Except as provided in the preceding sentence, it is a condition of this order that any provisions printed or otherwise contained in any acknowledgment hereof, inconsistent with or in addition to the terms and conditions herein stated, and any alteration in this purchase order, shall have no force or effect, and that Seller by such acknowledgment thereby agrees that any such provisions therein or any such alterations in this order shall not constitute any part of this contract of purchase and sale. Except where this order is made pursuant to a competitive bid awarded under the County Purchasing Act, this contract contains the entire agreement of the parties, and failure of either party to enforce any of its rights hereunder shall not constitute a waiver of such rights or of any other rights hereunder, where this order is made pursuant to a competitive bid awarded under the County Purchasing Act, the specifications, bid, and this contract contain the entire agreement of the parties, and failure of either party to enforce any of its rights hereunder shall not constitute a waiver of such rights or of any other rights hereunder, and the specifications and bid are incorporated herein by reference to the same extent as if fully set forth herein.
2. **Inspection, warranty.** Goods delivered (whether paid for or not) are subject to inspection, testing, and approval by Buyer before acceptance. Seller expressly warrants that all articles, materials, and work will conform to the applicable drawings, specifications, samples, or other descriptions given in all respects, and that the goods delivered hereunder will be of good quality, material, and workmanship, merchantable and free from defects. This warranty shall survive any inspection, delivery, acceptance, or payment by Buyer of the goods or services.
3. **Nonconforming goods.** All goods not fully up to standard and not in compliance with the specifications hereof, or shipped contrary to instructions, or in excess of the quantities herein provided, or substituted for goods described, or not shipped in containers conforming to Buyer's specifications (or, in the absence of such specifications, in recognized standard containers), or allegedly violating any statute, ordinance, or administrative order, rule, or regulation, may be rejected by Buyer and returned or held at Seller's expense and risk. Buyer may charge to Seller all expense of inspecting, unpacking, examining, repacking, storing, and reshipping any goods rejected as aforesaid. The remedies hereinabove afforded to Buyer shall not be exclusive, but Buyer may hold Seller liable for any and all damages arising from any breach or default hereinabove set forth.
4. **Product warranty.** Seller shall not limit or exclude any implied or expressed warranties and any attempt to do so shall render this contract void ab initio at the option of the Buyer. Seller warrants that the goods furnished will conform to the specifications, drawings, and descriptions listed in the bid invitation, or request for quotes, and to the sample(s) furnished by Seller, if any. In the event of a conflict between the specifications, drawings, and descriptions, the specifications shall govern.
5. **Safety warranty.** Seller warrants that the product sold to Buyer shall conform to the standards promulgated by the U.S. Department of Labor under the Occupational Safety and Health Act of 1970 (OSHA). In the event the product does not conform to OSHA standards, Buyer may return the product for correction or replacement at the Seller's expense. In the event Seller fails to make the appropriate correction within a reasonable time, the correction made by Buyer will be at Seller's expense.
6. **Price warranty.** The price to be paid by Buyer shall be that contained in Seller's bid or quote, and is not subject to increase. No additional amounts shall be chargeable to Buyer because of taxes or excises in accordance with State law regarding sales taxes and excise taxes or any other tax, presently or hereafter levied on Seller. If Seller's quoted prices for the goods covered by this order are reduced (whether in the form of a price reduction, close-out, rebate, allowances, or additional discounts offered to anyone) at the time of any shipment, Seller agrees that the price to Buyer for such goods will be reduced accordingly, and that Buyer will be billed at such reduced prices. If price includes taxes or excises, and if such taxes or excises or any part thereof are hereafter refunded to Seller, Seller shall immediately pay Buyer the amount of such refund. Seller warrants that the prices herein are not higher than prices being charged to other organizations and public entities purchasing identical goods in smaller quantities at this particular time and do not discriminate against purchaser. The Seller warrants that no person or selling agency has been employed or retained to solicit or secure this contract upon an agreement or understanding for commission, kickback, bribe, percentage, brokerage, or contingent fee excepting bona fide employees of bona fide established commercial or selling agencies maintained by the Seller for the purpose of securing business. For breach or violation of this warranty, the Buyer shall have the right in addition to any other right or rights to cancel this contract without liability and to deduct from the contract price, or otherwise recover the full amount of such commission, kickback, bribe, percentage, brokerage or contingent fee.

21. **Delegation, assignment.** Seller shall not delegate or assign any duties or claims under this order without Buyer's prior written consent. Any such delegation or assignment attempted without Buyer's previous written consent shall effect, at Buyer's option, a cancellation of all of Buyer's obligation hereunder. All claims for moneys due to or to become due from Buyer shall be subject to deduction by Buyer, for any setoff or counterclaim arising out of this or any other of Buyer's orders with Seller, whether such setoff or counterclaim arose before or after any such assignment by Seller.

23. **Cancellation.** Buyer reserves the right at any time and from time to time without cause, to cancel all or any part of the undelivered portion of this order by notice to Seller. In the event of such cancellation, Buyer shall not be liable to Seller for loss of anticipatory profits.
