

## PRESIDENT'S WELCOME

Dear Colleagues,

It is a true privilege to serve as President of the County and District Clerks' Association of Texas. I am both honored and excited to work alongside so many dedicated professionals who continue to serve their counties and communities with integrity, resilience and commitment.

Our responsibilities as county and district clerks are broad and vital. From managing court records to supporting elections, from preserving vital documents to ensuring public access information, the work we do matters deeply. Our greatest strength doesn't lie in any one office or task, it lies in how we support one another as a team, across counties, across challenges and across the Great State of Texas.

No one succeeds in this field alone. The demands we face grow more complex by the day, but we meet them with confidence because we know we're not working in isolation. We have each other, a network of peers, problem-solvers and professionals committed to excellence. Teamwork isn't just helpful in our work but it's essential. It allows us to share solutions, learn from one another and strengthen our collective voice.

Thank you for the trust you have placed in me. I look forward to an incredible year ahead, working side by side, sharing knowledge, lifting each other up and continuing to serve our counties with excellence.

So today, let this be our rallying cry **One Team... One Vision... One Goal.**

Let's move forward with unity, with purpose, and with the unshakeable belief that when we stand together—nothing is impossible.

With respect and enthusiasm,

Sandra
