Dealer Deputies
09/19/2025

(a) A county tax assessor-collector, with the approval of the commissioners court of the county, may deputize a motor vehicle dealer to act as a dealer deputy to provide motor vehicle titling and registration services in the same manner and with the same authority as though done in the office of the county tax assessor-collector, except as limited by this section.

(b) A dealer deputy must hold a valid general distinguishing number (GDN) under Transportation Code, Chapter 503, Subchapter B, and may act as a dealer deputy only for a type of motor vehicle for which the dealer holds a GDN. A dealer may not continue to act as a dealer deputy if the GDN is cancelled or suspended.

(c) A county tax assessor-collector may impose reasonable obligations or requirements upon a dealer deputy in addition to those set forth in this section. The county tax assessor-collector may, at the time of deputation or upon renewal of deputation, impose specified restrictions or limitations on a dealer deputy's authority to provide certain titling or registration services.

(d) Upon the transfer of ownership of motor vehicles purchased, sold or exchanged by the dealer deputy, the dealer deputy may process titling transactions in the same manner and with the same authority as though done in the office of the county tax assessor-collector. The dealer deputy may not otherwise provide titling services to the general public.

(e) Upon the transfer of ownership of a motor vehicle purchased, sold or exchanged by the dealer deputy, the dealer deputy may process initial registration transactions in the same manner and with the same authority as though done in the office of the county tax assessor-collector. (g) To be eligible to serve as a dealer deputy, a person must be trained to perform motor vehicle titling and registration services, as approved by the county tax assessor-collector, or otherwise be deemed competent by the county tax assessor-collector to perform such services.

(h) To be eligible to serve as a dealer deputy, a person must post a bond payable to the county tax assessor-collector consistent with §217.167 of this title (relating to Bonding Requirements) with the bond conditioned on the person's proper accounting and remittance of the fees the person collects.

(i) A person applying to be a dealer deputy must complete the application process as specified by the county tax assessor-collector. The application process may include satisfaction of any bonding requirements and completion of any additional required documentation or training of the deputy before the processing of any title or registration transactions may occur.

(j) If a dealer deputy offers registration renewal services to the general public, the deputy must provide the physical address at which services will be offered, the mailing address, the phone number, and the hours of service. This information may be published on the department's website and may be published by the county if the county publishes a list of deputy locations.

(l) A dealer deputy may charge or retain fees consistent with the provisions of §217.168 of this title (relating to Deputy Fee Amounts).

Deputy Fee Amounts
09/19/2025

(a) Fees. A county tax assessor-collector may authorize a deputy to charge or retain the fee amounts prescribed by this section according to the type of deputy and transaction type.

(b) Title transactions. For each motor vehicle title transaction processed:

(1) A full service deputy may charge the customer a fee of up to \$20, as determined by the full service deputy and approved by the county tax assessor-collector.

(A) The full service deputy retains the entire fee charged to the customer.

(B) If a full service deputy is authorized by a county tax assessor-collector to review and approve title transactions submitted through webDEALER, the full service deputy is required to designate the fee of up to \$20 within the department's Registration and Title System that will be assessed on webDEALER title transactions.

(2) A dealer deputy may charge the customer a fee of up to \$10, as determined by the dealer deputy and approved by the tax assessor-collector. The dealer deputy retains the entire fee charged to the customer. This section does not preclude a dealer deputy from charging a documentary fee authorized by Finance Code, §348.006.

(c) Registration and registration renewals. For each registration transaction processed:

(1) A full service deputy may:

(A) retain \$1 from the processing and handling fee established by §217.183 of this title (relating to Fee Amount); and

(B) charge a convenience fee of \$9, except as limited by §217.184 of this title (relating to Exclusions).

(2) A limited service deputy may retain \$1 from the processing and handling fee established by §217.183.

(d) Special registration permit and special registration license plate transactions under Transportation Code, §502.094 or §502.095. For each special registration permit or special registration license plate transaction processed by a full service deputy, the full service deputy may retain the portion of the processing and handling fee authorized by §217.185(b) of this title (relating to Allocation of Processing and Handling Fees).

(e) Full service deputy convenience fee. The convenience fee authorized by this section is collected by the full service deputy directly from the customer and is in addition to the processing and handling fee established by §217.183. A full service deputy may not charge any additional fee for a registration or registration renewal transaction.

(f) Related transactions by a full service deputy. The limitations of subsections (b), (c), (d), and (e) of this section do not apply to other services that a full service deputy may perform that are related to titles or registrations, but are not transactions that must be performed through the department's automated vehicle registration and title system. Services that are not transactions performed through the department's automated vehicle registration and title system include, but are not limited to, the additional fees a full service deputy may charge for copying, faxing, or transporting documents required to obtain or correct a motor vehicle title or registration. However, the additional fees that a full service deputy may charge for these other services may be limited by the terms of the county tax assessor-collector's authorization to act as deputy.

(g) Posting of fees. At each location where a full service deputy provides titling or registration services, the deputy must prominently post a list stating all fees charged for each service related to titling or registration. The fee list must specifically state each service, including the additional fee charged for that service, that is subject to subsections (b), (c), (d), or (e) of this section. The fee list must also state that each service subject to an additional fee under subsection (b), (c), (d), or (e) of this section may be obtained from the county tax assessor-collector without the additional fee. If the full service deputy maintains a website advertising or offering titling or registration services, the deputy must post the fee list described by this subsection on the website.

(h) Additional compensation. The fee amounts set forth in this section do not preclude or limit the ability of a county to provide additional compensation to a deputy out of county funds.
