## ELIGIBILITY

### Eligible Applicants

The types of entities that are eligible to apply for this funding opportunity are listed below:

- **Government Entities**
  - Special district governments
  - City or township governments
  - County governments
  - Native American tribal governments (Federally recognized)

By law, for purposes of the JAG Program, the term “units of local government” includes a town, township, village, parish, city, county, borough, or other general-purpose political subdivision of a state, or it may be a federally recognized American Indian tribal government that performs law enforcement functions (as determined by the Secretary of the Interior). A unit of local government also may be any law enforcement district or judicial enforcement district established under applicable state law with authority to independently establish a budget and impose taxes; for example, in Louisiana, a unit of local government means a district attorney or parish sheriff.

**Prior to starting an application to this NOFO, all prospective unit of local government applicants should check the [JAG Allocation page](#) and the link to their relevant state to determine if they are eligible for a direct award from BJA.**

- Eligible applicants with allocation amounts of less than \$25,000 must apply to Category 1.
- Eligible applicants with allocation amounts of \$25,000 or more must apply to Category 2.
- Only one eligible unit of local government that is a member of a disparate group may apply for funding as the fiscal agent for the other members of the group.
- Applications from ineligible units of local government (i.e., not listed in the allocation charts) will not be accepted for funding.

### Cost Sharing/Match Requirement

This NOFO does **not** require cost sharing/match.

## PROGRAM DESCRIPTION

### General Purpose of the Funding

This NOFO will provide formula funding to eligible units of local government to, in general, support hiring additional personnel and/or purchase equipment, supplies, contractual support, training, technical assistance, and information systems for criminal justice or civil proceedings, including for any one or more of the following program areas:

1. Law enforcement programs.
2. Prosecution and court programs.
3. Prevention and education programs.
4. Corrections and community corrections programs.
5. Drug treatment and enforcement programs.
6. Planning, evaluation, and technology improvement programs.
7. Crime victim and witness programs (other than compensation).
8. Mental health programs and related law enforcement and corrections programs, including behavioral programs and crisis intervention teams.
9. Implementation of state crisis intervention court proceedings and related programs or initiatives, including but not limited to mental health courts, drug courts, veterans courts, and extreme risk protection order programs.
10. Programs to purchase and operate unmanned aircraft systems (as defined in section 44801 of title 49, United States Code) to benefit public safety.
11. Programs to purchase and operate counter-UAS systems (as defined in section 44801 of title 49, United States Code) included on the list of technologies established by subsection (d)(2)(A)(iii) section 210G of the Homeland Security Act of 2002 (6 U.S.C. 124n(d)(2)(A)(iii)) to exercise the authority granted under subsection (a)(2) of such section.

This NOFO has two categories:

#### **Category 1: Applicants with allocation amounts less than \$25,000**

Category 1 provides formula funding to eligible units of local government with FY25 JAG allocations less than \$25,000 as listed on the [JAG Allocations webpage](#). Applicants must use JAG funds consistent with the programmatic requirements outlined in this NOFO.

#### **Category 2: Applicants with allocation amounts \$25,000 or more**

Category 2 provides formula funding to eligible units of local government with FY25 JAG allocations of \$25,000 or more as listed on the [JAG Allocations webpage](#). Applicants must use JAG funds consistent with the programmatic requirements outlined in this NOFO.

In connection with all of the above purposes, it should be noted that the JAG statute, at [34 U.S.C. § 10152](#), defines “criminal justice” as “activities pertaining to crime prevention, control, or reduction, or the enforcement of the criminal law, including but not limited to police efforts to prevent, control, or reduce crime or to apprehend criminals, including juveniles, activities of courts having criminal jurisdiction, and related agencies (including but not limited to prosecutorial and defender services, juvenile delinquency agencies and pretrial service or release agencies), activities of corrections, probation, or parole authorities and related agencies

assisting in the rehabilitation, supervision, and care of criminal offenders, and programs relating to the prevention, control, or reduction of narcotic addiction and juvenile delinquency.”

Additionally, JAG funds awarded under this NOFO may be used for any purpose indicated here: [Purposes for Which Funds Awarded Under the Edward Byrne Memorial Justice Assistance Grants \(JAG\) Program May Be Used](#).

## Areas of Emphasis

BJA recognizes that many state and local criminal justice systems currently face challenging fiscal environments and that an important, cost-effective way to relieve those pressures is to share or leverage resources through cooperation among federal, state, local, tribal and territorial (SLTT) law enforcement. BJA encourages SLTT recipients of FY25 JAG funding to join federal law enforcement agencies in addressing the following challenges:

**Combatting Violent Crime:** JAG funds may be used to implement, enhance, or expand projects that combat violent crime. This should include directly supporting law enforcement operations. Specific activities could include addressing human trafficking of American citizens; dismantling criminal gangs, street crews, and drug networks, including drug manufacturing, dealing, and trafficking; and cracking down on the open use of illegal drugs. State and local agencies are encouraged to coordinate with their United States Attorneys and Project Safe Neighborhoods grantees in order to leverage JAG funding for violence reduction projects, to include the DOJ Operation Take Back America to eliminate cartels and transnational criminal organizations; and to coordinate their law enforcement activities with those of federal law enforcement agencies such as the Federal Bureau of Investigation (FBI), the Bureau of Alcohol, Tobacco, Firearms and Explosives (ATF), the Drug Enforcement Administration, the United States Marshals Service, and the Department of Homeland Security.

Further, state and local agencies may use JAG funds to protect the public, critical infrastructure, mass gathering events, and public facilities from threats posed by the careless or unlawful use of unmanned aircraft systems (UAS) as well as to interrupt drug cartels use of UAS for smuggling and surveilling law enforcement, to include purchase of UAS (see BJA's [UAS page](#) for prior approval requirements before using JAG funds for UAS or counter-UAS) or equipment or services for the detection, tracking, or identification of drones and drone signals.

**Immigration Enforcement:** State and local agencies may use JAG funds to partner with federal law enforcement on immigration enforcement operations (e.g., information sharing, 287(g) partnerships, task forces, and honoring detainees), protecting critical infrastructures, and information/intelligence problems.

**Safe Communities:** State and local agencies may use JAG funds to support services to American citizens and American victims of crime to create safe communities. JAG funds can be used to collaborate with federal law enforcement and task forces to address endemic vagrancy and encampments that create safe havens for drugs, crime, and human trafficking. Additionally, state and local agencies may use JAG funds to focus on improving public order and quality of life through enforcement and prosecution of nuisance abatement and blight including, among other things, petty larceny and criminal damage to property, as well as utilization of maximally flexible civil commitment,

institutional treatment, and step-down treatment standards to address untreated mental health and substance use disorders. JAG funds may also be used to support American victims of trafficking and sexual assault.

**Safe Houses of Worship:** State and local agencies may use JAG funds to respond to and deter threats to houses of worship and other religious institutions, including religious schools. Religious institutions have recently been targeted for acts of violence and desecration. These organizations typically lack sufficient security resources to respond to heightened threats. State and local law enforcement support to houses of worship, religious schools, and other religious institutions is an effective way to combat such threats.

Applicants should refer to [Application Contents, Submission Requirements, and Deadlines: Budget Worksheet and Budget Narrative](#) for information on allowable and unallowable costs that may inform the development of their project design.

## Unallowable Uses of Funds

The following are certain unallowable costs and certain activities that are out of the program scope and will not be funded.

1. Out of program scope is any program or activity, at any tier that, directly or indirectly, violates (or promotes or facilitates the violation of) federal immigration law (including 8 U.S.C. § 1373) or impedes or hinders the enforcement of federal immigration law—including by failing to comply with 8 U.S.C. § 1373, give access to DHS agents, or honor DHS requests and provide requested notice to DHS agents.
2. Out of program scope is any program or activity, at any tier that violates any applicable Federal civil rights or nondiscrimination law. This includes violations that – (1) indirectly violate the law, including by promoting or facilitating violations; or (2) unlawfully favor individuals in any race or protected group, including on a majority or minority, or privileged or unprivileged, basis, within a given area, population, or sector.
3. As specified in the DOJ Grants Financial Guide, in Chapter 3.13 “Unallowable Costs” (“Legal Services for Aliens”), any obligations of funds, at any tier, under this award to provide (or to support the provision of) legal services to any removable alien or any alien otherwise unlawfully present in the United States shall be unallowable costs for purposes any award made under this notice, but the foregoing shall not be understood to apply— (1) to legal services to obtain protection orders for victims of crime; or (2) to immigration-related legal services that may be expressly authorized or required by any law, or any judicial ruling, governing or applicable to the award.

## Formula Allocations

The FY25 Local JAG Allocations are listed on the [JAG Allocations webpage](#), with separate lists for each state. **As explained in [Eligibility](#), only listed eligible units of local government may apply to receive direct JAG funding from BJA.**

According to the JAG Program statute, a “disparity” may exist between the funding eligibility of a county and its associated municipalities. See 34 U.S.C. § 10156(d)(4). **Units of local government identified by BJA as disparate must select a fiscal agent that will submit an application for the total allocation that includes all disparate jurisdictions.** A memorandum

of understanding (MOU) that identifies which jurisdiction will serve as the applicant or fiscal agent for joint funds must be completed and signed by each participating jurisdiction's authorized representative. Once an award is made, the fiscal agent will be responsible for distributing award funds to the other jurisdictions in the disparate group through subawards that include all appropriate award conditions. **Notes on identifying disparity in the allocation lists:**

- Disparate units of local government are listed in shaded groups, in alphabetic order by county. Units of local government identified as disparate must select one unit of local government to submit an application on behalf of the disparate group.
- Counties that have an asterisk (\*) under the "Direct Allocation" column did not submit the level of violent crime data to qualify for a direct award from BJA but are in the disparate grouping indicated by the shaded area. The JAG legislation requires these counties to remain a partner with the local jurisdictions receiving funds and be a signatory on the required MOU.
- Direct allocations are listed alphabetically below the shaded disparate groupings.

**Please note that disparate jurisdictions do not need to abide by the listed individual allocations. Jurisdictions in a funding disparity are responsible for determining individual amounts within the Eligible Joint Allocation and documenting individual allocations in the MOU. See the [JAG FAQs](#) for more information. A [sample MOU](#) is also available.**

The JAG statutory formula is fully described within the [JAG Technical Report](#).

### Other JAG Statutory Requirements

**Certification and Assurances:** The JAG statute, at [34 U.S.C. § 10153 \(A\)\(1-5\)](#), details requirements related to governing body review and public comment of a JAG application, prohibition on supplanting, as well as other requirements for which JAG recipients must submit to BJA certification and assurances. See [Additional Application Components](#) section for more details.

**Prohibited Items:** The JAG statute, at [34 U.S.C. § 10152](#), prohibits the use of JAG funds for certain items, and prohibits the use of JAG funds for other items unless BJA grants a waiver. The [JAG Prohibited Expenditures Guidance](#) provides lists, details, definitions, and procedures for prohibited expenditures under the BJA JAG Program. See [Application Contents, Submission Requirements, and Deadlines: Budget Worksheet and Budget Narrative](#) and [Additional Application Components](#) for more details.

**Administrative Costs:** The JAG statute, at [34 U.S.C. § 10152](#), requires that not more than 10 percent of a JAG grant may be used for costs incurred to administer such grant. See [Application Contents, Submission Requirements, and Deadlines: Budget Worksheet and Budget Narrative](#) for more details.

**Trust Fund:** The JAG statute, at [34 U.S.C. § 10158](#), requires that a State or unit of local government that elects to draw down JAG funds in advance must establish a trust fund in which to deposit amounts. The trust fund must be in an interest-bearing account, unless one of the exceptions in [2 C.F.R. § 200.305\(b\)\(11\)](#) apply. See the [JAG FAQs](#) for more details.

## Program Goals and Objectives

**Goal: Improve the administration of the criminal justice system.**

**Objective 1:** Provide states with additional personnel, equipment, supplies, contractual support, training, technical assistance, and information systems.

**Objective 2:** Assist units of local government with their criminal justice needs.

## How Awards Will Contribute to Program Goals/Objectives

BJA anticipates that unit of local government recipients of JAG funding will use the funding to improve the administration of the criminal justice system.

## Expected Outcomes: Deliverables and Performance Measures

To achieve the goals and objectives of this funding opportunity, OJP has identified expected deliverables that must be produced by a recipient. OJP has also identified performance measures (pieces of data) that will indicate how a recipient is achieving the performance goals and objectives identified above. Recipients will need to collect and report this performance measure data to OJP.

OJP will measure success by reviewing a recipient's submission of performance reports and data and the extent to which project implementation reflects progress toward the goals and objectives of this NOFO.

### Deliverables

Recipients under this funding opportunity will not submit any deliverables beyond the standard [Post-Award Requirements and Administration](#).

### Performance Measures

OJP will require each award recipient to submit regular performance reports that communicate progress toward achieving the goals and objectives identified in [Program Goals and Objectives](#). Applicants can visit [OJP's performance measurement page](#) at [ojp.gov/performance](http://ojp.gov/performance) for more information on performance measurement activities.

A list of performance measure questions for this funding opportunity can be found at: <https://bja.ojp.gov/funding/performance-measures/jag-measures.pdf>.

## Funding Instrument

OJP expects to make awards under this funding opportunity as grants. See the "[Administrative, National Policy, and Other Legal Requirements](#)" section of the [Application Resource Guide](#) for a brief discussion of important statutes, regulations, and award conditions.

## APPLICATION CONTENTS, SUBMISSION REQUIREMENTS, AND DEADLINES

This NOFO contains all the information needed to apply for this funding opportunity. The application for this funding opportunity is submitted through web-based forms and attachments in Grants.gov and JustGrants through the steps that follow.

### Unique Entity Identifiers (UEIs) and SAM.gov Registration

To submit an application, an applicant must have an active registration in the [System for Award Management \(SAM.gov\)](#). SAM.gov assigns entities a unique entity identifier (UEI) that is required for the entity to apply for federal funding. Applicants will enter their UEI with their application. Award recipients must then maintain an active UEI for the duration of their award's period of performance.

**First-time Registration:** Entities registering in SAM.gov for the first time will submit information about their entity type and structure, financial information (such as dates of the fiscal year, banking information, and executive compensation), entity points of contact, and other information. The information is reviewed and verified by SAM.gov, and then a UEI is issued. This process may take several weeks, so entities considering applying for funding should begin the registration process as soon as possible.

**Renewing an Existing Registration:** Entities must renew their SAM.gov registration every 12 months to keep it active. If an entity does not renew their SAM.gov registration, it will expire. An expired registration can delay or prevent the submission of an application for funding in Grants.gov and JustGrants.

Applicants are encouraged to start the SAM.gov registration or renewal process **at least 30 days prior to the application's Grants.gov deadline**. Applicants who fail to begin the registration or renewal process at least 10 business days prior to the Grants.gov deadline may not be able to complete the process in time and will not be considered for a technical waiver that allows for late submission.

### Submission Instructions: Summary

Applications must be submitted to DOJ electronically through a two-step process that begins in Grants.gov and is completed in JustGrants. See [Basic Information: Key Dates and Times](#) for the Grants.gov and JustGrants application deadlines.

- **Step 1:** The applicant must submit the required [Application for Federal Assistance SF-424](#) by the Grants.gov deadline.
- **Step 2:** The applicant must submit the full application, including attachments, through JustGrants by the deadline (see [JusticeGrants.usdoj.gov](#)).

### Submission Step 1: Grants.gov Submission of SF-424

#### Access/Registration

If the applicant does not already have a Grants.gov account, they will need to register for this opportunity in Grants.gov. Applicants should follow the Grants.gov [Quick Start Guide for Applicants](#) to register, create a workspace, assign roles, submit an application, and troubleshoot issues.

## Submission of the SF-424

Applicants will begin the application process in Grants.gov with the submission of the SF-424, which collects the applicant's name, address, and UEI; the funding opportunity number; and proposed project title, among other information. The SF-424 must be signed by the Grants.gov Authorized Organizational Representative for the applicant.

See the [Application Resource Guide](#) for additional information on completing the SF-424.

**Section 8F – Applicant Point of Contact:** Please include the name and contact information of the individual **who will complete the application in JustGrants**. JustGrants will use this information (*i.e.*, email address) to assign the application to this user in JustGrants.

**Section 19 – Intergovernmental Review:** This funding opportunity is subject to [Executive Order \(E.O.\) 12372](#) (Intergovernmental Review). States that participate in the Intergovernmental Review process have an opportunity to review the applicant's submission. An applicant may find the names and addresses of state Single Points of Contact (SPOCs) for Intergovernmental Review at <https://www.ojp.gov/IntergovernmentalReviewSPOCList.pdf>. If the applicant's state appears on the SPOC list, the applicant must contact its SPOC to find out about, and comply with, the state's process under E.O. 12372. On the SF-424, an applicant whose state appears on the SPOC list must make the appropriate selection in response to question 19 once the applicant has complied with its state E.O. 12372 process. An applicant whose state does not appear on the SPOC list should answer question 19 by selecting, "Program is subject to E.O. 12372 but has not been selected by the state for review."

**An applicant should submit the SF-424 as early as possible and recommended not later than 48 hours before the Grants.gov deadline.** If an applicant fails to submit the SF-424 in Grants.gov by the deadline, they will be unable to submit their application in JustGrants.

Once the first part of the application has been successfully submitted in Grants.gov, the Grants.gov Workspace status will change from "In Progress" to "Submitted." Applicants will also receive a series of four Grants.gov email notifications. Refer to the [DOJ Application Submission Checklist](#) for additional details.

If an applicant needs to update information in the SF-424 after it is submitted in Grants.gov, they can update the information as part of their JustGrants submission (see [Application Contents, Submission Requirements, and Deadlines: Standard Applicant Information](#)). They do not need to submit an update in Grants.gov.

## Submission Step 2: JustGrants Submission of Full Application Access/Registration

For first-time JustGrants applicants, once the application is received from Grants.gov, DOJ will send an email (from [DIAMD-NoReply@usdoj.gov](mailto:DIAMD-NoReply@usdoj.gov)) to the email address listed in Section 8F of the SF-424 with instructions on how to create a JustGrants account. This email should arrive within 24 hours after confirmation from Grants.gov of the SF-424 submission.

Creating and setting up a JustGrants account consists of three steps:

1. Follow the instructions in the email to first confirm who will be the Entity Administrator (the person who manages which staff can access JustGrants on behalf of the applicant).
2. Log in to JustGrants and confirm the information in the Entity Profile.

3. Invite other individuals who will serve as the Application Submitter and the Authorized Representative for the applicant to register for JustGrants.

These steps should be completed in JustGrants as early as possible and recommended not later than 48 hours before the JustGrants deadline. Once registered in JustGrants, the Application Submitter will receive a link in an email to complete the rest of the application in JustGrants. Applicants can find additional information on JustGrants registration in the [DOJ Grant Application Submission Checklist](#).

### Preparing for Submission

Some of the required sections of the application will be entered directly into JustGrants, and other sections will require documents to be uploaded and attached. Therefore, applicants should allow enough time before the JustGrants deadline to prepare, enter, and upload all the requirements of the application.

Applicants may save their application in the system and add to or change the application as needed prior to hitting the “Submit” button at the end of the application in JustGrants. After the application deadline, no changes or additions can be made to the application. **OJP recommends that applicants submit the complete application package in JustGrants at least 48 hours prior to the JustGrants deadline.**

For additional information, including file name and type requirements, see the “How To Apply” section in the [Application Resource Guide](#).

### Standard Applicant Information

The Standard Applicant Information section of the JustGrants application is pre-populated with the SF-424 data submitted in Grants.gov. The applicant will need to review the Standard Applicant Information in JustGrants and can make whatever edits are needed. Within this section, the applicant will need to add ZIP codes for areas affected by the project; confirm their Authorized Representative; and confirm the organization’s unique entity identifier, legal name, and address.

### Proposal Abstract

A Proposal Abstract (no more than 2,000 characters) summarizing the proposed project—including its purpose, primary activities, expected outcomes, the service area, intended beneficiaries, and subrecipients (if known)—must be completed in the JustGrants web-based form. This abstract should be in paragraph form without bullets or tables, written in the third person, and exclude personally identifiable information. Abstracts will be made publicly available on the OJP and USASpending.gov websites if the project is awarded. Examples of brief Proposal Abstracts are included below.

#### JAG Abstract Examples

- The city of [\[insert\]](#) will use JAG funds for overtime for increased patrols to bolster the security of at-risk religious institutions, such as houses of worship and religious schools.
- The county of [\[insert\]](#) will use JAG funds to purchase police cruisers and officer personal protected equipment for increased law enforcement operations.

#### Disparate JAG Abstract Example

The disparate jurisdictions of [\[insert\]](#) and [\[insert\]](#) will use JAG funds for technology improvements and law enforcement equipment. Specifically, the county of [\[insert\]](#) will

use JAG funds to replace its records management system, and the city of [insert] will use JAG funds to purchase ruggedized laptops for officers.

## Data Requested With Application

### Financial Management and System of Internal Controls Questionnaire (including Applicant Disclosure of High-Risk Status)

The Financial Management and System of Internal Controls Questionnaire helps OJP assess what financial management and internal control systems the applicant has in place, whether these systems would be sufficient to maintain a funding award, and the associated potential risks of an applicant as part of the pre-award risk assessment process. Every OJP applicant (other than an individual applying in their personal capacity, not representing an applicant organization) is required to complete the web-based form in JustGrants. See the [Application Resource Guide: Financial Management and System of Internal Controls Questionnaire \(including Applicant Disclosure of High-Risk Status\)](#) for additional guidance on how to complete the questionnaire.

### JAG Survey

Applicants will be required to respond to JAG specific survey questions as part of the JustGrants application. Please refer to the steps below to help guide you through initiating, completing, modifying, and obtaining the status of the survey in the JustGrants system:

- To initiate the survey, please click on the survey title to open.
- When you have completed the survey, please click the “Finish” button in the lower right corner of the screen. The system will direct you to a review screen displaying your survey responses.
- To go back to the main application screen, go to the “Actions” menu in the top right corner of the screen and select “Close” to exit the survey review screen.
- The survey you just completed will still display an “Open” status. To confirm the completed status of your survey, go back to the “Actions” menu and select “Refresh.” The status of your completed survey will change to “Resolved—Completed.”
- If you would like to verify the responses to a completed survey, you may click the survey title to reopen it and view your saved responses.
- If you would like to change and/or update the responses to a completed survey, you may click the “Reopen” option to update your saved responses.

### Proposal Narrative

**Format of the Proposal Narrative:** The Proposal Narrative will be submitted as an attachment in JustGrants. The attached document should be double-spaced, using a standard 12-point size font; have no less than 1-inch margins; have numbered pages; and should not exceed 10 pages.

**Sections of the Proposal Narrative:** The Proposal Narrative should include the three sections listed below.

1. **Description of the Issue:** What critical issue or problem is the applicant proposing to address with this project? Please include:

- Identify the issues the unit(s) of local government intend(s) to address with JAG funds, to include gaps in the jurisdiction's needed resources for criminal justice purposes.
  - Include discussion of any issues that arose in administering previous fiscal years' JAG awards, if applicable, and how its strategy and funding priorities will address the issues.
- 2. Project Design and Implementation:** How will the proposed project address the need identified and address the purpose of the NOFO? Please include:
- Describe the unit(s) of local government process, if any, for engaging stakeholders from across the justice continuum and how that input informs priorities and decisions on the statutory JAG program areas under which it will use funding.
  - Describe how JAG funds will be coordinated with state and related justice funds.
  - Provide description of the programs to be funded over the 4-year grant period, to include any subawards.
- 3. Capabilities and Competencies:** What administrative and technical capacity and expertise does the applicant bring to successfully complete this project? Please include:
- Describe the applicant's capacity to deliver the proposed project and meet the requirements of the award, including collecting and reporting the required performance measure data. Who will be responsible for this task, and how will the applicant collect the data? Refer to [Program Description: Performance Measures](#) for additional details on performance measures for this funding opportunity.
  - Describe the fiscal agent's capacity for administering the JAG award and subawards during the four-year project period, to include required subrecipient monitoring.
  - Describe any additional strategic planning and coordination efforts in which the unit of local government participates with other criminal justice agencies.
  - Please provide an overview of any evidence-informed programs that have been implemented successfully and how those programs might inform implementation of strategic plan priorities.

**Project Evaluations:** An applicant that proposes to use award funds to conduct project evaluations must follow the guidance in the "[Note on Project Evaluations](#)" section in the [Application Resource Guide](#).

### **Budget Worksheet and Budget Narrative (Attachment)**

The applicant will complete the budget worksheet attachment and submit it by uploading it as an attachment in JustGrants. See the [OJP Grant Application Resource Guide](#) for additional information.

**In addition to those instructions, Local JAG applicants must include in the budget worksheet the following:**

- If using funds for administering the grant, provide clear designation for any cost line items that are JAG administrative costs within each budget category and project year. For example, in the line item description or explained in the narrative section.
- For applications for disparate groups, the preference is for the applicant to include a single budget worksheet and narrative that lists each jurisdiction's proposed costs by category, labeled to distinguish the use between partner agencies. Alternatively,

separate budget attachments for each partner of unit of local government are acceptable.

For additional information about how to prepare a budget for federal funding, see the [Application Resource Guide](#) section on “[Budget Preparation and Submission Information](#).” For details on the technical steps to complete the budget attachment and upload it in JustGrants, see the [Complete the Application in JustGrants: Budget](#) training.

### Funding Restrictions

See “[Unallowable Use of Funds](#).”

**Limitation on administrative costs:** Funds may not be used for administrative costs that exceed 10 percent of the total award amount. This includes direct and any indirect costs.

**Prohibition of supplanting:** Funds may not be used to supplant state or local funds but must be used to increase the amounts of such funds that would, in the absence of federal funds, be made available.

**Prohibited items:** The JAG statute, at [34 U.S.C. § 10152](#), prohibits the use of JAG funds for certain items, and prohibits the use of JAG funds for other items unless BJA grants a waiver. The [JAG Prohibited Expenditures Guidance](#) provides lists, details, definitions, and procedures for prohibited expenditures under the BJA JAG Program.

**Unmanned Aircraft Systems (UAS) and Counter-UAS (C-UAS):** The purchase of UAS (also referred to as unmanned aerial vehicles or drones, including their accessories) is allowable under JAG only with express prior approval from BJA. To request such approval, the recipient (or subrecipient, at any tier) must submit a written certification that only those UAS verified by the Defense Contract Monitoring Agency's “Blue UAS Cleared List” or any successor list (available at <https://bluelist.appsplatformportals.us/>) as not manufactured by a “covered foreign entity” may be purchased or operated under the federal award. The certification also states that no modifications or additional accessories may be introduced to the UAS funded by the award, and that the purchased UAS will not be used to process, store, or transmit federal information.

The purchase of C-UAS is also allowable under JAG only with express prior approval from BJA. To request such approval, the recipient (or subrecipient, at any tier) must submit a written certification that C-UAS will only be procured and operated in compliance with all applicable federal, state, and local laws and regulations (including criminal, surveillance, aviation, and communications laws), that only federally-approved C-UAS purchases will be purchased, and that the recipient has consulted qualified legal counsel to review the proposed purchase and operation of the C-UAS. The certification also requires the recipient to complete federal training requirements and obtain all required approvals, certifications, licenses, and authorizations prior to deployment. The certification also states that no modifications or additional accessories may be introduced to the C-UAS funded by the award.

The recipient or subrecipient also must assure BJA that the entity has sufficient policies and procedures regarding privacy, civil liberties, and information technology cybersecurity related to operation of the UAS or C-UAS. Finally, the recipient or subrecipient may be required to provide additional documentation to verify purchase and the related policies for the UAS or C-UAS. Additional information may be found on the [BJA UAS website](#).

**Body Armor:** A JAG award recipient that proposes to purchase body armor with JAG funding must provide to OJP a certification(s) that it has a written “mandatory wear” policy in effect (see [34 U.S.C. § 10202\(c\)](#)). The certification form related to mandatory wear can be found at: [JAG Body Armor Mandatory Wear Policy Certification](#). Further, before making any subawards for body armor purchases, the direct JAG award recipient must collect a completed body armor certification from the proposed subrecipient. Any such certifications must be maintained by the direct JAG award recipient and made available to OJP upon request. For more information, please refer to the [JAG FAQs](#).

**Body-worn Cameras (BWCs):** A JAG award recipient that proposes to purchase BWC equipment or implement or enhance BWC programs with JAG funding must provide to OJP a certification(s) that it has policies and procedures in place related to BWC equipment usage, data storage and access, privacy considerations, and training. The certification form related to BWC policies and procedures can be found at: [JAG BWC Policy Certification](#). Further, before making any subawards for BWC-related expenses, the direct JAG award recipient must collect a completed BWC certification from the proposed subrecipient. Any such certifications must be maintained by the direct JAG award recipient and made available to OJP upon request. For more information, please refer to the [JAG FAQs](#).

**Extreme Risk Protection Order Programs:** An extreme risk protection order (ERPO) empowers law enforcement, and in some states, family members, health care providers, and others to petition a court for a civil order that temporarily prevents a person from accessing firearms if they are found to be a danger to themselves. If states use their JAG funds to support ERPO programs, ERPO programs must include, at a minimum:

1. Pre-deprivation and post-deprivation due process rights that prevent any violation or infringement of the Constitution of the United States, including, but not limited to, the Bill of Rights and the substantive or procedural due process rights guaranteed under the 5th and 14th amendments to the Constitution of the United States, as applied to the States and as interpreted by State courts and United States courts (including the Supreme Court of the United States). Such programs must include, at the appropriate phase to prevent any violation of constitutional rights, at minimum, notice, the right to an in-person hearing, an unbiased adjudicator, the right to know opposing evidence, the right to present evidence, and the right to confront adverse witnesses.
2. The right to be represented by counsel at no expense to the government.
3. Pre-deprivation and post-deprivation heightened evidentiary standards and proof that mean not less than the protections afforded to a similarly situated litigant in federal court or promulgated by the state’s evidentiary body, and sufficient to ensure the full protections of the Constitution of the United States, including but not limited to the Bill of Rights and the substantive and procedural due process rights guaranteed under the 5th and 14th amendments to the Constitution of the United States, as applied to the States and as interpreted by State courts and United States courts (including the Supreme Court of the United States). The heightened evidentiary standards and proof under such programs must, at all appropriate phases to prevent any violation of any constitutional right, at minimum, prevent reliance upon evidence that is unsworn or unaffirmed, irrelevant, based on inadmissible hearsay, unreliable, vague, speculative, and lacking a foundation.
4. Penalties for abuse of the program.

Prior to the expenditure of FY25 JAG funds for an ERPO program, a [Certification of Compliance with Pub. L. No. 90-351, Title I, Sec. 501\(a\)\(1\)\(I\)\(iv\)](#) must be signed by a principal legal officer and submitted to BJA. See the [JAG FAQs](#) for additional information.

**DNA Testing of Evidentiary Materials and Uploading DNA Profiles to a Database:** If JAG Program funds are to be used for DNA testing of evidentiary materials, any resulting eligible DNA profiles must be uploaded to the Combined DNA Index System (CODIS), the national DNA database operated by the FBI, by a government DNA lab with access to CODIS. JAG funds may not be used for Rapid DNA testing of evidentiary material (e.g., crime scene samples, sexual assault kits) because the FBI has not authorized results of this testing for upload to CODIS. No DNA profiles generated with JAG funding may be entered into any other nongovernmental DNA database without prior written approval from BJA. Additionally, award recipients utilizing JAG funds for forensic genealogy testing must adhere to the [DOJ Interim Policy Forensic Genealogical DNA Analysis and Searching](#). For more information about DNA testing as it pertains to JAG, please refer to the [JAG FAQs](#).

**Costs Associated With a Conference/Meeting/Training:** An applicant that proposes to use award funds for activities related to a conference, meeting, training, or similar event should review the [Application Resource Guide](#) for information on prior approval, planning, and reporting costs for a conference/meeting/training.

**Costs Associated With Language Assistance and Access:** If an applicant proposes a program or activity that would deliver services or benefits to individuals, the costs of taking reasonable steps to provide meaningful access to those services or benefits for individuals with limited English proficiency may be allowable in specific grant programs. Costs to provide reasonable accommodation and facilitate language access for individuals who are deaf or hard of hearing may also be allowable in specific grant programs. See the [Application Resource Guide](#) for information on costs associated with language assistance.

For additional information about how to prepare a budget for federal funding, see the [Application Resource Guide](#) section on “[Budget Preparation and Submission Information](#)” and the technical steps to complete the budget form in JustGrants in the [Complete the Application in JustGrants: Budget](#) training.

### **Budget and Associated Documentation: Budget/Financial Attachments**

**Indirect Cost Rate Agreement (if applicable):** An applicant with a current, federally approved indirect cost rate agreement should upload it as an attachment in JustGrants.

Indirect costs are costs of an organization that are not readily assignable to a particular project but are necessary for the operation of the organization and the performance of the project. Examples of costs usually treated as indirect include those incurred for operation and maintenance of offices or workspaces and salaries of administrative or support staff. The requirements for the development and submission of indirect cost proposals and cost allocation plans are listed in Appendices III–VII of 2 C.F.R. Part 200. A non-federal applicant should follow the guidelines applicable to its type of organization. See the [DOJ Grants Financial Guide](#) and the [OJP Grant Application Resource Guide](#) for additional information on indirect cost rate agreements.

**Consultant Rate (if applicable):** OJP has established maximum rates for consultants; see the “Listing of Costs Requiring Prior Approval” section of the [DOJ Grants Financial Guide](#) for more

information. If an applicant proposes a rate for a consultant on their project that is higher than the established maximum rate and receives an award, then the award recipient must submit a document requesting approval for the rate and cannot incur costs at the higher rate without prior OJP approval. The award recipient must provide justification for why the proposed rate is higher than the established maximum rate, such as why the rate is reasonable and consistent with that paid for similar services in the marketplace.

**Limitation on Use of Award Funds for Employee Compensation for Awards Over \$250,000; Waiver (if applicable):** This notice of funding opportunity expressly modifies the OJP Grant Application Resource Guide by not incorporating the “Limitation on Use of Award Funds for Employee Compensation; Waiver” provisions in the “Financial Information” section of the OJP [Grant Application Resource Guide](#).

**Disclosure of Process Related to Executive Compensation (if applicable):** This notice of funding opportunity expressly modifies the Application Resource Guide by not incorporating its “Disclosure of Process Related to Executive Compensation” provisions. Applicants to this funding opportunity are not required to provide this disclosure.

### Additional Application Components

The applicant should attach the additional requested documentation listed below in JustGrants.

- **Certifications and Assurances by the Chief Executive of the Applicant Government:** A JAG application is not complete, and a direct award recipient may not access award funds, unless the chief executive of the applicant government (e.g., the mayor, city manager, or presiding Board member) properly executes, and submits, the “Certifications and Assurances by the Chief Executive of the Applicant Government” found at: [FY25 JAG – Certifications and Assurances by the Chief Executive of the Applicant Government](#). This certification contains assurances that the governing body notification and public comment requirements, which are required under the JAG statute (at [34 U.S.C. § 10153\(a\)\(2\)](#)), have been satisfied. OJP will not deny an application for a JAG award for failure to submit these “Certifications and Assurances by the Chief Executive of the Applicant Government” by the application deadline, but an award recipient will not be able to access award funds (and its award will include a condition that withholds funds) until it submits these certifications and assurances properly executed by its respective Chief Executive. **Memorandum of Understanding (if applicable):** Only required for disparate jurisdictions, as detailed in [Formula Allocations](#). At a minimum, the MOU must 1) identify which jurisdiction will serve as the applicant or fiscal agent for the disparate group; and 2) identify the agreed upon funding amounts for each locality. The MOU must be completed and signed by an official who has authority to enter into a memorandum of understanding on behalf of each jurisdiction. Generally, BJA would expect this to be the chief executive of the jurisdiction. Additional documentation may be requested by BJA to determine signing authority. A [sample MOU](#) is available. If the MOU is missing or incomplete, BJA will issue an award agreement, but funds will be withheld until a properly executed MOU is submitted.
- **BWC Policy Certification (if applicable):** Only required if the direct recipient will be using JAG funds for a BWC project. See [Budget Worksheet and Budget Narrative](#) for more information and link to the form. If the direct recipient is proposing to use funds for

BWC but the certification is missing or insufficient, BJA will issue an award agreement, but funds will be withheld until a certification is submitted.

- **Body Armor Mandatory Wear Certification (if applicable):** Only required if the direct recipient will be using JAG funds for body armor. See [Budget Worksheet and Budget Narrative](#) for more information and link to the form. If the direct recipient is proposing to use funds for body armor but the certification is missing or insufficient, BJA will issue an award agreement, but funds will be withheld until a certification is submitted.
- **Extreme Risk Protection Order (ERPO) Certification (if applicable):** Only required if JAG funds will be used for an ERPO program. See [Budget Worksheet and Budget Narrative](#) for more information and link to the form. If the application is proposing to use funds for ERPO but the certification is missing or insufficient, BJA will issue an award agreement, but funds will be withheld until a certification is submitted.
- **Prohibited Expenditure Waiver Request (if applicable):** Only required if a JAG applicant would like to request a pre-award waiver to purchase a specific prohibited expenditure request, as detailed in the [JAG Prohibited Expenditure Guidance](#). A JAG applicant may submit a waiver request with its application, by attaching the letter described in the Guidance document in the “Procedures,” #2. If the application is proposing to use funds for a JAG prohibited expenditure but the waiver request is missing or insufficient, BJA will issue an award agreement, but funds will be withheld until a waiver request is submitted and approved via grant award modification (GAM).
- **Unmanned Aircraft System (UAS) Certification (if applicable):** Only required if a JAG application will include costs for UAS in the budget. See [Budget Worksheet and Budget Narrative](#) for more information and link to the UAS certification. If the application is proposing to use funds for UAS but the certification is missing or insufficient (or if the requested budget information is not sufficient), BJA will issue an award agreement but funds will be withheld until a UAS certification is submitted and approved via grant award modification (GAM).
- **Counter-UAS Certification (if applicable):** Only required if a JAG application will include costs for C-UAS in the budget. See [Budget Worksheet and Budget Narrative](#) for more information and link to the C-UAS certification. If the application is proposing to use funds for C-UAS but the certification is missing or insufficient (or if the requested budget information is not sufficient), BJA will issue an award agreement but funds will be withheld until a C-UAS certification is submitted and approved via grant award modification (GAM).

## Disclosures and Assurances

The applicant will address the following disclosures and assurances.

**Disclosure of Lobbying Activities:** JustGrants will prompt each applicant to indicate if it is required to complete and submit a lobbying disclosure under 31 U.S.C. § 1352.

The applicant is required by law to complete and submit a lobbying disclosure form (Standard Form/SF-LLL) if it has paid or will pay any person to lobby in connection with the award for which it is applying AND this application is for an award in excess of \$100,000. This disclosure

requirement is not applicable to such payments by an Indian Tribe, Tribal organization, or any other Indian organization that are permitted by other federal law.

Lobbying means (for this requirement) influencing or attempting to influence an officer or employee of any agency, a member of Congress, an officer or employee of Congress, or an employee of a member of Congress. See 31 U.S.C. 1352; 28 C.F.R. part 69. Note: Most applicants do not engage in activities that trigger this disclosure requirement.

An applicant that is not required by law (31 U.S.C. 1352) to complete and submit a lobbying disclosure, should enter “No.” By doing so, the applicant is affirmatively asserting (under applicable penalties) that it has nothing to disclose under 31 U.S.C. § 1352 with regard to the application for the award at issue.

**Disclosure of Duplication in Cost Items:** To ensure funding coordination across grantmaking agencies, and to avoid unnecessary or inappropriate duplication of grant funding, the applicant must disclose if it has any pending applications for federal funding, including pending applications for subawards of federal funds, for the same project and the same budget items included in this proposal. Complete the JustGrants Applicant Disclosure of Duplication in Cost Items form. See the [Application Resource Guide](#) for additional information.

**DOJ Certified Standard Assurances:** Review and accept the DOJ Certified Standard Assurances in JustGrants. See the [Application Resource Guide](#) for additional information.

**DOJ Certifications:** Review the DOJ document [Certifications Regarding Lobbying; Debarment, Suspension and Other Responsibility Matters; Drug-Free Workplace Requirements; Coordination with Affected Agencies](#). An applicant must review and sign the certification document in JustGrants. See the [Application Resource Guide](#) for more information.

**Applicant Disclosure and Justification – DOJ High-Risk Grantees (if applicable):** If applicable, submit the DOJ High-Risk Disclosure and Justification as an attachment in JustGrants. A DOJ high-risk recipient is an award recipient that has received a DOJ high-risk designation based on a documented history of unsatisfactory performance, financial instability, management system or other internal control deficiencies, noncompliance with award terms and conditions on prior awards, or that is otherwise not responsible. See the [Application Resource Guide](#) for additional information.

## Submission Dates & Times

Refer to [Basic Information: Key Dates and Times](#) for the submission dates and times.

Applicants should submit their applications as early as possible and recommended not later than 48 hours before the deadlines. To be considered timely, the full application must be submitted in JustGrants by the JustGrants application deadline. Applicants will use the “Certify and Submit” feature in JustGrants to confirm that all required application components have been entered, which includes identifying the Authorized Representative for the applicant. Once the application is submitted, the Application Submitter, Authorized Representative, and Entity Administrator receive a confirmation email.

An applicant will receive emails after successfully submitting application components in Grants.gov and JustGrants and should retain all emails and other confirmations received from the SAM.gov, Grants.gov, and JustGrants systems.

## Experiencing Technical Issues Preventing Submission of an Application (Technical Waivers)

If an applicant misses a deadline due to unforeseen technical issues with SAM.gov, Grants.gov, or JustGrants, the applicant may request a waiver to submit an application after the deadline. OJP will only consider requests to submit an application via alternative methods or after the deadline when the applicant can document that there is a technical issue with a government system that was beyond their control and that prevents submission of the application via the standard process prior to the deadlines. Issues resulting from circumstances within the applicant's control, such as failure to begin the SAM.gov, Grants.gov, or JustGrants registration and application process in sufficient time, will not be considered.

Requests and documentation must be sent to the OJP Response Center at [OJP.ResponseCenter@usdoj.gov](mailto:OJP.ResponseCenter@usdoj.gov). Applicants should follow these steps if they experience a technical issue:

- 1. Contact the relevant help desk to report the issue and receive a tracking number.**

See [Basic Information: Contact Information](#) for the phone numbers, email addresses, and operating hours of the SAM.gov, Grants.gov, and JustGrants help desks. Reports of technical issues to the help desk must occur **before** the application deadline.

If an applicant calls the help desk and experiences a long wait time, they can also email the help desk to obtain a tracking number. Tracking numbers are generated automatically when an applicant emails the applicable service desk, and for this reason, long call wait times for support do not relieve the applicant of the responsibility of getting a tracking number.

- 2. If an applicant has technical issues with SAM.gov or Grants.gov, the applicant must contact the OJP Response Center at [OJP.ResponseCenter@usdoj.gov](mailto:OJP.ResponseCenter@usdoj.gov) within 24 hours of the Grants.gov deadline to request approval to submit after the deadline. The applicant's request will need to include:**

- A description of the technical difficulties experienced (provide screenshots if applicable).
- A timeline of the applicant's submission efforts (*e.g.*, date and time the error occurred, date and time of actions taken to resolve the issue and resubmit, and date and time support representatives responded).

- An attachment of the complete grant application and all the required documentation and materials (this serves as a “manual” submission of the application).
- The applicant’s unique entity identifier (UEI).
- Any SAM.gov, Grants.gov, and JustGrants Service Desk tracking/ticket numbers documenting the technical issue.

**3. If an applicant has technical issues with JustGrants that prevent application submission by the deadline, the applicant must contact the OJP Response Center at [OJP.ResponseCenter@usdoj.gov](mailto:OJP.ResponseCenter@usdoj.gov) within 24 hours of the JustGrants deadline to request approval to submit after the deadline. See step 2 for the list of information the applicant must provide as part of its request.**

As a reminder: the waiver request will not be considered unless it includes documentation of attempts to receive technical assistance to resolve the issue prior to the application deadline. OJP will review each waiver request and the required supporting documentation and notify the applicant whether the request for late submission has been approved or denied. An applicant that does not provide documentation of a technical issue (including all information previously listed), or that does not submit a waiver request within the required time period, will be denied.

For more details on the waiver process, OJP encourages applicants to review the “Experiencing Technical Issues” section in the [Application Resource Guide](#).

## APPLICATION REVIEW

### Review Process and Criteria

OJP will review applications to ensure the applicant is eligible to receive JAG formula funding per the [JAG Allocations](#); and that information presented is reasonable, understandable, measurable, achievable, and consistent with the goals of the funding opportunity. See the [OJP Grant Application Resource Guide](#) for information on the application review process for formula grants.

### Risk Review

Pursuant to the Part 200 Uniform Requirements, before award decisions are made, OJP also reviews information related to applicant risk. OJP assesses whether an applicant with one or more prior federal awards has a satisfactory record of performance, integrity, and business ethics, including by (among other things) checking whether the applicant is listed in SAM.gov as excluded from receiving a federal award.

Depending on the severity and nature of the risk factors, the risk assessment may result in additional post-award conditions and oversight for any awarded applicant.

In addition, if OJP anticipates that an award will exceed \$250,000 in federal funds, OJP also must review and consider any information about the applicant that appears in the non-public segment of the integrity and performance system accessible through SAM.gov.

**Important Note on Responsibility/Qualification Data (formerly FAPIIS):** An applicant may review and comment on any information about its organization that currently appears in SAM.gov and was entered by a federal awarding agency. OJP will consider such comments by the applicant, in addition to the other information in SAM.gov, in its assessment of the risk posed by the applicant.

### Selection Process

All final award decisions will be made by the Assistant Attorney General, unless a statute explicitly authorizes award decisions by another official or there is written delegation of authority to another official. This official may consider not only program office recommendations but also other factors as indicated in the “Application Review” section. For additional information on the application review process, see the [Application Resource Guide](#).

## AWARD NOTICES

### Federal Award Notices

For successful applicants, JustGrants will send a system-generated email to the Application Submitter, Authorized Representative, and Entity Administrator with information on accessing their official award package in JustGrants. The award package will include key information (such as funding amount and period of performance) as well as award conditions that must be followed. An authorized representative for the entity should accept or decline the award within 45 days of the notification. See the [Application Resource Guide](#) for information on award notifications and instructions.

# POST-AWARD REQUIREMENTS AND ADMINISTRATION

## Reporting

All award recipients under this funding opportunity will be required to submit the following reports and data:

- Quarterly financial reports.
- Semi-annual (Category 2) or annual (Category 1) performance reports.
- Final financial and performance reports.
- If applicable, an annual audit report in accordance with the Part 200 Uniform Requirements or specific award conditions.
- Quarterly DCRA reports.

See the [Application Resource Guide](#) for additional information on specific post-award reporting requirements, including performance measure data and the method for submitting reports in OJP's online systems. Future awards and fund drawdowns may be withheld if reports are delinquent (in appropriate cases, OJP may require additional reports).

### Performance Measure Reporting

Award recipients are required to submit quarterly performance measure data in the Performance Measurement Tool (PMT) and separately submit semi-annual or annual performance reports in JustGrants depending on the category. Applicants selected for an award will receive further guidance on post-award reporting processes.

### Program- and Award-Specific Award Conditions

OJP includes various conditions on its awards. These may include program-specific conditions, which typically apply to all recipients of a funding opportunity, and award-specific conditions, which are included to address recipient-specific issues (e.g., programmatic or financial risk). Recipients may view all conditions, and actions required to satisfy those conditions, in the award package in JustGrants.

### Administrative, National Policy, and Other Legal Requirements

If selected for funding, in addition to implementing the funded project consistent with the OJP-approved application, the recipient must comply with all award conditions and all applicable requirements of federal statutes and regulations, including the applicable requirements referred to in the assurances and certifications executed in connection with award acceptance. For additional information on these legal requirements, see the "Administrative, National Policy, and Other Legal Requirements" section in the [Application Resource Guide](#).

### Civil Rights Compliance

If a successful applicant accepts funding from OJP—as a recipient of OJP funding—that award recipient must comply with certain federal civil rights laws that prohibit the award recipient from discriminating on the basis of race, color, national origin, sex, religion, or disability in how it delivers its program's services or benefits and in its employment practices. The civil rights laws that may be applicable to the award include, but are not limited to, Title VI of the Civil Rights Act of 1964, the nondiscrimination provisions of the Omnibus Crime Control and Safe Streets Act of

1968, and Section 504 of the Rehabilitation Act of 1973. These and other federal civil rights laws are discussed in greater detail on OJP's [Legal Overview—FY 2025 Awards](#) webpage under the “Civil Rights Requirements” section. Additional resources are available from the [OJP Office for Civil Rights](#).

Compliance with Federal civil rights and nondiscrimination laws is material to the government's decision to make any award and payment under this program, including for purposes of the False Claims Act, and each recipient will be required to certify (in its acceptance of the conditions of the award) that it does not operate any programs (including any such programs having components relating to diversity, equity, and inclusion) that violate any applicable Federal civil rights or nondiscrimination laws.

See OJP's [Partnerships with Faith-Based and Other Neighborhood Organizations webpage](#) for specific information for faith-based organizations applying under this NOFO.

### **Financial Management and System of Internal Controls**

Award recipients and subrecipients (including recipients or subrecipients that are pass-through entities) must, as described in the Part 200 Uniform Requirements set out at 2 C.F.R. 200.303, comply with standards for financial and program management. See the [Application Resource Guide](#) for additional information.

### **Information Technology Security Clauses**

An application in response to this NOFO may require inclusion of information related to information technology security. See the [Application Resource Guide](#) for more information.

### **Other Reporting Requirements**

Applicants and recipients are required to notify OJP if you know that you or any of your organization's principals for the award transaction are presently excluded or disqualified (*i.e.*, debarred or suspended) or otherwise meet any of the criteria in 2 C.F.R. 180.335. Recipients must comply with requirements in 2 C.F.R. Part 180, as implemented by DOJ in 2 C.F.R. Part 2867, which, among other things, require recipients to check certain information sources and, in some cases, notify the federal awarding agency prior to the agency awarding federal funds via contracts or subawards.

If a recipient's award includes a federal share of more than \$500,000 over the period of performance of the award, then the award (per 2 C.F.R. 200.113) will include a condition that may require the recipient to report and maintain certain information (relating to certain criminal, civil, and administrative proceedings) in SAM.gov. See the [Reporting Requirements page](#) for more information.

## OTHER INFORMATION

### Information Regarding Potential Evaluation of Programs and Activities

OJP may conduct or support an evaluation of the projects and activities funded under this NOFO. For additional information on what should be included in the application, see the [Application Resource Guide](#) section “Information Regarding Potential Evaluation of Programs and Activities.”

### Freedom of Information and Privacy Act
