

NIHHIS

Heat Tabletop Exercise Design Challenge

Heat tabletop exercises (TTXs) have helped communities across the United States prepare for extreme heat and build heat resilience. Develop and submit plans to host a TTX in your community! Winners will receive a cash prize to fund the exercise.

Visit [Heat.gov](https://heat.gov) for more information.

Up to 40 communities will win a \$25,000 prize

Important Details

- **Application Deadline:** August 12, 2026 at 11:59 p.m. ET
- **Information Session:** June 30 from 3:30-5:00 p.m. ET
- **Contact:** nihhis@noaa.gov
