**WHEREAS**, the District and County are authorized to enter into this Agreement pursuant to the Interlocal Cooperation Act, Texas Gov't Code 791.001 et seq., which authorizes local governments to contract with each other to perform governmental functions and services under the terms of the Act;

**NOW, THEREFORE**, the following Agreement shall supersede all previous Agreements made by the District and County for Public Health Preparedness and Response. The District and County, in consideration of the mutual covenants expressed hereinafter, agree as follows:

1. **Activation of Agreement.** Provisions of this agreement will be activated for any exercises and drills that the District accepts to participate in with County. Additionally, if an emergency is declared by the Hidalgo County Medical Health Authority in coordination with the Director of the County Public Health and Human Services Department, or the Commissioner of Health of the Texas Department of State Health Services that requires a large-scale immunization or treatment program as a control measure for an outbreak of a communicable disease, County will notify the District and provisions of this agreement will be activated.
2. **Exercises and Training.** The District agrees to participate with County in exercises, drills, and emergency operations. The District agrees to predesignate an emergency operation staff roster with contact information and provide County proof of Incident Command System (ICS) qualifications and certifications. County agrees to provide preparedness and response training at no cost to the District.

6. **Staffing and Volunteers.** The District agrees to provide emergency operation staffing, if available, to support medical services (i.e. injections, administer prophylaxis, critical testing, provide medical care instructions) or non-medical services (i.e. administrative duties: registering patients, data entry). Additionally, the District agrees to provide support with volunteer coordination for on-site operations to allow individuals to volunteer and assist with no expectancy of fiscal exchange.
7. **Materials and Supplies.** County agrees to supply all materials provided by Strategic National Stockpile (SNS) (i.e. vaccines, antibiotics, antitoxins, antivirals, syringes), forms necessary to administer medical countermeasures during an emergency, and other equipment or supplies needed for the event, if available. The District will provide any back-up equipment or supplies that may be needed, if available.
8. **Inventory.** The District takes accountability of resources received from County and agrees to coordinate inventory tracking for response operations.
