Amendment to Existing Cloud Services/Subscription Agreement

By signing this Agreement (or issuing a PO in lieu of signature), the parties agree that all future increases in quantities used, enabled or consumed for existing purchased Cloud Services will be invoiced on an actual use basis. If new Cloud Services/Subscriptions or features are procured, Client will need to execute a new Project Change Request Form for any such net-new Cloud Services/Subscriptions.

Upon issuance of a PO specific to the mentioned billing term cost or total term cost, the overages (if included) will not be deducted from your PO. Rather they are billed without a PO.
