Re: Amendment to Engagement as Special Counsel for Hidalgo County (Rev. 1)

Dear Judge Garcia,

This letter agreement, once duly executed, amends the engagement agreement between this Firm and Hidalgo County, Texas ("County") dated March 21, 2016 ("Engagement Agreement").

The County seeks to confer with an expert on program management for advice and guidance in the County's negotiation of a contract with a program management firm for the new Courthouse Project. The County asked the Firm to engage such an expert as a consultant to the Firm for the County's benefit. The Firm has agreed to do so provided that the County timely reimburses the Firm for the services of this consultant. The consultant is the BPM Group, located in Houston, Texas. BPM charges \$200 per hour for the services of BPM's principal, Mr. Bob Brooks, and \$80 per hour for services of his assistant, if required.

All other terms of the Engagement Agreement remain unchanged and in full force and effect.

To confirm this amendment to the Engagement Agreement, please take the steps necessary to have it approved and sign below where indicated signifying the County's agreement.

Sincerely,
