**INTERLOCAL COOPERATION AGREEMENT  
BETWEEN TEXAS DEPARTMENT OF PUBLIC SAFETY AND  
THE COUNTY OF HIDALGO, TEXAS**

This Agreement is made and entered into upon the date of the last party to sign this Agreement, by and between the County of Hidalgo, a political subdivision of the State of Texas (hereinafter referred to as "County") and the DEPARTMENT OF PUBLIC SAFETY of the State of Texas, a state agency, (hereinafter referred to as "TxDPS") pursuant to the provisions of the Texas Interlocal Cooperation Act, as follows:

**WITNESSETH:**

**WHEREAS**, County was awarded a grant hereinafter referred to as "Operation Stonegarden" or the "Grant" in the amount of \$800,817.00 from the U.S. Department of Homeland Security ("DHS") with CFDA# 97.067 through the State Administrative Agency ("SAA") and the Texas Department of Public Safety ("TxDPS"), of which certain funds are intended to be subcontracted to various local and state police departments including TxDPS's police department;

**WHEREAS**, the purpose of the Grant is to assist counties along the United States borders to enhance law enforcement preparedness and operational readiness among regional law enforcement agencies in a joint mission to secure the borders;

**WHEREAS**, the Grant allows local law enforcement agencies that have completed the 2013 Eligibility Certification Form, attached hereto as **Exhibit "C"**, to use funds for certain law enforcement operating expenses while participating in border security operations approved by DHS;

**WHEREAS**, the Grant requires County, as the grant recipient, to comply with certain terms and conditions more particularly described in **Exhibit "A"** attached hereto and entitled, "Texas Department of Public Safety 2011 Sub-Recipient Agreement for Hidalgo County," dated April 25, 2012, and further requires any sub-recipient accepting funding from the Grant through a subcontract or agreement to also comply with certain provisions of the terms and conditions stated in the attached **Exhibit "A"**;

**WHEREAS**, TxDPS desires to carry out DHS eligible activities as described in the **Statement of Work** attached hereto as **Exhibit "D"**;

**WHEREAS**, the County proposes to contract with TxDPS in order that the eligible activities described in **Exhibit "D"** can be carried out for the benefit of the residents of County and TxDPS.

**NOW THEREFORE**, County and TxDPS in consideration of the mutual covenants expressed hereinafter, agree as follows:

**SECTION I  
RULES AND REGULATIONS**

The TxDPS agrees to cooperate with the County in respect to the implementation of the Grant within its jurisdiction and as supported under Public Law 110-161, Department of Homeland Security Appropriation Act of 2008.

**SECTION II  
DEBARMENT/SUSPENSION CERTIFICATION**

TxDPS certifies that TxDPS and its contractors/vendors associated with this Agreement are not presently debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded by any federal department or agency and do not appear in the Excluded Parties List System found at <http://sam.gov> (as per State Administrative Agency Bulletin No. 12-003 attached as **Exhibit "F"** or its successor).

**SECTION III  
TERMS AND CONDITIONS AND STATEMENT OF WORK**

TxDPS represents that it has read and understood the Sub-Recipient Agreement between the County and the TxDPS attached hereto as **Exhibit "A"** and as a condition of participating in the Grant, TxDPS agrees to comply with all terms and conditions required of entities accepting funds through an agreement and TxDPS further agrees to perform services as outlined in the Statement of Work (**Exhibit "D"**) for and in consideration of reimbursement from County in an amount not to exceed \$97,981.33 as delineated in the **TxDPS Grant Budget (See attached Exhibit "E")** and **cost Reimbursement Request Form (See attached Exhibit "F")**. The performance period will begin on June 1, 2014 and end on July 31, 2014.

TxDPS agrees to attain scheduling approval from Customs and Border Protection/Border Patrol prior to performing any work, and shall provide County with approved schedule. TxDPS further represents and understands that TxDPS shall not receive any Grant funds and/or reimbursements for any work not previously approved or that is outside the approved schedule.

TxDPS agrees to notify County in writing and obtain from County written approval, prior to any proposed changes, delays or departures from the Statement of Work (**See Exhibit "D"**) and the TxDPS Grant Budget (**See Exhibit "E"**).

County shall not be liable for costs incurred or performances rendered unless otherwise provided herein by TxDPS before commencement of this Agreement or after termination of this Agreement and shall not be responsible for reimbursements pertaining to costs incurred or performances rendered that are not in compliance with the Statement of Work (**See Exhibit "D"**) and the TxDPS Grant Budget (**See Exhibit "E"**). County shall reimburse TXDPS for costs incurred or performances rendered that are in compliance with this Agreement and/or the Grant for the performance period from June 1, 2014 until July 31, 2014.

TxDPS agrees to provide County with copies of all current and applicable payment and overtime policies, workers compensation policies, retirement rates, unemployment rates, and any other reimbursable benefit and rates of payment as required for reimbursement under the TxDPS Grant Budget (See Exhibit "E").

TxDPS shall tag and inventory all equipment and assets purchased with Grant funds by tagging and placing identification labels identifying the Grant name and year in accordance with State Administrative Agency Bulletin No. 12-004 or its successor (See Exhibit "F"). TxDPS shall conduct physical inventory on a monthly basis and provide County with a complete and accurate listing of equipment/assets including tag numbers, id numbers and serial numbers with photographs depicting same.

TxDPS shall take ownership and complete control of equipment/assets purchased with Grant funds after grantee has completed all required work relating to the Grant or once the period of performance for the Grant ends, whichever comes first.

#### **SECTION IV RECORDS AND REPORTS**

TxDPS agrees to establish and maintain all necessary records and reports that may be necessary for reimbursement from County of Grant funds, including but not limited to the Cost Reimbursement Form (See Exhibit "F"), Activity Log (See Exhibit "H"), and the Annual Inventory Control Requirement Form (See Exhibit "F") which must be submitted to County by June 1, 2014. TxDPS shall provide County with a weekly report (See Exhibit "G"). TxDPS shall further provide County with a monthly Property Acquisition Form to include photographs of each equipment/asset and updates on equipment/assets secured with Grant funds. (See Exhibit "I"). The Inventory Log shall meet federal requirements by identifying assets with an appropriate tag number, identification or serial number affixed to the corresponding equipment/asset, and photographs showing same. (See Exhibit "F" including State Administrative Agency Bulletin No. 12-004 or its successor attached thereto.)

TxDPS understands that it is solely the TxDPS's responsibility to keep all records and reports pertaining to Grant activity within their municipality in a manner acceptable to County. Failure to maintain records and reports may result in delay or forfeiture of the TxDPS's designated Grant funds.

#### **SECTION V MONITORING VISITS**

TxDPS shall allow County to conduct on-site monitoring visits to assure compliance with applicable federal requirements, terms and conditions, and adequacy of timeliness of performance by TxDPS and those performance goals are being achieved, if applicable. TxDPS shall give Homeland Security, SAA, TxDPS, the Comptroller General of the United States, County, County Auditor, and any of their duly authorized representative, unobstructed and full access to and the right to examine all books, accounts, records, reports, files, and other papers, things or property belonging to or in use by TxDPS pertaining to this Agreement.

## SECTION VI PAYMENT REQUESTS

TxDPS agrees to submit to the County Auditor's Office, a properly completed SSA/Division of Emergency Management Cost Reimbursement Request (**See Exhibit "F"**) and all supporting documentation, including but not limited to General Ledger Reports, Payroll Distribution Reports, Time Sheets, Activity Logs (**See Exhibit "H"**), Property Acquisition Form (**See Exhibit "I"**), Copies of Invoices, and other related information whether or not requested by County on a monthly basis no later than the 15<sup>th</sup> of each month for the previous month. Each Cost Reimbursement Request shall be completed pursuant to the instructions and State Administration Agency Bulletin Nos. 11-005 and 12-005 (or their successors) included in the attached **Exhibit "F"**.

TxDPS and County agree that all unused Grant funds at the end or termination of this Agreement will be reallocated or reprogrammed by County.

## SECTION VII AUDIT REQUIREMENTS

TxDPS agrees to comply with the applicable requirements and standards as set forth in OMB Circular A-133, Audits of States, Local Governments and Non-Profit organizations.

If TxDPS expends Five Hundred Thousand Dollars, (\$500, 000.00) or more in federal grant funds in the fiscal year, TxDPS must, within nine (9) months from the end of the fiscal year, supply County with an audit of revenues and expenditures conducted by a certified public accountant. If the TxDPS expends less than \$500,000.00 in federal grant funds in a calendar year, then it is exempt from the OMB Circular A-133 audit requirements for that year; however, records must be available for review or audit by appropriate officials of the federal agency, the General Accounting Office and County. If a TxDPS is exempt, TxDPS will provide to County a copy of TxDPS's Financial Statements for the most recent fiscal year ended. TxDPS must complete and provide to County a completed Property Acquisition Form **Exhibit "I"** to be submitted monthly. If applicable, TxDPS agrees to cooperate with the County relating to any inquires regarding audits and TxDPS acknowledges that a Financial Audit shall be provided to County at the expense of the TxDPS. Audit information shall be available to County staff, and any and all applicable federal agencies.

TxDPS shall further provide County with a final report and all documentation required no later than 60 days prior to the completion of the project.

## SECTION VIII SUSPENSION AND TERMINATION

TxDPS understands that this Agreement may be suspended or terminated if TxDPS materially fails to comply with the provisions of the Agreement or the provisions so listed in attached **Exhibits "A" through "I"**.

If TxDPS fails to fulfill in a timely and proper manner its obligations under this Agreement, or TxDPS violates any of the agreements or stipulations of this Agreement, then the County shall provide TxDPS written notification of such non-performance. Such non-performance may be the basis for immediate termination of the Agreement. **Should any breach by the TxDPS of this Agreement relate to a violation of federal law or regulation that results in SAA, TxDPS or Homeland Security demanding reimbursement from the County or the TxDPS or its successor, the County will terminate Agreement and seek reimbursement of all funds from TxDPS.** TxDPS shall not be relieved of the liability to the County for damages sustained by the County by virtue of any breach of this Agreement by TxDPS and County may withhold any payments to TxDPS for violations of state, local or federal regulations. Should the county become aware of any activity by TxDPS, which would jeopardize the County's position with Homeland Security, SAA, TxDPS or any other state or federal agency, or which would cause a payback of federal funds, than the County may take appropriate action including injunctive relief against TxDPS to prevent the transaction as aforesaid. The failure of the County to exercise any right shall in no way constitute a waiver by the County to otherwise demand payment or seek any other relief in law or in equity to which it may be justly entitled.

It is expressly agreed that this Agreement may not be amended except in writing upon the joint action of the governing bodies of both the County and TxDPS.

#### SECTION IX ASSETS

TxDPS shall not purchase any asset unless so permitted by the County and such procurement shall be done in the form and manner so required by the County.

The requirements for real and personal property acquired with federal awards are contained in the Common rule of the Office of Management and Budget (OMB) Circular A-102, "Grants and Cooperative Agreements with State and Local Governments." The Common Rule of OMB Circular A-102 has been adopted by reference in the Uniform Grant Management Standards (UGMS). Recipients and sub-recipients of federal pass-through and other funds from state agencies are subject to the requirements of UGMS.

UGMS requires grant recipients and Sup-recipients to maintain property records, perform a physical inventory at least once every two years, reconcile results of the physical inventory to property records, safeguard the property, maintain the property, and use proper sales procedures to ensure the highest possible return.

To comply with the federal and state requirements regarding property records, TxDPS is required to keep a Property Acquisition Form to include a list of equipment and assets acquired with grant funds. This list should include a description of the property, a serial number or other identification number, the source of property, name of title holder, the acquisition date, cost of the property, percentage of federal or state participation in the cost of the property, the location,

use and condition of the property, and any ultimate disposition data including the date of disposal and sale price of the property (**See Exhibit "I"**).

The disposition of any asset improved or acquired in part or in whole with Grant funds by the TxDPS during the Grant period or after expiration of the Grant period, must have prior written approval of the County and County shall be reimbursed for the asset, if sold, in the full amount of the fair market value of the disposed asset. Upon such reimbursement to the County, the TxDPS shall become the owner of such asset purchased or acquired through the Grant funds and shall be responsible for the care, maintenance and repair of same. This reimbursement process shall also be applicable and in full force and effect for any asset which is no longer used for its intended Grant purpose by the TxDPS at any time during the Grant period or after expiration of the Grant period. The Parties are further required to comply with 44 CFR 13.32(e) regarding the disposition of assets acquired with Grant funds.

#### **SECTION X LIABILITY FOR DISALLOWED COSTS**

The TxDPS understands and agrees that it shall be liable to County for any costs disallowed pursuant to financial and compliance audit(s) of TxDPS agreement funds. The TxDPS further understands and agrees that reimbursement to County of such disallowed costs shall be paid by the TxDPS from funds that were not provided or otherwise made available to TxDPS pursuant to this Agreement or any other federal contract.

#### **SECTION XI INDEMNITY CLAUSE AND INSURANCE REQUIREMENT**

To the extent permitted under the constitution and laws of the State of Texas, TxDPS agrees to hold harmless the County its elected officials, officers, employees, consultants, or agents and to indemnify County's elected officials, employees, consultants or agents and to defend County against any and all claims brought against County by elected officials, officers, employees, or agents of TxDPS or brought by any third person limited to litigation involving grant funds distribution pursuant to this Agreement.

TxDPS shall acquire, maintain and furnish to County a Certificate of Insurance as proof that it has secured and paid for policies of public liability and automobile insurance to cover all operations and services under this Agreement with limits of not less than \$300,000.00 per occurrence, \$1,000,000.00 aggregate, covering all risks incident to or in connection with the execution, performance, attempted performance or non-performance of this Agreement. This requirement shall be to meet TxDPS's duty of indemnification under this paragraph. The County understands that TxDPS, as a state agency, does not maintain insurance coverages.

## SECTION XII PROCUREMENT

TxDPS agrees to conform to its own applicable purchasing laws, regulations, employment policies and procedures with respect to any purchases or employment in relation to the Grant and/or this Agreement.

## SECTION XIII CONFLICT OF INTEREST

TxDPS covenants that none of its elected officials, officers, employees, consultants, or agents who exercise influence on the decision-making process presently has or will have any interest, direct or indirect, with any person, corporation, company or association that is hired to carry out any of the activities funded by the Grant. TxDPS agrees that all elected officials, officers, employees, consultants or agents shall comply fully with the applicable requirements of Texas Government Code.

TxDPS agrees that no person who is an elected official, officer, employee, consultant, or agent of the TxDPS's organization or the County's organization shall gain any interest in any corporation, company, or association that is hired to carry out any of the activities so listed in the attached Exhibit "A" during the Grant period or for a period of one (1) year thereafter.

TxDPS is responsible for repayment of funds associated with any conflict of interest that may occur either knowingly or unknowingly.

## SECTION XIV MISCELLANEOUS PROVISIONS

**I. NATIONAL INCIDENT MANAGEMENT SYSTEM (NIMS)**

Homeland Security Presidential Directive (HSPD)-5 requires Federal Departments and agencies to make adoption of NIMS by State, tribal, local governments and nongovernmental organizations (NGOs) a condition for Federal preparedness assistance through grants, contracts and other activities.

The NIMS Compliance Assistance Support Tool (NIMSCAST) is the web-based self-assessment instrument for Federal Departments and agencies as well as State, territorial, tribal, local governments to evaluate, report, and document their jurisdiction's progress and achievement of NIMS implementation activities.

Prior to allocation of any FY 2013 Federal preparedness awards, the Texas Homeland Security State Administrative Agency (THSSAA) must ensure compliance and/or alignment with the FY 2012 NIMS implementation plan. Accordingly, all sub-recipients must be 100% compliant with the FY 2012 NIMS Implementation Objectives and Metrics in NIMSCAST to be eligible to receive FY 2013 Homeland Security Grant funding or the THSSAA must document that the sub-recipient "has demonstrated sufficient progress in NIMS implementation."

2013 NOTE: The FEMA National Integration Center is currently working to integrate NIMSCAST into the Preparedness Capabilities Assessment System Tool (PrepCAST) portal. FEMA has indicated that "*the launch of NIMSCAST 5.0 will be delayed and that the National Integration Center cannot articulate a definitive timeframe for the next NIMSCAST launch.*" As a result, the THSSAA will rely on the eligibility certification from potential subrecipients until NIMSCAST 5.0 is available for THSSAA to complete validation checks of the 2012 NIMSCAST data.

**II. EMERGENCY MANAGEMENT PLANS (INTERMEDIATE LEVEL)**

Cities and counties must have a current emergency management plan or be a legally established member of an inter-jurisdictional emergency management program with a plan on file with the Texas Division of Emergency Management (TDEM). Plans must be maintained throughout the entire grant performance period and must be at least at the Intermediate Level. Emergency Management Coordinators (EMCs) may now submit and check the level of their jurisdiction's emergency plans online through TDEM's ePlan application. Emergency Management Coordinators may register for the new ePlan application by contacting Amanda Rick at [amanda.rick@dps.texas.gov](mailto:amanda.rick@dps.texas.gov) or (512) 424-2450. The THSSAA will verify plans compliance with TDEM.

Any sub-recipient expending \$500,000 or more in Federal funds (all federal sources combined) or State funds (all state sources combined) during the prior fiscal year must obtain an OMB Circular A-133 Single Audit and provide a copy of the required reporting package to TXDPS and the Federal Clearinghouse (<http://harvester.census.gov/sac/>). Audits and reporting packages should be submitted to TXDPS via email at [A133review@dps.texas.gov](mailto:A133review@dps.texas.gov), or via U.S. Mail at Texas Department of Public Safety, P O Box 4087, Austin, Texas 78773-0001, and Attn: TDEM/A-133. Questions about A-133 audit submission requirements may be directed to Robert Newsom at 512/437-4742 or to the above email address.

### IV. TEXAS REGIONAL RESPONSE NETWORK (TRRN)

The Texas Regional Response Network (TRRN) is a web-based application through the Texas Department of Public Safety (TXDPS), Texas Division of Emergency Management (TDEM). The function of the TRRN web application is to provide a central, web-based system to organize and coordinate resources in response to natural or man-made disasters.

- Any sub-recipient who has received Homeland Security Grant funding must be registered with TRRN.
- Any deployable equipment with a cost of \$5,000 or more, purchased with Homeland Security Grant funds, must be entered into the TRRN.

Technical questions or comments concerning the TRRN website and its operations can be directed to Dan Walker 512/424-2549 [dan.walker@dps.texas.gov](mailto:dan.walker@dps.texas.gov) or Jonathan King 512/424-7053 [jonathan.king@dps.texas.gov](mailto:jonathan.king@dps.texas.gov).

Prior to allocating any money to a County, the THSSAA will review the County's criminal history reporting performance for a 90% average disposition completeness rate for adult arrests and a 90% average disposition completeness rate for juvenile arrests under calendar years 2007-2011. ## SAA Information Bulletin

No. 12-003

June 29, 2012

(REVISED) August 2, 2013

From: Machelie Pharr  
Deputy Assistant Director

Subject: Federal Debarment and the Excluded Parties List System

Effective Date: August 2, 2013

### Purpose

In an effort to provide assurance to the Federal Government that the State of Texas and its sub-recipients comply with Federal Executive Order 12549, 44 CFR § 13.35 ("Subawards to debarred and suspended parties"), and the Texas Uniform Grant Management System (UGMS), the Texas Department of Public Safety/Texas Homeland Security-State Administrative Agency requires all Homeland Security Grant Program subrecipients (to include all programs administered by the TXDPS/THS-SAA) check the debarment status of all vendors before contracting with or making any purchases with funds from any federal grant.

The Excluded Parties Listing Systems (EPLS) is an electronic database of parties excluded from federal procurement and non-procurement programs and is located at <https://www.SAM.Gov>. The EPLS identifies those parties excluded throughout the U.S. Government (unless otherwise noted) from receiving Federal contracts or certain subcontracts and from certain types of Federal financial and nonfinancial assistance and benefits.

The TXDPS/THS-SAA requires Subrecipients to develop a written policy and procedure in order to ensure that the EPLS system is utilized. A sample policy and procedure has been provided below. These provided samples are intended as a guide but can be modified and adopted:

### Policy

Prior to procuring or entering into contract(s) for any goods/services, the subrecipient must check the debarment status of the vendor using the EPLS system (<https://www.SAM.Gov>) and document that

verification has occurred. This policy applies to the procurement of all good(s) or service(s) regardless of unit price or quantity.

Furthermore, because vendors are being removed and new ones added on a daily basis, subrecipients will be required to verify the vendor before issuing a new purchase order, blanket purchase order, contract or single time purchase.

If verification has been performed prior to entering into multiple invoice or multiple billing period contracts, such as a yearly wireless phone subscription, then verification is not required prior to making each payment to the vendor. However, verification should be performed prior to extending, renegotiating a follow-on contract, or entering into a new contract.

Each Jurisdiction must have a written policy that includes the verification of vendors using the EPLS system prior to procuring or entering into contract(s) for any goods/services.

Each jurisdiction is required to include the EPLS verification with reimbursement or advance requests submitted after August 26, 2013 as part of the supporting documentation.

Example Policy:

The County/City Purchaser shall verify debarment status of all vendors prior to utilizing Homeland Security funds, using the EPLS system (<https://www.SAM.Gov>)

### **Procedures for Documentation**

Each subrecipient must be able to provide evidence that the debarment status of vendors has been verified before funds have been committed for a purchase or contract to the vendor. For purposes of HSGP reimbursements and advances a screen print of the SAM.Gov page indicating the vendor is not debarred provides that evidence.

Example Procedures:

Before Homeland Security funds may be spent, the County/City purchaser will:

1. Go to the EPLS Website (<https://www.SAM.Gov>).
2. The County/City Purchaser or their agent will search the EPLS system for the vendor.
3. If the vendor is found to be debarred, the vendor may not be used for procurements utilizing Homeland Security Grant Funds.
4. If the vendor is found not be debarred, print the screen page and retain with the procurement documentation.
5. A copy of the screen print indicating the vendor is not debarred, at the time of the procurement, must be included with the supporting documentation submitted to the Texas Homeland Security State Administrative Agency requesting reimbursement or advance.

### **SAA Monitoring**

During monitoring and reviews, subrecipients must be able to provide proof of a written policy requiring verification of debarment status. Records of vendors verified should be retained for audit purposes (maintain a copy of the screen print verification from the EPLS website) throughout the record retention period for the particular grant.

**\*Texas Uniform Grant Management System (UGMS) III. State Uniform Administrative Requirements For Grants and Cooperative Agreements Subpart C—Post-Award Requirements\_\_\_\_.35 Subawards to debarred and suspended parties.**

**“Grantees and subgrantees must not make any award or permit any award (subgrant or contract) at any tier to any party which is debarred or suspended or is otherwise excluded from or ineligible for participation in federal assistance programs under Executive Order 12549, “Debarment and Suspension.” A current list of “Parties Excluded from Procurement and Nonprocurement Programs” may be obtained from the federal General Services Administration in electronic form via modem or on the internet at <http://www.EPLS.GOV> State agencies are prohibited by the state appropriations act from purchasing goods or services with appropriated funds “from companies which have been found, in a judicial or state agency administrative proceeding, to be guilty of unfair business practices.” The restriction on such purchases remains in effect for one year from the date of the determination of guilt.**

**Purpose:** This information bulletin replaces GDEM-SAA Information Bulletin (IB) No. 2, dated August 10, 2006. This IB takes effect as of the revised date listed above. In an effort to clarify the 44 CFR 13.32 requirements that all Homeland Security Grant Program sub-recipients must follow with regards to the equipment tagging and inventory requirements, the following guidance is provided.

Definitions

**Capital Asset** - personal property costing \$5,000.00 or greater per-unit and having an estimated useful life of greater than one year.

**Controlled Asset** - an asset that has a per-unit cost of less than \$5,000.00, however due to its high-risk nature, must be tracked regardless of per unit cost. The following is a list of Controlled Assets.

<u>Controlled Asset Description</u>	<u>Authority</u>
• Stereo Systems	(UGMS, SPA)
• Cameras including Still, Digital, and Video	(UGMS, SPA, THSSAA)
• Facsimile Machines	(UGMS)
• TVs, VCRs, DVRs, and DVD Players	(UGMS, SPA)
• Cellular and Portable Telephones	(UGMS, THSSAA)
• Desktop CPU – Apple and non Apple	(SPA, THSSAA)
• Portable CPU – Apple and non Apple-including Tablet Devices	(SPA, THSSAA)
• Printer – Portable and non portable	(SPA, THSSAA)
• Data Projectors	(THSSAA)
• GPS Devices	(THSSAA)
• Communications Equipment	(THSSAA)
• Hand Held and Vehicle Mounted Radios	(THSSAA)

- Hand Held Imaging Units (THSSAA)
- Night Vision Optics, Spotting Scopes, and Binoculars (THSSAA)
- Trailers (THSSAA)
- Generators (THSSAA)
- CBRNE Detection Equipment (THSSAA)

UGMS = Uniform Grant Management Standards

SPA = State Property Accounting System

THSSAA = Texas Homeland Security State Administrative Agency

### Equipment Inventory Management

A control system must be in place to ensure adequate safeguards to prevent loss, damage, or theft of the asset. Any loss, damage, or theft shall be investigated (44 CFR 13.32). All sub-recipients must comply with the following Equipment Management guidance:

### Equipment Inventory Requirements

Asset records must be maintained and a physical inventory and reconciliation of Homeland Security grant funded assets must be accomplished at a minimum of once every two years as required by grant guidance. THSSAA requires sub recipients to track and record all required grant-funded Capital Assets and Controlled Assets in an inventory system. All assets acquired by the jurisdiction including capital and controlled (regardless of age) are to remain on the jurisdiction's inventory until final disposition has occurred.

Sub recipient inventory systems must contain the following information:

1. A description of the asset
2. A serial number or other identification number
3. The source of asset
4. Who holds title
5. The acquisition date
6. Cost of the asset
7. Percentage of federal participation in the cost of the asset
8. The location
9. Use
10. Condition of the asset
11. Any ultimate disposition data including the date of disposal and sale price of the asset
12. Control or inventory number

(Reference: A-133 Compliance Supplemental, 44 CFR 13.32, UGMS)

### Tagging Requirements

1. All Homeland Security Grant-funded Capital assets over \$5,000.00 in unit price and all controlled assets must be tagged.
2. Tagging is considered acceptable when it can be removed only through considerable effort or intentionally.
3. Asset tags must contain the following data:
  - a.. Jurisdiction's name

b.. Tag sequence number

Example: "Bear County –No. 00025"

Remember: When practical, the equipment should be marked "Purchased with Funds Provided by the U.S. Department of Homeland Security".

4. The asset tag sequence number must be reflected as a column in the Jurisdiction's master inventory listing and must correspond with the asset data.
5. The sub-recipient must consider the placement of the asset identification tag for ease of access during inventory and inspections. If an asset is constructed of material that does not allow for a tag to be applied (e.g. rubberized, fabric), the Sub-recipient should use other means of tagging such as a permanent marker or engraving. If an asset's size does not allow for a tag to be applied (e.g. night vision optics), the Sub-recipient should place the tag on the storage container for that asset. Hand held radios can often be tagged under the battery. It is not necessary to deface an asset when applying a tag.
6. In the event that an asset is found to have its tag defaced or damaged to the point where number recognition is impossible, the jurisdiction should replace the identification tag assigned and affix a new one to the equipment. Lastly, update the master inventory list to reflect the new asset tag. A cross reference on the old record should also be made to provide an audit trail.
7. For disposition, please refer to 44 CFR 13.32 (e)

Annual Inventory Control Requirement

All sub recipients that have Homeland Security assets that have not been disposed of and carried on their inventory system, are required to complete an annual inventory control certification form. The form provides for certification that the jurisdiction has completed a full physical inventory and reconciliation of Homeland Security assets within the past two years. The form must be submitted and received at the THSSAA by **June 30<sup>th</sup>** each year. You must initial all four components and complete the fifth component to be fully compliant.

Jurisdictions who fail to submit the form by the due date are deemed non-compliant and subject to suspension as outlined in 44 CFR § 13.43(a) (1)-(4) and will result in holding of reimbursements until the certification form is received.

The inventory certification form is located at:

## SAA Information Bulletin

No. 11-005

June 2, 2011

REVISED August 2, 2013

All Urban Area Security Initiative (UASI) Points of Contact

**From:** Machelie Pharr  
Deputy Assistant Director

**Subject:** Supporting Documentation for Grant Expenditure Reimbursement Request

Effective Date: August 2, 2013

This information bulletin provides guidance as to what is considered acceptable documentation in support of expenditures for which reimbursement is requested. This revision supersedes revised SAA Information Bulletin 11-005 issued July 31, 2012. This Information Bulletin encompasses necessary supporting documentation to be submitted by sub-recipients of Homeland Security grant funds seeking reimbursement from the Texas Homeland Security State Administrative Agency (THSSAA) for grant-related expenditures.

All expenditure requests must have THSSAA approval prior to purchase. Requests for reimbursement should be submitted to the THSSAA at the earliest possible opportunity. This will allow for the THSSAA to draw down funds in a timely manner. All minimum supporting documentation requirements must be met when submitting expenses to the THSSAA for reimbursement. Omitting the proper supporting documentation will result in delay and possible denial of the reimbursement request. See the attached matrix for a list of documentation requirements.

**Three Way Match:** Generally Accepted Accounting Principles require that expenditures be properly supported. When assembling documents for payment of goods and services, the three way match rule should be followed. The three-way match requires an invoice, a purchase order and either a packing slip or a receiving report.

**Three Way Match** refers to the comparison of the quantities, price per unit, terms, etc. appearing on the vendor's invoice to the information on the purchase order, and to the quantities actually received.

Chapter II, ATTACHMENT A, Section C paragraph 1.j. of the Uniform Grant Management Standards (UGMS) states: "Be adequately documented. Documentation required may include, but is not limited to, travel records, time sheets, invoices, contracts, mileage records, billing records, telephone bills and other documentation that verifies the expenditure amount and appropriateness to the grant."

To eliminate errors, the purchase order and packing slip (if provided by shipper) should be stamped as received, with the initials of the individual verifying the quantities received. If a receiving report is used, it should reference the Purchase Order number. The invoice should be matched to the packing slip and purchase order to ensure the quantities ordered were received and invoiced at the agreed upon price. The invoice should be notated to indicate it was paid, the date paid, and with a reference to a check number, Automated Clearing House (ACH) routing number, or other means of payment used.

**Purchase Orders:** The THSSAA recognizes there may be limitations in the procurement processes followed by some entities. If an entity does not issue purchase orders or purchase agreements, that entity should provide the THSSAA with a written certification from the elected official or individual who signed the grant award documents stating the entity does not have a written procurement policy and due to its size and staff limitations such a function would place a burden on the entity.

Once this certification is received at the THSSAA, the entity must have a person sign and date invoices and indicate the item(s) were received. This is in place of matching the item(s) from the packing slip to a purchase order and invoice. When the reimbursement request is submitted to the THSSAA, a comment should be made in the Notes section of SPARs that this entity does not issue purchase orders and certification is on file with the THSSAA.

If the entity later begins issuing purchase orders or purchase agreements, they should notify the THSSAA and provide a copy of the local policies and procedures.

When contracts are being used in lieu of a Purchase Order, ensure the procurement process is accomplished in accordance with the Uniform Grant Management Standards Part III Subpart C. \_\_\_36; 44 CFR Ch 1 § 13.33 and § 13.36; and, any jurisdictional procurement policies.

Sub-grantees are also referred to THSSAA Information Bulletin No. 11 dated March 3, 2009 regarding Sole Source procurement requirements.

The three way match will work for purchases of most goods and services. However, contracts that include deliverables should be supported by certification the deliverable received complied with the contract specifications.

To ensure compliance with the Executive Order 12549 "Debarment and Suspension", any request for reimbursement or hardship advance must be supported by proof the vendor or contractor is not listed on the Excluded Parties List System (EPLS) prior to making the purchase or entering into a contract. To confirm the vendor is not on the list, the sub-recipient must print a copy of the search

results from the EPLS (<https://www.SAM.gov/>) and retain the results. The verification must be provided to the THSSAA as part of the supporting documentation when requesting reimbursement or an advance effective with any request submitted after August 23, 2013. This requirement is applicable to all procurements or contracts for goods or services related to Homeland Security Grants. See also SAA Information Bulletin 12-003.

**Grant Matching Requirements.** For grants that require proof of match, supporting documentation should contain sufficient detail to ensure Grant Coordinators can be assured the expenditure meets the match requirements. Grant guidance should be followed in determining allowability. If any questions arise, they should be directed to your Grant Coordinator.

**Travel:** Travel should be in accordance with the local travel policies of the employee's jurisdiction. If the jurisdiction does not have a written policy, then the Federal guidelines presented on the GSA website must be followed.<sup>1</sup>

In addition to the above, Travel expenditures require other special considerations and documentation.

Travel expenses must be supported by sufficient information to determine:

1. the travel was approved before commencement;
2. expenses incurred are allowable;
3. expenses above the generally allowed amounts were approved prior to commencing travel; and,
4. how the travel supports the grant.

For out-of-state travel, specific written approval is required from the Chief Elected Official/Chief Executive Officer or their properly designated representative. The information required of in-state travel is also required for out-of-state travel.

International travel requires specific written approval from the THSSAA and the Department of Homeland Security Program Directorate. Travel requests for international travel should be submitted in letter format with sufficient justification to ensure the necessity is clearly understood.

In all cases, any request for travel must be approved prior to commencement of the travel. Failure to obtain this approval may result in denial of the reimbursement.

**Payroll Reimbursement:** Reimbursement of payroll cost for backfill or overtime must be supported by timesheets and proof of payment to the employee. Copies of the payroll journal certified by the Payroll Officer or Chief Financial Officer may be submitted as proof of payment for payroll cost.

The attached table provides minimum supporting documentation requirements acceptable for submission to THSSAA for reimbursement.

In addition, jurisdictions receiving Operation Stonegarden funds are referred to SAA Information Bulletin 12-005 for additional information and guidance.

## SAA Information Bulletin

No. 12-005

July 31, 2012

To: All Sub-recipients of Operation Stonegarden Grant Program Funds  
From: Machel Pharr, Deputy Assistant Director  
Subject: Operation Stonegarden Grant Program

This information bulletin provides additional guidance in support of expenditures for which reimbursement is being requested under the Operation Stonegarden Grant Program. The content of this bulletin is effective July 31, 2012. This Information Bulletin supersedes TDEM-SAA Information Bulletin #15 issued January 11, 2010.

The Texas Homeland Security State Administrative Agency (THSSAA) is responsible for ensuring all expenditures, for which reimbursement is being requested, are reasonable, allowable and allocable. The THSSAA is guided by Office of Management and Budget (OMB) Circular A-87 in making this determination.

Chapter II, ATTACHMENT A, Section C paragraph 1.j of the Texas Uniform Grant Management Standards (UGMS) requires expenditures to be adequately documented. The reference states: "Documentation required may include, but is not limited to, travel records, time sheets, invoices, contracts, mileage records, billing records, telephone bills and other documentation that verifies the expenditure amount and appropriateness to the grant."

Operation Stonegarden Grant recipients are prohibited from obligating or expending Operation Stonegarden (OPSG) funds provided through this award until each unique, specific or modified county level or equivalent Operational Order/Frag Operations Order with embedded estimated operational budget has been reviewed and approved by the appropriate U.S. Customs and Border Patrol (USCBP) Sector Representative, U.S. Customs and Border Patrol (CBP) Sector Headquarters (HQ), and the Federal Emergency Management Agency (FEMA), Grant Programs Directorate (GPD), Grant Development and Administration Division (GD&A) Program Analyst.

In addition, Operation Stonegarden Grant Recipients must have submitted the expenditure request into SPARs and obtained THSSAA approval prior to purchase or incurring an expense.

Sub-grantees are reminded that Operation Orders do not carry forward to a new grant. Each Operations Order is specific to the award and award year of the grant.

EQUAL OPPORTUNITY EMPLOYER  
COURTESY • SERVICE • PROTECTION

The U. S. Department of Homeland Security states that Operation Stonegarden funds may be used:

- to activate reserve State, local and Tribal law enforcement personnel
- to pay current part time law enforcement personnel salary bringing them to full time status
- for travel, per-diem and lodging to support up to a six (6) month deployment of law enforcement personnel to critical Southwest Border locations to support operational activities
- for fuel and/or fuel mileage reimbursement cap for operational activities
- for backfill costs for personnel supporting operational activities are allowable
- to support a request to the Governor to activate, deploy or redeploy specialized National Guard Units/Packages and/or elements of State law enforcement to increase or augment Specialized/technical law enforcement elements operational activities
- to increase operational, material and technological readiness of State, local and Tribal law enforcement agencies.

However, prior to expending any OPSG funds, these categories must be included on an operations order that has been reviewed and approved by the appropriate USCBP Sector Representative, CBP Sector Headquarters (HQ), and the FEMA/GPD&A Program Analyst.

Sub-recipients are reminded that under FEMA grant guidance, no more than 50% of the amount of the award may be used for personnel costs (which includes, but is not limited to: overtime, backfill, and increasing capability by utilizing part-time and/or reserve law enforcement to support OPSG operational activities). This requirement may be waived at the discretion of the FEMA Administrator on a case by case basis, after receipt of a written request. The format for a waiver request can be found in Grant Programs Directorate Information Bulletin No. 321, dated July 09, 2009.

Payroll cost related to Operation Stonegarden funding is limited to operational overtime costs associated with law enforcement activities in support of border law enforcement agencies for increased border security enhancement; cost of bringing part-time employees up to full time; or, cost associated with backfill for personnel supporting operational activities. Overtime hours are determined based on the local jurisdictions written overtime policy. That policy must be applied consistently across all funding sources whether they are Federal, State or local. If the jurisdiction indicates they are using the Fair Labor Standards Act (FLSA) or Department of Labor rules for their overtime policy, those rules will be applied to the overtime hours reported in the reimbursement request. For overtime calculated under the FLSA, paid leave is not allowable in the calculation of overtime, including comp time. For sub-recipients that have an Interlocal Cooperative Agreement, a Memorandum of Understanding or any other form of contract with other jurisdictions, the overtime policies of the sub-recipient receiving the award from the THSSAA is the controlling factor in determining calculation of overtime. The jurisdictions entering into the interposal agreement will be reimbursed based on the awarded sub-recipients overtime policy.

Request for reimbursement of payroll cost must be supported by timesheets, and proof of payment to the employee. **Request for reimbursement of overtime, backfill or cost of bringing part-time employees up to full time, shall only be for positions specifically identified in the operations order.** Copies of the payroll journal certified by the Payroll Officer or Chief Financial Officer must be included for each payroll reimbursement request submitted. Payroll reimbursements should be submitted monthly based on the ending date of the payroll period. For consistency, we have provided a form for use in submitting payroll reimbursement requests. Use of this form and

submission of the proper supporting documentation will facilitate timely reimbursement. Submission of multiple months on the same request will result in the denial of the request. The request will be returned and a separate reimbursement request must be submitted for each month included on the original request.

Unless otherwise authorized by FEMA/DHS, jurisdictions may not claim both mileage and fuel/vehicle maintenance at the same time. Mileage reimbursement is designed to include the costs for vehicle maintenance. If fuel is claimed, then vehicle maintenance may also be claimed. However, you cannot claim fuel and maintenance in addition to mileage. Note that on any operations order, (1) mileage must be listed as a budget item by itself, but not fuel and vehicle maintenance OR (2) fuel and vehicle maintenance can be listed as budget items, but not mileage. The AEL codes for these categories, when submitting expenditure requests are as follows:

- (21OS-01-MILE) Mileage reimbursement for select operational expenses
- (21OS-01-FLSG) Fuel reimbursement for select operational expenses
- (21OS-01-MRSG) Reimbursement for select operational expenses associated with maintenance of Stonegarden operational vehicles

**Mileage reimbursements should be submitted monthly on the appropriate form.** For consistency, we have attached a form to be used for mileage claims.

**Local governments receiving a grant from the THSSAA are responsible for ensuring all subcontractors are aware of and follow all grant requirements.**

For reimbursement of equipment, the equipment must be included in the budget narrative submitted to Customs and Border Patrol and Department of Homeland Security included on the approved Operations Order.

The THSSAA recognizes there may be limitations in the procurement processes used by some entities. If an entity does not issue purchase orders or purchase agreements, that entity should provide the THSSAA with a written certification from the elected official, or individual who signed the grant award documents, stating the entity does not have a written procurement policy and due to its size and staff limitations such a function would place a burden on the entity.

**Documentation submitted in support of the reimbursement request must be in accordance with THSSAA Information Bulletin 11-005 (Revised July 2012).**
