

THE STATE OF TEXAS §
 §
COUNTY OF HIDALGO §

PROFESSIONAL SERVICES AGREEMENT

THIS AGREEMENT is made effective the 4th day of August 2026 by and between HIDALGO COUNTY, TEXAS, acting by and thru Urban County Program (“County”) and Millennium Engineering Group, a Texas Corporation (“Engineer”).

WITNESSETH:

WHEREAS, the County is vested with the responsibility of providing “**CONSTRUCTION MATERIALS TESTING SERVICES**” for projects with **HIDALGO COUNTY URBAN COUNTY PROGRAM**

WHEREAS, the County has determined that the services of a professional engineering company is necessary to carry out the required Services;

WHEREAS, pursuant to Texas Government Code Chapter 2254.002, (the “Texas Professional Services Procurement Act”), the County requested Statements of Qualifications (SOQ’s) from a professional engineering to assist the County by providing the Services; and

WHEREAS, Urban County Program has selected the “Engineer” from the “Pool” of pre-qualified Engineering from response to the Request for Qualifications (RFQ) to provide the Services for the City of Hidalgo Flood Drainage Improvements Project.

NOW THEREFORE, in consideration of the mutual covenants and agreements herein contained, County and Engineer do mutually agree as follows:

1. Scope of Services. The County will provide to Engineer the services described in **Exhibit “A”** attached hereto and entitled “**Services to be performed by County.**” Engineer agrees to provide to County with the work described in **Exhibit “B”, “Services to be performed by the Engineer”.**

2. Non-Exclusive Services of Engineer. Hidalgo County reserves the right to request these services from other sources other than the Engineer and shall not be in violation of any terms or conditions of this Agreement.

3. Term. This Agreement is for a period of one (1) year, ~~effective- August 4th, 2026~~ and will expire August 4th, 2027 or unless sooner terminated as provided herein. The Engineer will not begin to work or incur costs until authorized in writing by the County with each “**Work Authorization**” particularly described in **Exhibit “D”**.

4. Compensation. As consideration for rendering the Services provided for in this Agreement, the County agrees to pay the Engineer the amounts specified in Exhibit “C” attached hereto payable against written invoice submitted by Engineer. The maximum amount payable under this Agreement shall not exceed the amount for each work authorization unless an amendment is executed as provided hereinafter. The Engineer shall submit periodic requests for payment within (30) thirty days after completion of each Work Authorization. The request for payment shall be made using forms acceptable to the County and shall show the total amount earned to the date of submission and the amount due and payable as of the date of the current billing. Upon receipt of said request for payment, County shall submit a requisition for payment for said Services in the customary manner provided for payments utilized by Hidalgo County, Texas. Engineer agrees to separately account for the receipt and/or expenditure of funds received pursuant to this Agreement and to keep accurate books and records of all such receipts and/or expenditures. All payments to Engineer shall be mailed to the address shown in numbered paragraph 24 herein.

5. Inspection of Work. The County has the right at all reasonable times to inspect or otherwise evaluate the work performed hereunder and the premises in which it is being performed. If any inspection or evaluation is made on the premises of the Engineer, or of a subcontractor, the Engineer shall provide and require its subcontractor to provide all reasonable facilities and assistance for the safety and convenience of the inspectors in the performance of their duties. All inspections and evaluations shall be performed in such a manner as will not unduly delay their work.

6. Amendments. If it becomes necessary at any time during this Agreement to change the scope of Services, the Agreement term, the maximum amount payable, the complexity, or the character of this Agreement, an amendment shall be executed by use of a (Supplemental Agreement Form) more particularly described in Exhibit "E" attached to this Agreement. The County retains the right to reject any such amendment proposed by the Engineer. Any such amendments shall be made in writing, agreed to by all parties hereto, and duly executed before the end of the Agreement as specified. If the County finds it necessary to require changes in completed work because of errors made by the Engineer, the County shall require the Engineer to correct the work at no cost to the County and without amendment to the Agreement. If the changes are made at the request of the County and are not due to errors of the Engineer, the County will reimburse the Engineer for the additional work at the same rate of pay established in Exhibit "C," "Engineering Rates." If payment for the additional work will cause the maximum amount payable under this Agreement to be exhausted, an amendment shall be proposed in accordance with all State procurement laws.

7. Reporting. The Engineer shall promptly advise the County in writing of events which have a significant impact upon the Agreement, including:

- a. Problems, delays, or adverse conditions which will materially affect the ability to meet time schedules and goals, or preclude the attainment of project work units by established time periods. This disclosure shall be accompanied by a statement of the action taken, or contemplated and any County or, if Federal Funds are involved, Federal assistance needed to resolve the situation.
- b. Favorable developments or events which enable meeting time schedules and goals to be met sooner than anticipated or which are producing more work units than originally projected.

8. Ownership of Documents. Upon completion or termination of this Agreement, all documents prepared by the Engineer or furnished to the Engineer by the County shall be delivered to and become the property of the County. All sketches, photographs, calculations, and other data prepared

under this Agreement shall be made available, upon request, to the County without restriction or limitation on their further use. The Engineer may, at its own expense, have copies made of the documents or any other data furnished to the County under this Agreement.

9. Suspension of Work. Should County desire to suspend the work under this Agreement, but not terminate this Agreement, the County shall provide thirty (30) calendar days verbal notification to Engineer, followed by written confirmation from the County to Engineer to that effect. The thirty-day notice may be waived as agreed in writing by both the County and Engineer to that effect. The work under this Agreement may be reinstated and resumed in full force and effect within sixty (60) days of receipt of written notice from the County to the Engineer. The sixty-day notice may be waived as agreed in writing by both the County and Engineer. If the County suspends the work, the Termination Date as identified above is not affected and this Agreement will terminate on the date specified.

10. Progress and Coordination. The Engineer shall, from time to time during the progress of the work, confer with the County. The Engineer shall prepare and present such information as may be pertinent and necessary, or as may be requested by the County, in order to evaluate features of the Engineer's services and work.

At the request of the County or the Engineer, conferences shall be provided at the Engineer's office, the offices of the County, or at other locations designated by the County. These conferences shall also include evaluation of the Engineer's services and work when requested by the County.

All applicable study reports shall be submitted in preliminary form for approval by the County before the final report is issued. The County's comments regarding the Engineer's preliminary report will be addressed by the Engineer in the final report.

If funds by other agencies or entities are to be used for the development of the project under this Agreement, the Engineer's Services and work will be subject to periodic review and approval by other agencies or entities, including those of the city, county, state and/or federal agencies.

Should it be determined that the progress in the production of the Engineer's Services and work does not satisfy the requirements of the approved Work Authorization as provided by Exhibit "D",

attached hereto, the County shall review the approved Work Authorization with the Engineer to determine the corrective action needed by either the County or the Engineer.

The Engineer shall promptly advise the County in writing of events which have a significant impact upon the progress of the Engineer's Services and work and the approved Work Schedule, including:

- a. problems, delays, adverse conditions which will materially affect the ability to attain Agreement objectives, prevent the meeting of time schedules and goals, or preclude the timely completion and submittal of Project deliverables by the Engineer within established time periods; this disclosure will be accompanied by a statement by the Engineer of recommended or immediate action taken, or contemplated, and any County or other agency or entity assistance needed to resolve the situation; and
- b. favorable developments or events which enable meeting the Work Schedule goals sooner than anticipated.

11. Independent Contractor. Engineer must comply with all applicable Hidalgo County policies and with any applicable federal, state or local laws, regulations, orders or ordinances applicable to the Services provided by Engineer under this Agreement. Notwithstanding the foregoing sentence, Engineer represents and maintains that it is an Independent Contractor and is not an employee of Hidalgo County, Texas or any agency thereof, and represents and warrants that it does not desire or request any fringe benefits provided to employees of Hidalgo County, Texas, and/or any agency thereof, including, but not limited to benefits associated with Hidalgo County's civil service program. Engineer agrees to be responsible for any federal income tax, withholding or social security tax liability that might arise from payments received hereunder.

12. Subcontracting and Assignment. The Engineer shall not assign subconsultant or transfer the Engineer's interest in this Agreement without the prior written consent of the County. The Engineer shall bind every subconsultant by written agreement to observe all the terms of this Agreement

to the extent that they may be applicable to each subconsultant. No subcontractor relieves the Engineer of any responsibilities under this Agreement.

13. Voluntary Termination. County may terminate this Agreement at any time for any reason or no reason at all upon giving thirty (30) days prior written notice to the Engineer.

14. Insurance. Engineer agrees to provide liability insurance covering its activities in providing the Services for County in an amount not less than the minimum amounts prescribed by the Texas Tort Claims Act, §100.001, et seq., Texas Civil Practices and Remedies Code, and shall furnish County a certificate issued by the insurer that such insurance is in full force and effect.

15. Payment of Franchise Tax. The Engineer hereby certifies that the Engineer is not delinquent in Texas franchise tax payments, or that the Engineer is exempt from, or not subject to, such tax. A false statement concerning corporation's franchise tax status shall constitute grounds for termination of the Agreement at the sole option of the County.

16. No Assignment. Except as otherwise herein provided, Engineer may not assign the obligations or rights under this Agreement to any person without the prior written consent of County.

17. Conflict. Nothing in this Agreement shall be construed so as to require the commission of any act contrary to law, and whenever there is any conflict between any provision of this Agreement and any present or future law, ordinance or administrative, executive or judicial regulation, order or decree, or amendment thereof, contrary to which the parties have no legal right to Agreement, the latter shall prevail, but in such event the affected provision or provisions of this Agreement shall be modified only to the extent necessary to bring them the legal requirements and only during the time such conflict exists.

18. Termination by County. If Engineer fails to deliver quality Services, fails to achieve the defined goals, outcomes, strategies and outputs required by County, or if Engineer fails to comply with any conditions in this Agreement, then County shall have the right to terminate this Agreement upon the giving of ten (10) days prior written notice to Engineer.

19. **No Waiver.** No waiver by County of any breach of any provision of this Agreement shall be deemed to be a waiver of any preceding or succeeding breach of the same or any other provision hereof.

20. **Entire Agreement.** This Agreement contains the entire agreement between the parties hereto, and each party acknowledges that neither has made (either directly or through any agent or representative) any representations or agreements in connection with this Agreement not specifically set forth herein. This Agreement may be modified or amended only by agreement in writing executed by County and Engineer, and not otherwise.

21. **VENUE.** THIS AGREEMENT SHALL BE CONSTRUED UNDER AND IN ACCORDANCE WITH THE LAWS OF THE STATE OF TEXAS, AND ALL OBLIGATIONS OF THE PARTIES CREATED HEREUNDER ARE PERFORMABLE IN HIDALGO COUNTY, TEXAS. THE PARTIES HEREBY CONSENT TO PERSONAL JURISDICTION IN HIDALGO COUNTY, TEXAS.

22. **Indemnification:** Engineer shall indemnify and hold harmless County it's elected officials, employees and agents from any and all claims, damages, loses and expenses including attorney's fees for the defense of any action against County arising out of, resulting from, or connected with the provision of the Services by Engineer under this Contract. Said indemnity shall cover any intentional negligent act or failure to act by the Engineer, its agents or employees. This indemnification clause shall survive this Agreement and be enforceable as a separate agreement in the event it's survival and enforcement becomes necessary. **Attorney's Fees.** In the unlikely event that a dispute occurs which is litigated, or a cause of action in law or equity is filed concerning the operation, construction, interpretation, or enforcement of this Agreement, the losing party shall bear the cost of the attorney's fees incurred by the prevailing party and any and all costs applicable thereto, including, but not limited to, court costs, deposition fees, expert witness fees, out-of-pocket expenses and travel expenses which are incurred by the prevailing party.

23. Notices. Except as may be otherwise specifically provided in this Agreement, all notices, demands, requests or communications required or permitted hereunder shall be in writing and shall either be (i) personally delivered against a written receipt, or (ii) sent by a registered or certified mail, return receipt requested, postage prepaid and addressed to the parties at the addresses set forth below, or at such other addresses as may have been theretofore specified by written notice delivered in accordance herewith:

If to County: **HIDALGO COUNTY URBAN COUNTY PROGRAM**
1916 Tesoro Street,
Pharr, Texas 78577

If to Engineer: **Millennium Engineers Group, Inc.**
5804 N. Gumwood
Pharr, Tx 78557

Each notice, demand, request or communication which shall be delivered or mailed in the manner described above shall be deemed sufficiently given for all purposes at such time as it is personally delivered to the addresses or, if mailed at such time as it is deposited in the United States mail.

24. Executions of Documents. The parties hereto covenant and agree that they will execute such other and further instruments and documents as are or may become necessary or convenient to effectuate and carry out the terms of this Agreement.

25. Binding Agreement. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective heirs, executors, administrators, legal representatives, successors, and assigns where permitted by this Agreement.

26. Gender. All pronouns used in this Agreement shall include the other gender, whether used in the masculine, feminine or neutral gender, and the singular shall include the plural whenever and as often as may be appropriate.

27. Authority. The execution and performance of this Agreement by County and Engineer have been duly authorized by all necessary laws, resolutions or corporate action, and this Agreement constitutes the valid and enforceable obligations of County and Engineer in accordance with its terms.

28. Professional Seal. All documents and data furnished by the Engineer to the County shall bear Professional seal of a licensed Engineer employed by the Engineer.

29. Commitment of Current Revenues Only. In the event that, during any term hereof, the Commissioners Court does not appropriate sufficient funds to meet the obligations of County under this Agreement, County may terminate this Agreement upon ninety (90) days written notice to the Engineer. County agrees, however, to use reasonable efforts to secure funds necessary for the continued performance of this Agreement. The parties intend this provision to be a continuing right to terminate this Agreement at the expiration of each budget period of County pursuant to the provisions of Tex. Loc. Govt. Code Ann. ' 271.903 (Vernon Supp. 1996).

30. Immunities. Nothing in this Agreement is intended to and County does not hereby waive, release or relinquish any right to assert any of the defenses County enjoys by virtue of the state or federal constitution, laws, rules or regulations, and any sovereign, official or qualified immunity available to County as to any claim or action of any person, entity, or individual against County.

31. Nondiscrimination: Engineer, including subcontractors, assignees and successors in interest, ensures that no person shall on the grounds of race, religion, color, national origin, sex, age, or disability, or any other protected class under law, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination or retaliation in any federally or non-federally funded program or activity when providing any services described herein under this Contract. Applicable nondiscrimination statements and provisions of Title VI of the Civil Rights Act of 1964, as amended were provided as part of the initial procurement package and are incorporated herein and made part of this agreement for all purposes.

32. Additional Documents: The parties hereto covenant and agree that there will execute each such other and further instruments and documents are or may become necessary or convenient to effectuate and carry out the terms of this Agreement.

33. Required Contract Provisions for Contracts Subject to Federal Award (if applicable):
Pursuant to 2 CFR 200.236, a non-federal entity's contracts must contain the applicable provisions
Professional Engineering Contract-Material Testing Services Approved 2024 –Asst. DA
2025 Sullivan City Street Improvements

described in Appendix II to 2 CFR 200- Contract Provisions for non-Federal Entity Contract under Federal Awards. Additionally, County contracts under Federal award which are subject to assistance from the Federal Emergency Management Agency (FEMA) are also required to contain additional contract clauses. The applicable required contract clauses were provided as part of the initial procurement package and are incorporated herein and made part of this agreement for all purposes.

34. In case any one or more of the provisions contained in this Agreement shall for any reason be held to be invalid, illegal or unenforceable in any respect, such invalidity illegality, or unenforceability shall not affect any other provision thereof, and this Agreement shall be construed as if such invalid, illegal, or unenforceable provision had never been contained herein.

Exhibit "A"

Scope of Services to be Provided by the "Owner"

The following provides an outline of the services to be provided by the Owner in the development (as defined and more particularly identified on Exhibit "A" attached to this Agreement).

General:

The Owner shall provide the following services and support to the Material Testing Firm:

- 1) Provide the authorization to proceed with material testing services through coordination with the Project Consultant, Engineer, and/or Construction Contractor.
- 2) Payment for services performed by the Material Testing Firm and accepted by the Owner in accordance with Article 3 of this Agreement.
- 3) Assist the Material Testing Firm, as necessary, in obtaining required project information, documentation, schedules, and coordination with local, regional, State, and Federal agencies or other entities when such information is not readily available.
- 4) Provide any available relevant data the Owner may have on file that may assist the Material Testing Firm in performing the required services.
- 5) Provide timely review, responses, and decisions regarding requests for information, testing requirements, reports, and other submitted documentation to allow the Material Testing Firm to maintain the agreed-upon project schedule established in accordance with Exhibit "A" attached to this Agreement.
- 6) Attend and participate in progress meetings as required and as coordinated and conducted by Material Testing Firm.
- 7) Provide authorization to proceed with material testing services on a project-by-project basis through coordination with the Project Consultant, Engineer, and/or Construction Contractor.

Construction Materials Testing Services
MEG Proposal No.: 01-26-202MR
July 7, 2026

PROJECT INFORMATION

We understand that the proposed plans are to construct the City of Sullivan – Chayo Street and Paisano Street located in Hidalgo County, Texas. **Our understanding is that our services will be needed for subgrade, flexible base and asphaltic pavement inspection.** Our involvement in the project is anticipated to include providing field and/or laboratory construction materials observation and testing during the duration of the project.

SCOPE OF SERVICES

MEG will provide materials observation and testing services that are in general accordance with the project plans and specifications. The quantity of services required for construction materials testing during the construction phase of the project will be affected by the general contractors scheduling, sequencing, progress, and performance. Therefore, our fee for construction material testing services will be based upon the provided unit and hourly rates. MEG's anticipated scope of services is as follows:

- ☒ Laboratory evaluation of Soils
- ☒ Field density and moisture evaluation of Soils
- ☐ Field observations and testing of Concrete
- ☐ Field observations of Reinforcing Steel
- ☐ Field observation of Steel Construction including Bolting, Welding, and Metal Decking
- ☒ Field observation and laboratory evaluation of Concrete and Asphaltic Pavement used during Pavement Construction

Experienced inspectors and laboratory personnel will be provided for construction material testing services. All services will be performed under the direction of a Registered Professional Engineer in the State of Texas. Field testing and laboratory reports will be processed on an on-call basis by personnel that have been authorized to schedule testing and observation by our CLIENT. All service reports will be transmitted electronically to the project distribution list as directed by our CLIENT on the Project Information Sheet. An original copy of the report will be sent on a monthly basis along with the project invoice.

PROJECT ESTIMATE

The fees presented in this proposal and outlined in the Unit Rate Sheet section are based on prompt payment for services. Late fees will be charged if payment is not received in accordance with the terms as outlined in the Provisions section of this proposal. The estimated fee for providing the above services on the project is as follows:

The following assumptions were used in preparing the proposal:

- MEG's proposal is dependent on the duration of construction days and additional compensation may be required if the construction sequence is slower or faster than typical construction.
- MEG's proposal is dependent on the construction sequence that is used by the General Contractor. Estimated quantities herein are based on the most efficient scheduling the General Contractor can use to combine our services when applicable. Standby time, weather, and cancellations have not been factored into the proposal.
- The Contractors on the site will work a single shift, on a 5 days per week schedule.
- Construction Material Testing Services will be scheduled with 24 hours notice.
- Services provided outside of regular business hours as outlined in the Provisions section of this proposal, or services provided on Saturday, Sunday, or Holidays will be invoiced at 1.5 times the applicable unit rate.
- Minimum three (3) hour charge for engineering technician per trip, Minimum three (3) density tests per trip.
- Upon request for services by owner, representative of owner, and/or construction team, MEG will assume that our proposal is authorized and will proceed with services, to not delay project. If these terms are not agreeable, please provide MEG written documentation prior to the request for services.
- When invoices need to be delivered to a third party for review, the client shall notify MEG of this request, prior to the request for services. If this is not disclosed before the request for services, MEG shall charge administrative time to prepare, send, and deliver to the third party.
- Unless otherwise notified, MEG assumes that the owner will be responsible for all of the project's invoices. If retests and/or cancellations are to be billed to another party, the owner shall notify MEG before the request for services. An administrative fee will incur with the separation of invoices.
- Invoices are due and payable on receipt. Interest at the rate of 1½% per month will be charged on all past-due amounts, unless not permitted by law.

EXHIBIT C
-Engineer Contract Rates

ENGINEER'S CONTRACT FEE SCHEDULE

For the services to be provided by the ENGINEER the charge will be on the basis of the units and unit fee rates established in this schedule of tests, staff personnel services and additional services. The overtime premium, required by the Fair Labor Standards Act for nonexempt classifications, will be charged for overtime hours worked because of the County's requirements and its authorization. However, except for the overtime premium, the maximum charges shall not exceed the rates shown in this schedule.

Blanket Additional Insured Endorsement

This endorsement modifies insurance provided by the Commercial Auto Policy, Motor Truck Cargo Legal Liability Coverage Endorsement, and/or Commercial General Liability Coverage Endorsement, as appears on the **declarations page**. All terms and conditions of the policy apply unless modified by this endorsement.

If **you** pay the fee for this Blanket Additional Insured Endorsement, **we** agree with **you** that any person or organization with whom **you** have executed a written agreement prior to any loss is added as an additional **insured** with respect to such liability coverage as is afforded by the policy, but this insurance applies to such additional **insured** only as a person or organization liable for **your** operations and then only to the extent of that liability. This endorsement does not apply to acts, omissions, products, work, or operations of the additional **insured**.

Regardless of the provisions of paragraph a. and b. of the "Other Insurance" clause of this policy, if the person or organization with whom **you** have executed a written agreement has other insurance under which it is the first named **insured** and that insurance also applies, then this insurance is primary to and non-contributory with that other insurance when the written contract or agreement between **you** and that person or organization, signed and executed by **you** before the **bodily injury or property damage** occurs and in effect during the policy period, requires this insurance to be primary and non-contributory.

In no way does this endorsement waive the "Other Insurance" clause of the policy, nor make this policy primary to third parties hired by the **insured** to perform work for the **insured** or on the **insured's** behalf.

ALL OTHER TERMS, LIMITS, AND PROVISIONS OF THE POLICY REMAIN UNCHANGED.

Policy 988447429

Form 2367 (06/10)M_CL

Blanket Waiver of Subrogation Endorsement

This endorsement modifies insurance provided by the Commercial Auto Policy, Motor Truck Cargo Legal Liability Coverage Endorsement, and/or Commercial General Liability Coverage Endorsement, as appears on the **declarations page**. All terms and conditions of the policy apply unless modified by this endorsement.

If **you** pay the fee for this Blanket Waiver of Subrogation Endorsement, **we** agree to waive any and all subrogation claims against any person or organization with whom a written waiver agreement has been executed by the named insured, as required by written contract, prior to the occurrence of any **loss**.

ALL OTHER TERMS, LIMITS AND PROVISIONS OF THE POLICY REMAIN UNCHANGED.
