Honorable Everardo "Ever" Villarreal

Commissioner, Precinct 3
724 N. Breyfogle
P.O. Box 607
Mission, TX 78574

Dear Commissioner Villarreal,

I hope this letter finds you well.

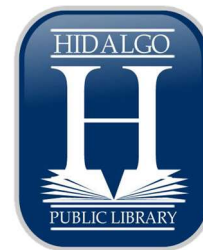

On behalf of the Hidalgo Public Library, I would like to respectfully request your consideration for the donation of a pickup truck or SUV, should one become available through Precinct 3 or any surplus vehicle program.

The Hidalgo Public Library provides a wide variety of educational programs, literacy initiatives, outreach activities, and community events throughout the year. As our programs continue to grow, so do our transportation needs.

At this time, the library's only vehicle is a four-door Ford Taurus, which serves us well for routine travel and administrative errands. However, it is often not suitable for transporting the large amount of equipment and materials required for many of our events. We frequently need to move tables, chairs, tents, educational supplies, books, decorations, food, giveaway items, donations, and other equipment to and from schools, parks, community centers, and special events. Transporting these items in a passenger vehicle is challenging and limits our ability to efficiently serve the community.

"Hidalgo Public Library is committed to delivering excellent customer service, that is our #1 goal."

A pickup truck or SUV would significantly improve our operations by allowing staff to safely and efficiently transport the materials necessary to host successful programs and outreach events. It would also enhance our ability to respond to community needs, accept and deliver donations, and expand the library's services beyond our building.

We understand that this is a considerable request, and we sincerely appreciate your thoughtful consideration. If Precinct 3 has a pickup truck or SUV that is no longer needed or becomes available for donation, it would make a lasting difference in our ability to continue providing quality services to the residents of our community.

Thank you for your continued leadership and commitment to serving the families of Hidalgo County. We are grateful for your time and consideration and would welcome the opportunity to discuss this request further.

Respectfully,

Juan Viveros
