- (e) Notifying the agency in writing, within ten (10) calendar days after receiving notice under paragraph (d)(2) from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer or other designee on whose grant activity the convicted employee was working, unless the Federal agency has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;
- (f) Taking one of the following actions, within thirty (30) calendar days of receiving notice under paragraph (d)(2), with respect to any employee who is so convicted-

Place(s) of Performance [site(s) for the performance of work done in connection with the specific grant] (include street address, city, county, state, zip code):

Hidalgo County, Texas-County of Hidalgo Community Service Agency
2524 N Closner Blvd
Edinburg, TX 785416502

Workplace identifications must include the actual address of buildings (or parts of buildings) or other sites where work under the grant takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio studios). If Subrecipient does not identify the workplaces at the time of application, or upon award, if there is no application, the Subrecipient must keep the identity of the workplace(s) on file in its office and make the information available for Federal inspection. Failure to identify all known workplaces constitutes a violation of the Subrecipient's drug-free workplace requirements.

This certification is a material representation of fact upon which reliance is placed when the Department awards the grant. If it is later determined that Subrecipient knowingly rendered a false certification, or otherwise violates the requirements of the Drug-Free Workplace Act, Department, in addition to any other remedies available to the Federal Government, may take action authorized under the Drug-Free Workplace Act.

ADDENDUM E

PRWORA REQUIREMENTS

If an individual is applying for LIHEAP funds, a Subrecipient must verify that the individual applying for LIHEAP funds is a qualified recipient for funding under the Personal Responsibility and Work Opportunity Act of 1996, ("PRWORA") or ("Act"), Pub. L. 104-193, 110 Stat. 2105, codified at 8 U.S.C. §1601 *et. seq.*, as amended by the Omnibus Appropriations Act, 1997, Pub. L. 104-208.

This includes activities that: (1) deliver in-kind services at the community level, (2) are necessary for the protection of life or safety, and (3) do not condition the provision of assistance on the applicant's income or resources.

To ensure that a non-qualified applicant does not receive "federal public benefits," a unit of general purpose government that administers "federal public benefit programs" is required to determine, and to verify, the individual's alienage status before granting eligibility (8 U.S.C. §1642 (a) and (b)). Subrecipient must use the SAVE verification system to verify and document qualified alien eligibility.

For manual only verification, ensure that Forms G-845 and other documents and information required for manual verification are provided;

(d) Ensure that, prior to using the Verification Information System, all employees designated by Subrecipient to use SAVE on behalf of the Subrecipient ("Users") performing verification procedures complete SAVE required training including: reading the SAVE Program Guide, taking the latest version of Web tutorial(s) and maintaining a working knowledge of requirements contained therein and in this Contract as updated. Documentation of training must be maintained by the Subrecipient for monitoring review;

- (e) Ensure that Users are provided with and maintain User Ids only while they have a need to perform verification procedures;
- (f) Ensure all Users performing verification procedures comply with all requirements contained in the SAVE Program Guide, web-based tutorial, this Contract, and updates to these requirements;

- (h) Ensure all Users perform any additional verification procedures the SAVE Program requires and/or the applicant requests after the Subrecipient initiates a request for verification;
- (i) Use any information provided by DHS-USCIS under this Contract solely for the purpose of determining the eligibility of persons applying for the benefit issued by the Subrecipient and limit use of such information in accordance with this and all other provisions of this Contract;
- (j) Comply with the requirements of the Federal Information Security Modernization Act of 2014 (FISMA) (PL-113-283, as amended) and OMB guidance as applicable to electronic storage, transport of records between agencies, and the internal processing of records received by either agency under the terms of this Contract;
- (k) Safeguard such information and access methods to ensure that it is not used for any other purpose than described in this Contract and protect its confidentiality; including ensuring that it is not disclosed to any unauthorized person(s) without the prior written consent of DHS-USCIS. Each applicant seeing access to information regarding him/her may do so by submitting a written signed request to DHS-USCIS.
- (l) Comply with the Privacy Act, 5 U.S.C. §552a, the Texas Public Information Act and other applicable laws, regulations, and policies, including but not limited to all OMB and DHS privacy guidance, in conducting verification procedures pursuant to this Contract, and in safeguarding, maintaining, and disclosing any data provided or received pursuant to this Contract;
- (m) Comply with federal laws prohibiting discrimination against applicants and discriminatory use of the SAVE Program based upon the national origin, color, race, gender, religion, or disability of the applicant;
- (n) Provide all benefit-applicants who are denied benefits based solely or in part on the SAVE response with adequate written notice of the denial and the information necessary to contact DHS-USCIS so that such individual may correct their records in a timely manner, if necessary. A Fact Sheet that includes the process by which applicants may contact DHS-USCIS is posted on their website.
- (o) Provide all benefit-applicants who are denied benefits based solely or in part on the SAVE response with the opportunity to use the Subrecipient's existing process to appeal the denial and to contact DHS-USCIS to correct their records prior to a final decision, if necessary; and

- (d) Allow Department and SAVE Monitoring and Compliance to monitor and review all records and documents related to the use, abuse, misuse, fraudulent use or improper use of SAVE by any User, including, but not limited to original applicant consent documents required by the Privacy Act, 5 U.S.C. §552a or other applicable authority;
- (e) Allow Department and SAVE Monitoring and Compliance to conduct desk audits and/or site visits to review Subrecipient's compliance with this Addendum E and all other SAVE-related policy, procedures, guidance and law applicable to conducting verification and safeguarding, maintaining, and disclosing any data provided or received pursuant to this Contract;
- (f) Allow Department and SAVE Monitoring and Compliance to perform audits of Subrecipient's User Ids use and access, SAVE Training Records, SAVE financial records, SAVE biographical information, system profiles and usage patterns and other relevant data;
