The Customer may pay a restocking charge if the CPA or Customer determines that the charge is justifiable. As a guideline, such charges shall not exceed 10% for contractors.
<b>Substitutions</b>	During the Contract term, the Contractor shall not substitute a product or brand unless the Contractor has obtained prior written approval from the CPA Contract Manager in coordination with the Customer. The Contractor must have written confirmation from the CPA Contract Manager of the substitution before making delivery.

The Vendor Performance relies on the customer's participation in gathering information on vendor performance. State agency customers shall report vendor performance on purchases of \$25,000 or more from contracts administered by CPA, or any other purchase of \$25,000 or more made through delegated authority granted by CPA (TAC 20.108), or purchases exempt from CPA procurement rules and procedures.
