Dear Community Partner,

On behalf of Commissioner Everardo "Ever" Villarreal, the Office of Hidalgo County Precinct 3, and its Community Outreach Division, this letter is to formally request the support of your esteemed organization for our upcoming **Community Harvest Dinner**.

This initiative aims to make a significant impact by providing a warm holiday meal, fellowship, and support to families in our community. The event will ensure that no member of our community spends Thanksgiving alone and that those in need are uplifted during this season of gratitude.

The Community Outreach Division is seeking your generous assistance in the form of sponsorships, monetary donations, food contributions, or volunteer support. Your involvement would not only contribute to the success of this event but would also help address pressing community needs and support the overall development of the residents of Hidalgo County.

The Community Harvest Dinner is scheduled for **November 20, 2025, at Veterans Memorial Pavilion**, and we would be grateful for your participation. As a token of appreciation, your organization will receive acknowledgment in event-related promotional materials, including flyers, social media, press releases, and other outreach platforms, ensuring visibility and recognition for your commitment to supporting the community.

Should you wish to partner with the Community Outreach Division or require additional information, please do not hesitate to contact us at **956.205.7002** or via email at **crc3@co.hidalgo.tx.us**. We would welcome the opportunity to meet with you and discuss how your contribution can make a meaningful difference. Thank you for considering this request. We are confident that with your support, this initiative will have a lasting and positive impact on the lives of many in Hidalgo County.

Sincerely,

Ana D. Gonzalez
Community Outreach Division Manager
