Parcel 131 is a partial acquisition containing 0.564 of an acre (24,564 square feet) parcel of land situated in Hidalgo County, Texas and also being a part or portion of 20.00 acre tract of land out of farm Tract 233, WEST and Adams Tract Subdivision ,according to the plat or map thereof recoded in Volume 2, Pages 34-37, of the Map Records of Hidalgo County (M.R.H.C.). On September 30, 2025, Acquisition Provider (L&G) mailed an offer of \$18,612.00 to purchase the property to BARLIN, LTD a Texas Limited Partnership . L & G ROW Agent Rolando Gonzalez and Adrain Cantu went and visited the property owner on site on July 8, 2026, to discuss the offer and answer any questions he might have. On July 10, 2026, the property owner submitted a counter offer in the amount of \$25,000.00. In the counter offer Mr. Dickerson stated that land value has increased rapidly and their property is located in a prime area. Based on the information provided within the the counter offer and discussion by the acquisition team it is recommended that the Administrative Settlement be approved. The difference between the approved value versus the property owner's counter offer is a difference of (\$6,388.00) does not warrant the risk and added expenses associated with standard eminent domain proceedings. Accepting said counter offer will help avoid project time delays, and associated condemnation proceedings, thus resulting in a cost saving to the county.

This administrative settlement of \$ 25,000.00 ☒ is / ☐ is not recommended for approval as being reasonable, justified, prudent and in the public interest.

The whole property is located on the west side of Mile 6 West Road, between Mile 12 North Road and Stuart Road Weslaco, ETJ, Texas. The whole tract is vacant land.

The appraiser has selected three (3) vacant sales to value the whole property at \$30,000 per acre. The part taken is properly valued as a pro-rata part of the whole value. There are no market damage to the remainder land.

Mr. Herrera,

We have received your proposal offer of \$18,612. For our property. As managing partner of Barlin LTD, I do not accept this proposal.

Our property values are increasing rapidly and we are in a prime area for development. We have subdivision developments growing all around us with increasing comparables of land sales.

We would be willing to accept \$25,000. We feel that this would be a fair compensation for the acquisition of our land.

Dear Sirs/Madam,

In acquiring property for the highway system of Hidalgo County (the "County") follows a definite procedure for appraising the land needed and for handling personal negotiations with each owner. As has been or will be explained by the County's negotiator, Fernando Herrera Right of way Manager, a portion of your property located on Mile 6 West, as described in the enclosed property description, is to be acquired for the construction or improvement of the above-referenced highway project.

We believe at this stage of the purchase process it is mutually beneficial to confirm that, based on an appraisal, the County is authorized to offer you **\$18,612.00** for your property, which includes **\$18,612.00** for the property to be purchased and **\$0.00** for damages to your remaining property. This amount is the total amount of just compensation for all interests in the portion of your property to be acquired, as determined in accordance with State law, less oil, gas and sulphur, subject to clear title being conveyed to the County. In accordance with State law, it is the policy of the County to negotiate with the fee owner(s) of the real property with the understanding that you will, in turn, negotiate with any lessee or other party who may own any interest in the land or improvements, with the exception of public utility easements, which will be handled separately by the County.

This offer to purchase includes the contributory values of the improvement(s) listed below, which are considered to be part of the real property. Since the improvement(s) must be removed, it is the policy of the County to permit owners who convey voluntarily to the County to thereafter retain the improvement(s), if they wish to do so. The retention values shown below are the estimated amounts the improvement(s) would bring if sold on public bids. If you wish to retain title to any of the following improvement(s) and remove it (them) from the right of way, the amount of the above offer must be reduced by the appropriate retention amount(s). This option to retain the improvement(s) does NOT apply should it become necessary for the County to acquire the real property by eminent domain.

<u>Improvement</u>	<u>Type</u>	<u>Amount to be Subtracted if Retained</u>
N/A		

If you wish to accept the offer based upon this appraisal, please contact Project Manager Robert "Bob" Garcia or Fernando Herrera Right of Way Manager, as soon as possible at (956) 585-1909, so that the process of issuing your payment may be started. If you are not willing to accept this offer, you may submit a written request for administrative settlement/counteroffer, setting forth a counteroffer amount and the basis for such amount, provided such settlement request is received in writing within 30 days from the date of this letter. Please note that your opportunity to submit an administrative settlement shall be forfeited if such a settlement request is not received by the County within the 30 day time deadline. In the event the condition of the property changes for any reason, the County shall have the right to withdraw or modify this offer.

After the date of payment of the purchase price, or the date of deposit in court of funds to satisfy the award of compensation as determined through eminent domain proceedings to acquire real property, you will be reimbursed for any fair and reasonable incidental expenses necessarily incurred in transferring title to the property for use by Hidalgo County. Expenses eligible for reimbursement may include (1) recording fees, transfer taxes and similar expenses incidental to conveying the real property to the County and (2) penalty costs for prepayment of any preexisting recorded mortgage entered into in good faith encumbering

the real property. Voluntary unnecessary expenses or expenses incurred in clearing questionable title will not be eligible for reimbursement. Eligible incidental expenses will be reimbursed upon submission of a claim supported by receipted bills or other evidence of actual expenses incurred. You may file a written request for review if you believe that the County failed to properly determine the eligibility for, or the amount of, incidental expenses to be reimbursed. There is no standard form on which to request a review of a claim; however, the claim must be filed with this office within six months after you are notified of the County's determination on any claim for reimbursement.

You may be entitled to additional payments and services under the County's Relocation Assistance Program. It is emphasized, however, that any benefits to which you may be entitled under this program will be handled entirely separate from and in addition to this transaction. You will receive a brochure entitled "*Relocation Assistance*" which will inform you of eligibility requirements, payments and services which are available.

You have the right to discuss with others any offer or agreement regarding the County's acquisition of the subject property, or you may (but are not required to) keep the offer or agreement confidential from others, subject to the provisions of Chapter 552, Government Code (the Public Records Act) as it may apply.

Attached is a copy of the Texas Department of Transportation brochure entitled "*Right of Way Purchase*" which we trust will give you a better understanding of the procedures followed by the County in purchasing property. We respectfully request the opportunity to meet with you or to otherwise discuss and answer any questions you may have regarding the details of the type of facility to be built, or concerning the County's offer or proposed purchase transaction. Also, please do not hesitate to contact Project Manager Robert "Bob" Garcia or Fernando Herrera Right of Way Manager at the telephone number provided above regarding any question you may have.

Please see the enclosed copy of the Texas Landowner Bill of Rights.

Finally, we enclose copies of all appraisal reports relating to your property being acquired which were prepared in the ten (10) years preceding the date of this offer and produced or acquired by the County, including the appraisal on which this offer is based.

Sincerely,

Right of Way Manager or other signatory
