Extension of Contract C-24-0029-03-05

Contract C-24-0029-03-05 between Hidalgo County and Network Sciences, Inc. for Software Services for Indigent Health Care Systems will expire on March 4, 2026. We have the option to renew this contract for one (1) year.

For your review and consideration, the current contract is enclosed. Please advise what action Health Department & Human Services would like the Purchasing Department to take by making a selection below:

- Renew the contract with the same rates, terms, and conditions
- Allow the contract to expire, as those services are no longer needed
- Look for new vendors (allow contract to expire, terminate early, and/or rebid)

Please sign and return this notice as acknowledgement of receipt by **Jan. 26, 2026**. Following your response, our office will send you a tentative schedule for this project. If there is no action selected by the deadline stated, we will proceed with renewing this contract to ensure there is no lapse in services.
