1. **Terms and acceptance.** This order becomes a contract (1) when a signed acknowledgment of the order is received by Buyer, or (2) when shipment according to schedule of all or any portion of the goods covered by this order shall be made, or (3) when Buyer gives Seller written approval of the price and delivery schedule of the goods as stated by Seller if Seller's written acknowledgment of this order contains either: (a) a different price or delivery schedule or a different type of item, or (b) no price or no delivery schedule for the item or items to which Buyer's approval applies. Except as provided in the preceding sentence, it is a condition of this order that any provisions printed or otherwise contained in any acknowledgment hereof, inconsistent with or in addition to the terms and conditions herein stated, and any alteration in this purchase order, shall have no force or effect, and that Seller by such acknowledgment thereby agrees that any such provisions therein or any such alterations in this order shall not constitute any part of this contract of purchase and sale. Except where this order is made pursuant to a competitive bid awarded under the County Purchasing Act, this contract contains the entire agreement of the parties, and failure of either party to enforce any of its rights hereunder shall not constitute a waiver of such rights or of any other rights hereunder; where this order is made pursuant to a competitive bid awarded under the County Purchasing Act, the specifications, bid, and this contract contain the entire agreement of the parties, and failure of either party to enforce any of its rights hereunder shall not constitute a waiver of such rights or of any other rights hereunder, and the specifications and bid are incorporated herein by reference to the same extent as if fully set forth herein.
2. **Inspection, warranty.** Goods delivered (whether paid for or not) are subject to inspection, testing, and approval by Buyer before acceptance. Seller expressly warrants that all articles, materials, and work will conform to the applicable drawings, specifications, samples, or other descriptions given in all respects, and that the goods delivered hereunder will be of good quality, material, and workmanship, merchantable and free from defects. This warranty shall survive any inspection, delivery, acceptance, or payment by Buyer of the goods or services.
3. **Nonconforming goods.** All goods not fully up to standard and not in compliance with the specifications hereof, or shipped contrary to instructions, or in excess of the quantities herein provided, or substituted for goods described, or not shipped in containers conforming to Buyer's specifications (or, in the absence of such specifications, in recognized standard containers), or allegedly violating any statute, ordinance, or administrative order, rule, or regulation, may be rejected by Buyer and returned or held at Seller's expense and risk. Buyer may charge to Seller all expense of inspecting, unpacking, examining, repacking, storing, and reshipping any goods rejected as aforesaid. The remedies hereinabove afforded to Buyer shall not be exclusive, but Buyer may hold Seller liable for any and all damages arising from any breach or default hereinabove set forth.
4. **Product warranty.** Seller shall not limit or exclude any implied or expressed warranties and any attempt to do so shall render this contract voidable at the option of the Buyer. Seller warrants that the goods furnished will conform to the specifications, drawings, and descriptions listed in the bid invitation, or request for quotes, and to the sample(s) furnished by Seller, if any. In the event of a conflict between the specifications, drawings, and descriptions, the specifications shall govern.
5. **Safety warranty.** Seller warrants that the product sold to Buyer shall conform to the standards promulgated by the U.S. Department of Labor under the Occupational Safety and Health Act of 1970 (OSHA). In the event the product does not conform to OSHA standards, Buyer may return the product for correction or replacement at the Seller's expense. In the event Seller fails to make the appropriate correction within a reasonable time, the correction made by Buyer will be at Seller's expense.
6. **Price warranty.** The price to be paid by Buyer shall be that contained in Seller's bid or quote, and is not subject to increase. No additional amounts shall be chargeable to Buyer because of taxes or excises in accordance with State law regarding sales taxes and excise taxes or any other tax, presently or hereafter levied on Seller. If Seller's quoted prices for the goods covered by this order are reduced (whether in the form of a price reduction, close-out, rebate, allowances, or additional discounts offered to anyone) at time of any shipment, Seller agrees that the price to Buyer for such goods will be reduced accordingly, and that Buyer will be billed at such reduced prices. If price includes taxes or excises, and if such taxes or excises or any part thereof are hereafter refunded to Seller, Seller shall immediately pay Buyer the amount of such refund. Seller warrants that the prices herein are not higher than prices being charged to other organizations and public entities purchasing identical goods in smaller quantities at this particular time and do not discriminate against purchaser. The Seller warrants that no person or selling agency has been employed or retained to solicit or secure this contract upon an agreement or understanding for commission, kickback, bribe, percentage, brokerage, or contingent fee excepting bona fide employees of bona fide established commercial or selling agencies maintained by the Seller for the purpose of securing business. For breach or violation of this warranty, the Buyer shall have the right in addition to any other right or rights to cancel this contract without liability and to deduct from the contract price, or otherwise recover the full amount of such commission, kickback, bribe, percentage, brokerage or contingent fee.

Invoices shall be itemized and transportation charge(s), if any, shall be listed separately on the invoice(s). No federal excise, state or city sales tax should be included. A copy of Hidalgo County's exemption certificate will be provided upon request; original invoice(s), delivery ticket(s), bill(s) of lading, freight bill(s), and other proof of delivery must be sent or provided to the user department(s) for verification and approval.   - b. **Payment:** Payment is contingent upon the statutory auditing and approval of invoices and claims by the Office of the County Auditor, and also approval by the Commissioners' Court at a regular scheduled public meeting. Seller must notify the County Auditor's Office of any changes in address(es) and business status.
8. **Gratuities:** The Buyer may, by written notice to Seller, cancel this contract without liability to Seller, if it is determined by Buyer that gratuities, kickbacks or bribes, in the form of entertainment, gifts, or otherwise, were offered or given by Seller, or any agent or representative of Seller, to any officer or employee of the County of Hidalgo with a view toward securing a contract or securing favorable treatment with respect to the awarding or amending, or the making of any determinations with respect to the performing of such a contract. In the event this contract is canceled by Buyer pursuant to this provision, Buyer shall be entitled, in addition to any other rights and remedies, to recover or withhold the amount of the cost incurred by Seller in providing such gratuities.
9. **Special tools and test equipment.** If the price stated on the face hereof includes the cost of any special tooling or special test equipment fabricated or required by Seller for the purpose of filling this order, such special tooling equipment and any process sheets related thereto shall become the property of Buyer and to the extent feasible shall be identified by Seller as such.
10. **Delivery time of essence.** Buyer's schedules are based upon the agreement that the goods will be delivered to Buyer by the dates specified on the face of the purchase order. Time is therefore of the essence and if goods are not delivered within the time specified hereon, Buyer may reject such goods and cancel order. The acceptance of later or defective deliveries shall not be deemed a waiver by Buyer of its right to cancel this order, or to refuse to accept further deliveries.

Each shipping container shall be clearly and permanently marked as follows: (a) Seller's name and address; (b) consignee's name, address and purchase order or purchase release number and the supply agreement number, if applicable; (c) container number and total number of containers (e.g., box 1 of 4 boxes); and (d) the number of the container bearing the packing slip. Seller shall bear the cost of packaging unless otherwise provided. Goods shall be suitably packed to carriers and any applicable specifications. 14. **Delivery terms and transportation charges.** F.O.B. Destination Freight Prepaid unless delivery terms are specified otherwise in bid or quote. Buyer agrees to pay the actual costs, if the quoted delivery terms do not include transportation costs, provided Buyer shall have the right to designate what method of transportation shall be used to ship the goods.
