## ***PROFILE***

***Kevin Nolting, Nolting Consulting LLC.***

### ***Healthcare Reimbursement Consultant***

Mr. Nolting graduated from Angelo State University with a Bachelor's of Business Administration Degree and received his Masters of Business Administration Degree from the University of North Texas. Mr. Nolting worked for the Texas Department of Mental Health and Mental Retardation from 1987 to 2004. He began his TDMHMR career as an accountant at the Big Spring State Hospital. He transferred to the Denton State School as Chief Accountant and was promoted to the Director of Fiscal Services. Mr. Nolting was hired as the Director of State Facilities Financial Services at TDMHMR Central Office in Austin in 1996 and was promoted to Budget Director for the agency in 2002 and ultimately served as its Chief Financial Officer when the agency was dissolved in 2005.

Mr. Nolting served as Director of Budget and Data Management from 2005 to 2007 at the newly created Department of Aging and Disability Services. In 2007, Mr. Nolting was hired to be the Director of Hospital Reimbursement at the Texas Health and Human Services Commission (HHSC).

Mr. Nolting was responsible for the development and oversight of Medicaid reimbursement programs for various hospital-based and clinic-based services whose combined payments equaled approximately \$7 billion per year. These programs included hospital inpatient and outpatient services, Disproportionate Share Hospital Program, Upper Payment Limit Supplemental Payment Program, Graduate Medical Education Program and the 1115 Transformation Waiver. He was responsible for the development and oversight of the administrative rules and Medicaid State Plan for these programs. He worked closely with Texas Hospital Associations as well as individual hospitals related to Medicaid hospital policy initiatives and interpretations. He was also responsible for providing technical assistance, guidance, information and support to HHSC staff and board members; Legislative Budget Board; Governor's Budget Office; other state agencies and external organizations related to hospital reimbursement.

Mr. Nolting retired from state government in 2012 and is currently providing consultative services related to governmental reimbursement programs for a variety of healthcare organizations, associations and related entities. He is currently under contract and provides consultative services to the Anchor in Regions 9, 14 and 20.

## **Brief Summary of the 1115 Waiver**

In December 2011, Texas received federal approval of an 1115 waiver that would preserve Upper Payment Limit (UPL) funding under a new methodology, but allow for managed care expansion to additional areas of the state.

The purpose of the 1115 Healthcare Transformation waiver, supplemental payment funding, managed care savings, and negotiated funding will go into two statewide pools now worth \$29 billion (all funds) over five years. Funding from the pools will be distributed to hospitals and other providers to support the following objectives: (1) an uncompensated care (UC) pool to reimburse for uncompensated care costs as reported in the annual waiver application/UC cost report; and (2) a Delivery System Reform Incentive Payment (DSRIP) pool to incentivize hospitals and other providers to transform their service delivery practices to improve quality, health status, patient experience, coordination, and cost-effectiveness.

Uncompensated Care Pool Payments are designed to help offset the costs of uncompensated care provided by the hospital or other providers.

DSRIP Pool Payments are incentive payments to hospitals and other providers that develop programs or strategies to enhance access to health care, increase the quality of care, the cost-effectiveness of care provided and the health of the patients and families served.

Under the transformation waiver, eligibility to get Uncompensated Care or DSRIP payments will require participation in a regional healthcare partnership. Within a partnership, participants include governmental entities providing public funds known as intergovernmental transfers (IGT), Medicaid providers and other stakeholders. Participants will develop a regional plan identifying partners, community needs, the proposed projects, and funding distribution. Each partnership must have one anchoring entity, which acts as a primary point of contact for HHSC in the region and is responsible for seeking regional stakeholder engagement and coordinating development of a regional plan.

## **Scope of Services**

Scope of Work to support Anchor:

1. Assist Anchor with interactions with HHSC by assisting in responding to CMS on RHP 5 questions and issues.
2. Coordinate, screen, and assist in obtaining answers from HHSC on issues that arise relating to RHP 5.
3. Provide policy updates to Anchor and Regional stakeholders as directed as protocols and new interpretations are made by HHSC and/or CMS.
4. Assist Anchor in assessing IGT timing with performing provider reporting to claim DSRIP waiver reimbursement.
5. Assist Anchor staff with all Regional Learning Collaborative activities (as needed) including and documentation and reporting.
6. Assist Anchor staff in compiling and submitting annual required reporting.
7. Other Anchor support functions mutually agreed.

## **Proposal**

RHP 5 shall pay Consultant a flat fee each month of \$7,500 (FIVE THOUSAND DOLLARS). Consultant shall submit a monthly invoice to RHP 5 for obtaining the monthly fee. RHP 5 will pay Consultant within thirty (30) days of receipt of invoice. RHP 5 shall reimburse Consultant for all authorized travel and for other reasonable out-of-pocket expenses incurred as a result of specifically requested services.

Either party may terminate this agreement with Sixty (60) days prior written notice for any reason.
