Hi Hidalgo County Community Services Agency Team,

We are thrilled to announce that NRG is providing a contribution of **\$5000.00** to **Hidalgo County Community Services Agency** in support of the 2026 NRG CARE Program! This funding is dedicated to helping NRG customers with their electricity bills across our family of affiliates: Reliant, Direct Energy, Green Mountain Energy, Discount Power, Cirro, Stream, and Xoom Energy.

We are excited to distribute 2026 CARE Program funding to support your organization and the customers you serve. We hope this contribution makes a meaningful impact and helps further the important work you do in the community.

Once the funds have been deposited into your account or the check has been received, please record this contribution in the CARE Program disbursement report in cell E12 on the tab for the month the funds were received. If you do not receive the funds within the next 15 days, please reach out to us at nrgcareprogram@nrg.com so we can promptly address any payment delays.

We are genuinely proud to support your organization and deeply value our partnership. Together, we are making a real difference for our customers, and we look forward to continuing this important work throughout the year.

Sincerely,
Naomi
