Re: Request to Use Hidalgo County Parking Lot – Fandango 2026

Dear Hidalgo County Officials:

On behalf of the Museum of South Texas History, I respectfully request permission to utilize the Hidalgo County parking lot located at the corner of 12th street and Loeb in Edinburg on Saturday, October 3, 2026, in conjunction with our annual fundraising event, Fandango 2026.

Due to the anticipated attendance for this year's event, access to the Hidalgo County parking lot would provide much-needed additional parking for our guests and help ensure a safe and organized arrival and departure experience. We would be grateful for the County's consideration in allowing the museum to use the parking lot for this special evening.

The Museum of South Texas History greatly values its relationship with Hidalgo County and appreciates the County's continued support of organizations and events that enrich our community.

Thank you for your consideration and support. We look forward to the opportunity to welcome our community to Fandango 2026.

Sincerely,
