Join APA as a New Member and Save

If you've **never before been a member** of APA, or are **within one year of the lapse of your student membership**, take advantage of our introductory rate and all our association offers.

United States residents new to the American Planning Association can join APA at significant savings for up to two years. You will soon discover that APA is your essential professional organization.

ENJOY LOW-COST MEMBERSHIP DUES*

New Member Program Dues:	Year 1	Year 2
APA Dues	\$84	\$84
APA Chapter Dues (required)	\$20	\$20

ADDITIONAL SAVINGS

In addition to receiving all benefits of APA membership during the introductory period, new members can enjoy extra savings, including:

- Save on registration for the [National Planning Conference](#) and enjoy exclusive members-only early registration.
- Save on annual membership dues in the [American Institute of Certified Planners](#).
- One division included with membership.
- \$10 dues to join any additional of APA's 25 [divisions](#) — a **60 percent savings**.

You must create an account before you can join.
