

STATE OF TEXAS §
COUNTY OF HIDALGO §

**INTERLOCAL COOPERATION AGREEMENT
BETWEEN THE MONTE ALTO INDEPENDENT SCHOOL DISTRICT AND
COUNTY OF HIDALGO, TEXAS – FOOD REGULATION INSPECTION SERVICES**

This Agreement is made effective as of this 29th day of September, 2026, by and between the **COUNTY OF HIDALGO, TEXAS** hereinafter referred to as "County," and the **MONTE ALTO INDEPENDENT SCHOOL DISTRICT**, hereinafter referred to as "District" pursuant to the provisions of the Texas Interlocal Cooperation Act, the "Act", as follows:

WITNESSETH:

WHEREAS, the County is authorized under Texas Health and Safety Code Chapter 437 and the Texas Food Establishment Rules to conduct food safety inspections and enforce applicable public health requirements;

WHEREAS, public school food service operations are exempt from County permitting requirements but remain subject to routine food safety inspections;

WHEREAS, the Hidalgo County Commissioners Court has adopted an Annual Food Safety Inspection Fee applicable to public educational institutions, which includes two (2) routine inspections annually for each participating campus together with an authorized fee for re-inspection services;

WHEREAS, the District operates food service programs that prepare, store, handle, and serve food to students, faculty, staff, and other authorized individuals;

WHEREAS, the Parties recognize that routine food safety inspections, technical assistance, employee education, and open communication contribute to safer food service operations and reduce the likelihood of foodborne illness; and

WHEREAS, the Parties desire to establish the terms and conditions under which the Regulatory Authority will provide food safety inspection services for the District's food service operations.

NOW, THEREFORE, the District and County, for and in good valuable consideration of the mutual covenants acknowledged and expressed hereinafter, agree as follows:

1. The County, acting through the Hidalgo County Health & Human Services Department, Environmental Health Division ("HCHHSD"), shall provide routine food safety inspection services for the District's participating food service operations identified in **Exhibit "A"** attached hereto and incorporated herein by reference.
2. The County shall conduct **two (2) routine food safety inspections annually** at each participating campus. Routine inspections shall be conducted by authorized Environmental Health personnel and may be performed with or without prior notice

during normal food service operations.

3. The County shall provide all personnel, inspection forms, equipment, and materials necessary to perform the inspection services described herein at its sole cost and expense, except as otherwise provided in this Agreement.
4. The County shall provide inspection reports following each routine inspection identifying observed conditions, applicable food safety violations, recommended corrective actions, and educational guidance, when appropriate.
5. If the County identifies significant or recurring violations, an imminent health hazard, or other conditions that may affect the District's compliance with applicable state or federal school nutrition program requirements, the County may provide copies of inspection reports or otherwise notify the Texas Department of Agriculture (TDA), Food and Nutrition Division, or any other agency having regulatory oversight, as authorized or required by applicable law.
6. The County may provide technical assistance and consultation to the District regarding food safety practices, employee health, sanitation, equipment, kitchen renovations, emergency food operations, and other matters related to compliance with applicable food safety laws and regulations.
7. The District shall provide County personnel reasonable access to all participating food service operations during normal operating hours and shall cooperate with inspection activities by providing access to food preparation areas, storage areas, equipment, records, and other information reasonably necessary to complete an inspection.
8. The District agrees that the County shall assess and collect the following inspection fees in accordance with the fee schedule adopted by the Hidalgo County Commissioners Court:
 - **Annual Food Safety Inspection Fee** – Two Hundred Dollars (\$200.00) per participating campus, which includes two (2) routine food safety inspections annually.
 - **Re-Inspection Fee** – One Hundred Dollars (\$100.00) for each re-inspection requested by the District to verify correction of previously identified violations.

The Parties acknowledge that inspection fees may be amended by future action of the Hidalgo County Commissioners Court. The County shall provide written notice of any approved fee changes prior to implementation.

9. Following completion of a routine inspection, the District may request that the County conduct a re-inspection to verify correction of previously identified violations. Re-inspections requested by the District shall be scheduled based upon staff availability and shall be subject to the applicable re-inspection fee.
10. Nothing contained in this Agreement shall limit the County's authority to conduct inspections or investigations authorized by applicable law, including inspections

necessary to address an imminent health hazard, investigate suspected foodborne illness, respond to complaints, or protect public health. Such inspections shall not be considered re-inspections.

11. The District acknowledges that participation in this Agreement does not create or require the issuance of a County food establishment permit. Public school food service operations remain permit exempt as provided by applicable law but continue to be subject to routine food safety inspections and applicable food safety requirements.
12. The County shall not be responsible for the day-to-day operation, management, maintenance, or supervision of the District's food service operations. The District shall remain solely responsible for maintaining continuous compliance with applicable food safety laws and regulations between inspections.
13. The County shall not be liable for damages arising from the operation of the District's food service facilities, except as provided by applicable Texas law. Nothing contained herein shall be construed as a waiver of governmental immunity or any defense available to the County under the Constitution or laws of the State of Texas.
14. The District shall designate a primary contact to coordinate inspection scheduling, receive inspection reports, and facilitate communications with the County. The County shall likewise designate an Environmental Health representative to serve as the primary point of contact for administration of this Agreement.
15. **Term.** This Interlocal Agreement shall be in full force and effect for a period of one (1) year from the effective date indicated above. The agreement will automatically renew annually under the same rates, terms, and conditions unless sooner terminated as provided herein.
16. **Termination.** Either party may terminate this Agreement upon (30) days written notice to the non-terminating party for any reason or no reason at all.
17. **Conflict with applicable Law.** Nothing in this Agreement shall be construed to require the commission of any act contrary to law, and whenever there is any conflict between any provision of this agreement and any present or future law, ordinance or administrative, executive or judicial regulation, order or decree, or amendment thereof, contrary to which the parties have no legal right to contract, the latter shall prevail, but in such event the affected provision or provisions of this Agreement shall be modified only to the extent necessary to bring them within the legal requirements and only during the time such conflict exists.
