Hello Ms. Mustaffa,

Thank you for the opportunity to apply for the HOME-ARP Hidalgo County Urban County Program funding.

After careful consideration of the proposed award amount, The Salvation Army McAllen/Hidalgo County has decided not to move forward with this funding opportunity. In order to meet the outputs and outcomes outlined in our proposal, we would need to significantly adjust the structure of the program we initially designed. At this time, we do not believe that such changes would be feasible or allow us to deliver services at the level of impact we hoped to provide to our community.

We are very appreciative of the strong partnership we have with the Hidalgo County Urban County Program through our ESG funding, and we value the continued collaboration and support you provide to our programs and the community we serve.

We appreciate the opportunity to apply and hope there may be future funding opportunities that better align with our program and capacity. We would welcome the opportunity to apply again.

Thank you again for your consideration. Please feel free to reach out to me if you have any questions.

Thank you,

HEATHER CHAVEZ
