

Statement of Grant Award (SOGA)

The Statement of Grant Award is the official notice of award from the Office of the Governor (OOG). This Grant Agreement and all terms, conditions, provisions and obligations set forth herein shall be binding upon and shall inure to the benefit of the Parties and their respective successors and assigns and all other State of Texas agencies and any other agencies, departments, divisions, governmental entities, public corporations, and other entities which shall be successors to each of the Parties or which shall succeed to or become obligated to perform or become bound by any of the covenants, agreements or obligations hereunder of each of the Parties hereto.

The approved project narrative and budget for this award are reflected in eGrants on the 'Narrative' and 'Budget/Details' tabs. By accepting the Grant Award in eGrants, the Grantee agrees to strictly comply with the requirements and obligations of this Grant Agreement including any and all applicable federal and state statutes, regulations, policies, guidelines and requirements. In instances where conflicting requirements apply to a Grantee, the more restrictive requirement applies.

The Grant Agreement includes the Statement of Grant Award; the OOG Grantee Conditions and Responsibilities; the Grant Application in eGrants; and the other identified documents in the Grant Application and Grant Award, including but not limited to: 2 CFR Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards; Chapter 783 of the Texas Government Code, Title 34, Part 1, Chapter 20, Subchapter E, Division 4 of the Texas Administrative Code, and the Texas Grant Management Standards (TxGMS) developed by the Comptroller of Public Accounts; the state Funding Announcement or Solicitation under which the grant application was made, and for federal funding, the Funding Announcement or Solicitation under which the OOG was awarded funds; and any applicable documents referenced in the documents listed above. For grants awarded from the U.S. Department of Justice, the current applicable version of the Department of Justice Grants Financial Guide and any applicable provisions in Title 28 of the CFR apply. For grants awarded from the Federal Emergency Management Agency (FEMA), all Information Bulletins and Policies published by the FEMA Grants Program Directorate apply. The OOG reserves the right to add additional responsibilities and requirements, with or without advance notice to the Grantee.

By clicking on the 'Accept' button within the 'Accept Award' tab, the Grantee accepts the responsibility for the grant project, agrees and certifies compliance with the requirements outlined in the Grant Agreement, including all provisions incorporated herein, and agrees with the following conditions of grant funding. The grantee's funds will not be released until the grantee has satisfied the requirements of the following Condition(s) of Funding and Other Fund-Specific Requirement(s), if any, cited below:

Darktrace / NETWORK Yearly Subscription. 1. The Contractor's/Vendor's name is Darktrace. 2. The service Darktrace is a cybersecurity platform that utilizes self-learning artificial intelligence (AI) to monitor and detect anomalous activity across a network. It identifies potential cyber threats in real-time, including known and unknown attacks, by learning what comprises "normal" behavior within the network and flagging variations from that baseline as potential threats. Darktrace On-Prem Appliance (Medium) is a physical hardware device, known as the "Darktrace Cyber Intelligence Platform - Medium", which is used to deploy Darktrace's self-learning artificial intelligence (AI) based cybersecurity platform on a company's local network, allowing it to monitor and detect potential cyber threats in real-time without depending only on cloud-based analysis 1. This appliance collects and analyzes network traffic data from an organization's network to identify anomalous behavior that could indicate a cyber attack, leveraging Darktrace's AI to detect even novel threats. I am submitting a budget adjustment because the awarded amount was less than the initial request. I also need to update the Cyber.Security Milestones dates to correlate with the revised project period. (Per FEMA guidance and based on the date of final CISA/FEMA approval, the grant period for this project has been updated to 1/1/26 - 12/31/26.)
