONDITIONS are additional provisions that qualify or limit your coverage. Conditions include your responsibilities and those of the Company. They are contained in the Policy but not shown or discussed in the Commitment. The Policy Conditions are not the same as the Commitment Conditions.

You can get a copy of the policy form approved by the Texas Department of Insurance by calling the Title Insurance Company at 1-866-764-8323 or by calling the title insurance agent that issued the Commitment. The Texas Department of Insurance may revise the policy form from time to time.

You can also get a brochure that explains the policy from the Texas Department of Insurance by calling 1-800-252-3439.

Before the Policy is issued, you may request changes in the Policy. Some of the changes to consider are:

-Request amendment of the "area and boundary" exception (Schedule B, paragraph 2). To get this amendment, you must furnish a survey. On the Owner Policy, you must pay an additional premium for the amendment. If the survey is acceptable to the Company, your Policy will insure you against loss because of discrepancies or conflicts in boundary lines, encroachments or protrusions, or overlapping of improvements. The Company may then decide not to insure against specific boundary or survey problems by making special exceptions in the Policy.

-Allow the Company to add an exception to "rights of parties in possession". If you refuse this exception, the Company or the title insurance agent may inspect the property. The Company may except to and not insure you against the rights of specific persons, such as renters, adverse owners or easement holders who occupy the land. The Company may charge you for the inspection. If you want to make your own inspection, you must sign a Waiver of Inspection form and allow the Company to add this exception to your Policy.

The entire premium for a Policy must be paid when the Policy is issued. You will not owe any additional premiums unless you want to increase your coverage at a later date and the Company agrees to add an Increased Value Endorsement.
