Advancing Evidence-Based Strategies to Strengthen Vaccine Uptake and Confidence with High-Risk Communities

[Cover Page and Project Abstract](#) → [Project Narrative](#) → [Budget Documents](#) → Additional Documents

Additional Documents

The following required forms are available for download below. You can also find them on pages 7 and 8 of the RFA.

- [Contractor Cover Sheet](#)
- [Scope of Work](#)
- [Vendor Information Form](#)
- [Certificate of Non-Debarment](#)
- [W-9 Form](#)
- [FFATA Data Collection Form](#)

Contractor Cover Sheet

Choose File

No file chosen

Please upload the requested attachments below. The max file upload size for each attachment is 5 MB.

Note: The following documents are not required at the time of application, however, if awarded, they will be due within 30 days of accepting the award. **We highly recommend submitting the documents with your application to facilitate a swift contracting process, should you be selected. Please ensure that all documents are signed and dated within the past year, as any documents signed more than a year ago will not be accepted.** If submitting these documents after the application deadline, please email them to immunization@naccho.org.

Proof of active registration with SAM.gov in accordance with an active Unique Identity ID

A screenshot is acceptable.
