Jim Barnes' Questions

181016 Commissioners Court Certificates of Obligation/Limited Tax Refunding Bonds

Are these agenda items prepping for a report to the State Comptroller?

84R HB1378

Can we get a copy?

When were these obligations incurred?

What is the amount of each?

How long is the term on these?

Has the rate been established?

If these are for pending contracts, what are they for and can we see a copy?

How far over budget do these take the County?

Limit is 25%

What is the rationale for using these instruments instead of a voter voted bond issue?

Who is the Financial Advisor that recommended this route? What is his/her expertise with COOs? What is his employment History?

Is there a limit on how many COOs can a county incur or have simultaneously?

Are there more or is this all of them.
