SECTION III – SELECTION / EVALUATION / RANKING

A. SELECTION/EVALUATION/RANKING PROCESS:

The RFP shall be submitted according to the schedule below. The County of Hidalgo is not required to select the proposal with the lowest fees, but shall take into consideration other factors, including past experience, evidence of good organization background, references, ability to provide requested services, and any other factors found necessary for quality services including a presentation of the proposed system. Hidalgo County will evaluate the proposal utilizing the evaluation criteria outlined in Exhibit "B" attached herein. During the evaluation process at the discretion of Hidalgo County participants may be requested to provide a demonstration of their product/services. Thereafter, Hidalgo County Commissioners Court will rank and/or award this proposal.

Proposals will be graded on a 100-point system with emphasis on ability to service Hidalgo County including, but not be limited to, the items listed below:

1. **Understanding the Services/Methodology.** Company must state the approach and or methodology in achieving and rendering all services required by the County of Hidalgo. **25 points**
2. **Ability to commit to all Services Required.** Company should provide as much background information as to its experience in providing similar services to City, County or any other governmental agencies. Reference information should be as current as possible, especially contact persons and telephone numbers. **30 points**
3. **Ease of Support System & Response Time.** Ease of communicating with company's support system and the company's ability to have trained response team/person at service site. Qualified/trained response team (person) should be able evaluate, diagnose and/or begin service immediately. **20 points**
4. **Cost Fees and Warranty.** In considering the proposals, the Hidalgo County reserves the right to select the acceptable applicant who offers contractual terms and conditions that are most advantageous, including but not limited to software price and services price per day/hour. **25 points**

Total 100 Points

B. RANKING OF PROPOSALS:

Hidalgo County will evaluate and score the RFP responses. After the RFPs have been evaluated and scored, Hidalgo County will make a recommendation to Hidalgo County Commissioners Court for approval of rank and/or award of proposal.

C. NEGOTIATION PROCESS:

Compliance with all requirements, the most cost productive, efficient and effective plan will be considered. Emphasis will be placed on capability to perform within the program as well as meeting the needs of Hidalgo County. Accuracy and completeness are essential. If negotiations proved unsuccessful, the next highest ranked proposer will be contacted. Hidalgo County reserves the right to reject any and all RFPs.

Reference: RFP No. 2013-196-12-27-MEG "Credit Card Payment System-Hidalgo County"

Dear Ms Salazar,

Easy Access Inc (EAI) is pleased to submit our proposal for Hidalgo County's (HC) prospective "Credit Card Payment System" service through the [continued] use of our **Application Services Provider (ASP) System**. The proposed ASP solution is a business model construct where a third party entity manages and distributes Application Software Services (which in this case is our **EZ-NetPay™ Services**) across a **Wide Area Network (WAN)** from a central data center. For purposes of this proposal the WAN will be identified as the decentralized global network referred to as the *Internet*. By using this network backbone, HC preserves the ability to utilize its pre-existing investment for access to this network. Within this proposal, EAI will provide a solution that will *unequivocally* meet HC's actual and implied specifications (for example please see Section 2.5.10, of this RFP response as it relates to "Live on-site" staff training and the range of training class sizes). This also includes the maximization of HC's pre-existing investment in its inventory of desktop PCs. Consequently, there will not be a *required* need for any additional hardware. Furthermore, this proposal will provide for all Service software support. As also requested in the RFP this Service will also provide for all "credit card processing supplies". As a result the only item that HC will need to provide for this Service will be the continued existing Internet communications conduit which can either be provided through simple pre-existing analogue telephone lines or HC's current network access to the Internet. This Credit Card Processing Service [and electronic check services] will be provided to the County at **No Charge**. Re-imbursement for these Services will be through a *Convenience Fee* that will be charged by EAI to the Credit Card holder (please see Section 4, "Fee Schedule" for the details of the Convenience Fees). Additionally, beyond the medium of credit cards, EAI will also provide a secondary method by which Hidalgo County tax payers can affect electronic payments. This method will be through the medium of what is referred to as an "Electronic Check". The fee for this additional service (like the Credit Card process service will be provided to the County at **No Charge**) can also be found in Section 4 of this RFP response. Additionally, this electronic payment processing facility will work with any financial institution of HC's selection.

Additionally, tethered to the Credit Card processing system will also be the continued use of the licensed software products; EZ-Justice and eJustice. Both of these programs are used as the backbone for the consolidated database management and collection of all **Scofflaw**

fines and fees. These previously considered uncollectable prior delinquent fines and fees from County Courts, District Courts and Justice of the Peace Courts have resulted in additional off-balance sheet revenue of over \$1.1 million to Hidalgo County.

Finally, because this *highly comprehensive* service will emanate from McAllen, response time for "all service calls" will be nearly instantaneous, far less than the 4-hour minimum that is usually associated in most requests of this type (our prior years of service to HC will unequivocally support this statement).

As evidenced by our proposal response in the ensuing pages, we have attempted to provide responses to all requested information requirements contained within your Request for Proposal (RFP). Please understand that our response is being provided based on the following assumptions:

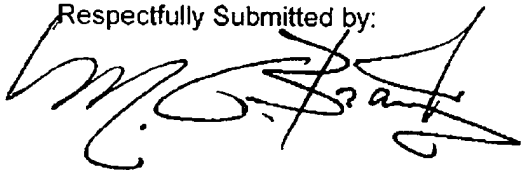

- * It is our intention to include the response sections of the RFP as an attachment to the EAI Professional Services Agreement along with any additional information gained during the evaluation phase before contract approval and signing. For purposes of continuity, we have enclosed a copy of the current "Services" agreement that guides our existing relationship with Hidalgo County as it relates the current "Credit Card and electronic Payment processing agreement that EAI has with Hidalgo County. The only modification was in Section 28, "Notices" where we have updated the listing of the participating departments (please see page 9 of the RFP).
- * In the event clarification is required to any mutual agreement to the scope of the project or currently defined specifications, a formal Response Change Document is used to provide a clear disclosure, clarification and agreement.

It has been our national experience with our clients that the use of this process provides for a clear set of expectations for both EAI and the client.

The enclosed response is subject to successful negotiation of a mutually acceptable Agreement. If EAI should continue to be HC's preferred vendor for this service, we will review together the enclosed [County modified] "Services" Agreement and HC terms and conditions in order to adopt a mutually acceptable agreement. Submission of this response does not denote acceptance by EAI of Hidalgo County terms and conditions.

We look forward to working with you on your project. If you have any questions, please contact me at 1:800:926-3466 at your earliest convenience.

Respectfully Submitted by:

M. G. (Mike) Braun Jr. / Special Projects Director

4. FEE SCHEDULE

4.1. CREDIT CARD FEES

This proposed credit card processing service (including support for the application software Services) will be provided to the County at **No Charge**. Re-imbursement for these services will be through a *Convenience Fee*** that will be charged by EAI to the Credit Card holder. The proposed fee will be \$2.50 per \$100* (please see the sample chart below).

Beginning Dollar Range	Ending Dollar Range	Fee
\$ 0.01	\$ 100.00	\$ 2.50
\$ 100.01	\$ 200.00	\$ 5.00
\$ 200.01	\$ 300.00	\$ 7.50
\$ 300.01	\$ 400.00	\$ 10.00
\$ 400.01	\$ 500.00	\$ 12.50
\$ 500.01	\$ 600.00	\$ 15.00
\$ 600.01	\$ 700.00	\$ 17.50
\$ 700.01	\$ 800.00	\$ 20.00
\$ 800.01	\$ 900.00	\$ 22.50
\$ 900.01	\$ 1,000.00	\$ 25.00
\$ 1,000.01	AND UP	The above sample chart illustrates the \$2.50 per \$100 flat fee that will continue in the same manner for any credit card charges covered under this proposal.

EAI's current convenience fee schedule is subject to change at EAI's discretion. This is due in fact because any Service of this type is wholly dependent on the underlying cost of interbanking facilities, which are predicated on the indirect cost of banking, i.e., interbank communications facilities, credit card processors, the change in Federal Funds rates and etc. Given the current economic difficulties that exist nationally, these costs could prove to be highly volatile, ever changing and therefore out of our control. Should there be a significant fluctuation in these interbanking costs then those increases would have to be passed on to the end user credit card holders. For this reason EAI takes all steps necessary to try and keep this convenience fee rate as low as possible so that end-user credit-card holders will in fact find this Service to be not only **advantageous** but **economical to use as well**.

4.2. ELECTRONIC CHECK FEES

The proposed solution will also provide an Electronic Check component to this overall proposed EZ-NetPay™ solution. The following is the fee schedule that will be utilized for this offering:

Beginning Dollar Range	Ending Dollar Range	Fee
\$ 0.01	\$ 100.00	\$ 2.50
\$ 100.01	\$ 200.00	\$ 5.00
\$ 200.01	\$ 400.00	\$ 7.50
\$ 400.01	\$ 800.00	\$ 10.00
\$ 800.01	\$ 1,000.00	\$ 12.50
\$ 1,000.01	\$ 2,000.00	\$ 15.00
\$ 2,000.01	\$ 4,000.00	\$ 17.50
\$ 4,000.01	\$ 8,000.00	\$ 20.00
\$ 8,000.01	\$ 12,000.00	\$ 22.50
\$ 12,000.01	\$ 25,000.00	\$ 25.00
\$ 25,000.01	AND UP	1% of Transaction

Important Note: This aspect of the EZ-NetPay™ solution will also provide (at no additional cost to the County) the use of EAI's exclusive **Resolution Collection Service** – before a Charge Back to the County's bank account due to insufficient funds or a some type of credit card discrepancy, EAI will provide up to 21 days of "Resolution / Collection Service" on prospective Credit Card Charge backs or Bad Check ("Electronic Check") collections that come about as a result of an Internet originated check.
