(a) Before awarding any contract, Hidalgo County Purchasing Department will verify, using the Federal System for Award Management (SAM) and the Texas Comptroller's Debarred Vendor List, that the offeror recommended for contract award has no unsatisfactory performance history that would prohibit awarding them a contract.

(d) The County may accept any item or group of items of any offer, unless the offeror qualifies the offer by specific limitations. Unless otherwise provided in Pricing Schedule, offers may not be submitted for any quantities less than those specified, and the County reserves the right to make an award on any item for a unit quantity less than the quantity offered at the unit prices offered unless the offeror specifies otherwise in the offer.

(e) The County's execution of the Contract shall be deemed to result in a binding contract without further action by the offeror.

(f) The County may, within the time specified therein, accept any offer or part thereof, as provided in (c) above, whether or not there are negotiations subsequent to its receipt, unless the offer is withdrawn by written notice received by the County prior to award.

3.4. TERM

It is intended that the initial contract term will be for one (1) year commencing on the date approved by Commissioners Court; with the County's option to renew/extend for an additional two (2) one (1) year(s) term, under the same rates, terms, and conditions.

All submissions, except for Requests for Bids, may be subject to evaluations and negotiations by the Hidalgo County Purchasing Department, or authorized Hidalgo County representative as approved by Hidalgo County Commissioners Court, with recommendation to the appropriate governing body. Compliance with all requirements, delivery and needs of the user department are considerations in evaluating the responses received. **Pricing is NOT the only criteria for making a recommendation.** A preliminary evaluation by Hidalgo County will be held and appropriate responses will be subjected to the negotiating process and a request for a Best and Final Offer. Funds for this procurement have been provided through the County budget for this fiscal year only. Hidalgo County, on an annual basis and at their discretion, has the right to reconsider a contract during the budget process for ensuing years if financial resources of Hidalgo County are insufficient to meet the liabilities of said contract. After expiration of the lease, leased equipment shall be removed by the Vendor from the user department without penalty of any kind or form to Hidalgo County. All charges and physical activity related to delivery, installation, removal and re-delivery shall be the responsibility of the Vendor

Service will commence only upon expiration of applicable warranties and should be priced accordingly.

4.24. MARKET VOLATILITY AND UNIT PRICE ADJUSTMENTS

When applicable, Hidalgo County recognizes that during periods of national crisis and unstable economic conditions, unforeseen price increase might affect costs for goods and services contracted on an annual basis. As such, upon written request of the Vendor to the County Purchasing Agent, the County may review evidence of prevailing industry-wide market conditions that may warrant an adjustment in bid prices contained in the contract. When applicable, the following procedure and conditions may be employed to mediate price volatility:

- A Vendor shall:
 - make its Market Volatility and Unit Price Adjustment request in writing to the County Purchasing Agent.
 - tie any price change clause to an industry-wide or otherwise nationally recognized index, or some other form of verifiable document. Such written request must be accompanied by a certified copy of the supplier's advisory or notification to the Vendor of the price changes.
 - put the Purchasing Agent on the mailing lists for such publications so that the Purchasing Agent can monitor said changes. Such membership shall be at no cost to the County.
 - notify the County at the time when the Vendor's costs for items, supplies, and or services reduce due to stabilization in the market at which time prices for items on this contract shall be reduced accordingly. Failure by the Vendor to notify the County of a decrease in costs for items and/or supplies for which the Vendor was granted a price adjustment, may result in immediate termination of this contract and the County shall not be obligated to pay the Vendor the difference between the contract price and the price adjustment.
- Price adjustment reviews may only be requested by the Vendor on a quarterly basis; however, the County may at its own discretion, conduct temporary price adjustment reviews at any time.
- The County Purchasing Agent retains the right to determine whether or not such proposed price changes are in the best interest of the County.
- The County may only grant a price increase if the evidence presented is deemed reliable.
- No price escalation will be authorized in excess of the amount of the increase referred to in the supplier's notice.
- The total increase in contract price shall not exceed twenty-five percent (25%) of the original contract price during the contract term.
- Should the County allow a price increase, the approved price change shall be honored for all orders received by the vendor or contractor after the effective date of such price change. Approved price changes are not applicable to orders already issued and in process at time of price change.
- Price increases are only valid for the quarter in which they are requested and approved.

- Prices shall return to the original contract price at the beginning of the following quarter unless a Vendor notifies the County in writing within ten (10) days of expiration of the quarter in which the price increase is in effect, that it desires to have the price increase continue or that the Vendor is requesting a different price increase for the following quarter. Such request must be supplemented with sufficient justification to demonstrate that the price increase remains necessary. The County Purchasing Department shall have sole discretion whether to grant the price increase extension.
- The County Purchasing Agent and/or the County Auditor reserve the right to audit and/or examine any pertinent books, documents, papers, records or invoices relating directly to the contract transaction in question after reasonable notice and during normal business hours.

OVERVIEW:

Hidalgo County is seeking to establish a “pre-event” contract with a qualified firm to provide disaster debris monitoring and management services to ensure that debris removal operations are efficient, effective, and eligible for FEMA Public Assistance grant funding. The contract will be dependent upon the number of disasters and does not guarantee an annual minimum (as-needed basis). The awarded disaster debris monitoring management contractor shall advise and support the County during a disaster recovery effort and shall be responsible for coordinating with, and overall monitoring of, the County’s debris removal contractor(s) and recommending efficiencies to improve and expedite DRC recovery work. **The County reserves the right to enter into contracts with more than one Prime Contractor in the event that no one firm can provide all of the necessary services.**

SCOPE OF SERVICES

In the event of a disaster or emergency, the debris monitoring contractor(s) (DMC) shall service the County first and be on-call to provide disaster debris monitoring management services necessary to ensure the safety and well-being of all Hidalgo County residents. Response will be activated only in the event of an emergency and in accordance with an awarded contract.

REQUIREMENTS:

The response of the DMC to the disaster recovery process must be immediate, rapid, and efficient with acceptable cost controls, accountability procedures, written reports, and submittals to ensure compliance with Texas Commission on Environmental Quality (TCEQ) regulations, Texas Department of Transportation (TxDOT), Federal Highway Administration (FHWA), FEMA reporting requirements, and any other federal, state or local regulation to ensure that the county shall have the means to be reimbursed for all eligible disaster recovery costs from the appropriate federal, state, and private agencies. The DMC shall monitor the debris removal contractor’s (DRC) progress and suggest and assist with implementing recommendations to improve efficiency.

The contractor and personnel shall stay current with FEMA and FHWA policies and procedures and promptly notify the County’s debris manager or designee as changes occur.
