📌 What's happening with TYL? 4m ago

Tyler Technologies (TYL) is experiencing significant developments with Nebraska adopting its AI solutions statewide and a successful launch of a new cloud licensing platform in Alabama. Despite these advances, CEO stock sales and mixed quarterly results raise some investor concerns. [View more >](#)

- 📌 How has TYL's 34.1% one-year drop compared with the recent bounce?
- 📌 What were CEO H. Lynn Jr. Moore's recent TYL insider transactions?
- 📌 What did TYL management say about 100 bps margin expansion?
- 📌 How did TYL's 6.3% jump line up with Nebraska and Alabama wins?
- 📌 How are analysts viewin Q2 beat and 2026 guida

▼ Tyler Technologies, Inc. Overview - Software - Application / Technology

Tyler Technologies, Inc. provides integrated software and technology management solutions for the public sector in the United States. It operates in two segments, Enterprise Software and Platform Technologies. The company designs, develops, markets, and supports a range of software solutions to serve mission-critical back-office functions. It also offers platform and transformative technology solutions, such as cybersecurity, data and insights, digital solutions, payments, platform technologies, and outdoor recreation; public administration solutions, including civic services, ERP, property and

rding, and regulatory and corrections, courts and justice, and public safety solutions. In addition, the company provides school ERP and student transportation K-12 education solutions; and health a...
