Good afternoon Ms. Roque,

As per the HSI McAllen SLOT coordinator, yearly welcome letters will no longer be sent to agencies who officers are already assigned to HSI McAllen.

HCCO Pct. 3 Deputy Constable Bryan Flores remains assigned to HSI McAllen and is now authorized for SLOT reimbursement for FY26. As you may know, HSI does not require yearly agreements as our agreement expires only after revoked in writing by either party, as stated on section IV of the agreement. Each TFO is allotted up to \$15,000.00 per TFO.

Please do not hesitate to contact me if any questions arise.

V/r,

Mario H. Campbell
